

June 2023

Dear Applicant

Thank you for your interest in the post of a Teacher of Computing, required from January 2024.

The staff at Claydon High School are a hardworking and committed group who are passionate and enthusiastic in helping all our students achieve their potential. They are a body who get on well despite having various roles and there is a very supportive ethos at the school. This post would be suitable for a new entrant to the profession or a colleague seeking to broaden their experience. Claydon High School provides an excellent support programme for newly appointed staff.

We are looking to appoint a Computing teacher who is able to teach Computer Science and the Cambridge Nationals in Information Technology.

I hope after reading the information you feel this is the job for you and if you would like to apply please post your application to the school or send it by email to [hr@sslt.org.uk](mailto:hr@sslt.org.uk). Please see the school website for information regarding the interview process for successful candidates.

As I am sure you will understand there are safer recruitment procedures that we need to follow. Anyone invited for interview will need to provide photographic proof of identity, date of birth, current address and right to work in the UK. Before employment is confirmed employment references for the last five years, including a current employer are required and an enhanced DBS application will need to be successfully completed.

If you require any further information, or you would like to visit the school, please do not hesitate to contact us at [hr@sslt.org.uk](mailto:hr@sslt.org.uk).

Yours sincerely

Ms M Taylor  
Headteacher
