There will be opportunities to lead on extra-curricular offerings and trips and potential to teach KS5 for the right candidate.

We hold a special place in our community, with pupil numbers increasing again year on year we are school of choice for many across the borough. I take great pride in the excellent opportunities we give to local children and know this view is shared by our parents and the students themselves. Following the hugely successful Academic results at both A Level and GCSE in Summer 2022, and achieving the best results in our history, we are looking for outstanding candidates to join our family as the school continues on it's journey to great things.

I firmly believe the distinct Haberdashers' Trust ethos gives those who work in our schools the competitive edge. Working closely with colleagues across our Trust will give you access to first class professional development opportunities in your role. Ours is a culture of enthusiasm for high performance plus continuous improvement; and one of teamwork and open communication. By working together, we are afforded a distinct advantage in what we are able to offer new staff to the Trust. The opportunity for you to advance your career here is first class.

Attracting and keeping the best talent is the most effective way to grow a successful school, which is particularly important for us now as we push our students to greater success to have a positive impact on our community and beyond.

I hope my determination to take the school to the next level is evident. I recognise that this is by no means easy and demands a relentless focus on standards and improvement to get there and stay there. The successful candidate will be someone who is genuinely up for the challenge. In return, we can promise an investment in you and your future, offering a competitive remuneration and benefits package, providing first class professional development and career opportunities. You will work alongside peers of the very highest calibre from across the Trust. We are working with children from all backgrounds, all ages and all abilities, raising expectations of them and working hard to prepare them for life beyond the school. This job offers you an opportunity to showcase your talent and demonstrate your capacity to make a real impact in education.

Kindest regards

Mr Steve Wheadley
Executive Principal
Haberdashers' Crayford Academy

About Haberdashers' Academies Trust South

We are a multi-academy trust consisting of four secondary schools and five primary schools and have been educating children and young people since 1876.

Our moral imperative at that time was to ensure that every child in our care received the best possible education in order to make the best start in life. That moral imperative remains today, underpinned by our values of aspiration and achievement, personal responsibility, self-discipline and mutual respect.

In a complex world, we need our children and young people to be as well equipped for their future as possible so that they can flourish. We will support them to become compelling individuals so that by the time they leave us they will have experienced a range of opportunities that not only build their mind but also build their character.

We are proud to be a diverse community and take seriously the need to ensure that every child, young person and adult connected with our schools feels included, welcomed and listened to. This is an important part of who we are and our commitment to equality and fairness. This commitment remains at the forefront of our work.

VISION 2026 Every School an Excellent School

It is the Trust's vision for all of our schools to be excellent schools. Our mission is to ensure that every one of our children and young people flourishes at school so that they can be successful in their lives.

Our three main objectives are:

- Excellent outcomes for all children and young people so that they can be successful in their next steps and future lives;
- To be regarded as a great employer, attracting, retaining and developing the best staff;
- To be the Trust of choice and a welcome presence in our communities.

Our Sponsors

Our sponsors are a huge part of the culture within our schools. The links with our sponsors are a unique and special part of what makes Crayford Academy what it is today.

The Worshipful Company of Haberdashers

Our main sponsor is the Worshipful Company of Haberdashers, one of the Great Twelve Livery Companies of the City of London. Education is of prime importance to the Haberdashers' Company and today there are more than 12,000 children and young people in the Haberdashers' family of schools that benefit from the relationship.

Our Haberdashers' roots go back as far as the 1680s when our founder, Robert Aske, left a sum of money to build a school for 20 underprivileged children. Despite his philanthropic work, Aske's life and work is not without some controversy, particularly his investment in the Royal African Company, a slave trade company, in 1672. Aske's involvement in the slave trade is not in doubt, but having recently carefully considered and widely consulted on these past events and what they mean for us today, we believe his legacy has made such a significant contribution to our schools and the education of young people in our community, however we will no longer use the name 'Aske' in the common name of our Trust and our schools.

Being part of the Haberdashers' community is very important to us as a school. The Haberdashers' come and visit us each year to hear from the children, to see what has been happening in our school and to celebrate our achievements. The Haberdashers' Company supports pupils, past and present, as they progress through their educational and professional journey, which offers our pupils something truly unique.

I recently started working for the Trust and have found the staff to be extremely friendly and helpful. I feel it is important to love where you work and feel proud to be part of the organisation and I certainly feel that at Haberdashers'.

It was clear from my first day that the main focus is to ensure a safe, happy and inspiring environment for the children to thrive in. Helping build a better future for our children is so important and I actually look forward to coming in each day and being part of their exciting journey.
