An exciting opportunity has arisen for an outstanding newly qualified or experienced teacher to join our thriving, successful school and to teach Computer Science. Computer Science is a core subject at key stage 3 and a popular choice at key stages 4 and 5. We teach the AQA Computer Science specifications. Student outcomes at both key stage 4 and 5 is very pleasing indeed and many students progress to study computing-related qualifications at Russell Group Universities, including Oxbridge.

Brampton Manor is a high achieving and massively oversubscribed 11-18 school located in East Ham. Our GCSE and A level results are consistently in the top 1% of schools in the country. Professional development opportunities are excellent and there is a distinctive ethos within our school, which combines a relatively informal supportive approach with a sharp focus on learning and achievement.

Our Computer Science department is staffed by highly qualified colleagues and operates in a fully consultative and supportive manner. The department is very well equipped with state-of-the-art facilities in dedicated computing laboratories. This post would suit an ECT or a more experienced teacher wishing to broaden their experience in a highly successful and ambitious inner-city school. **A significant TLR allowance will be paid to an experienced applicant to take on additional leadership roles within the department.**

Please visit our website www.bramptonmanor.org to apply and obtain further details about this role. All completed application forms should be sent by email to jobs@bramptonmanor.org

Brampton Manor Trust is an equal opportunities employer. We are fully committed to the safeguarding of children. Enhanced DBS, Barred List and Prohibition checks will always be carried out on new employees.

CLOSING DATE: MONDAY 20 JANUARY 2025 (MIDDAY)

Interviews will take place on a rolling basis, as applications are received.
