TEACHER OF COMPUTING & IT
SEPTEMBER 2026

Thank you for your interest in the position of Teacher of Computing and IT at our school. This is a rare and exciting opportunity to join us as we continue our journey to take our school from 'good' to 'great' by 2030. We are looking for an inspiring individual who shares our passion for excellence and is ready to make a real impact on the lives of our students and the future of our school.

At The Trafalgar School every individual matters irrespective of background and ability. We believe in the unlimited potential of every child and have developed a well-deserved reputation for delivering high-quality learning within a caring and nurturing environment, recently being recognised as Wiltshire’s “happiest secondary school”. We are oversubscribed attracting a significant number of students from beyond the designated catchment area.

We are fortunate to be fully staffed within specialism and, in a challenging national environment, we benefit from strong recruitment. We have a loyal and committed staff, a large number of whom have dedicated many years of service to our wonderful school. As a consequence, we are able to consider applications from colleagues with a range of experience; having both the ability to support those starting out in their careers as well as welcoming more experienced colleagues who are able to bring fresh ideas and perspectives. For those colleagues who are considering a middle leadership position do please look at our Head of Year advert that may well suit potential candidates.

Most importantly we are seeking colleagues who are, or who have the ambition to develop into, brilliant classroom practitioners. Teaching and learning is our core purpose and the successful applicants will be those who recognise the impact that exceptional classroom experiences can have on the life chances of our children. We invest in professional development and are developing a culture of continuous improvement, supported by our Trafalgar Teaching Model which is underpinned by current educational research.

Our Computing department is highly regarded in the school with two classes at GCSE each year. Ably led by our experienced Subject Leader, the KS3 curriculum is well-developed and ECTs can be assured of fully resourced schemes of work. We benefit from two large computing rooms as well as an additional small multi-media suite equipped with hi-spec PCs and the latest audio/visual recording facilities. In previous years we have supported iMedia at KS4 and would welcome a discussion about re-establishing this as an opportunity with a knowledgeable colleague.

The Trafalgar School is proud to be a part of Magna Learning Partnership; our MAT. Our partnership of schools work collaboratively and this may afford the exciting opportunity to work in more than one school as the need arises. Your interest and readiness for this will be questioned at interview.

Further information about our school can be found on our website www.trafalgarschool.com and our Facebook account.

To apply for this position, you should complete an MLP Application Form. The link to request one is our website's recruitment page. Your supporting statement should explain your reasons for applying for this position, your relevant qualifications and experience to date and what you can bring to the role as Teacher of Computing and to our school – what difference you would make. Please read the job description and person specification carefully and tailor your application to the substance of these.

I hope you gain a sense of our ethos and values from the information contained in this Recruitment Pack. Should you would like an initial telephone conversation or online meeting with me, prior to applying, please contact Rachel Reeves, Operations Manager by email; r.reeves@trafalgar.wilts.sch.uk

The closing date for applications is 9am on Friday 6th March 2026 with interviews scheduled to take place in the week beginning 16th March 2025. We reserve the right to close recruitment early should exceptional applications be received before the deadline.

I very much look forward to receiving your application.

Jy Taylor
Headteacher

Our Purpose

OUR VISION FOR YOUNG PEOPLE

By the time they leave our school our young people will be able to communicate effectively. They will be able to solve mathematical and scientific problems. They will be able to express themselves creatively and imaginatively. They will have a strong sense of self, a sense of others and a sense of place. They will make informed choices that effect positively on their own wellbeing. They will ask questions, be reflective and adaptive; capable of thinking and acting for themselves and ready to join forces with others to achieve a goal. They will be positive in their mind-set and willing to face up to a challenge. Our young people will understand what is right and what is wrong, and stand up for equality and human rights. They will appreciate other cultures and traditions. Our young people will be thoughtful, caring and active citizens making a difference to their community and to society.

TOWARDS A LIFE FULFILLED

T30 Strategic Aims and Objectives

At The Trafalgar School at Downton, every student belongs, every voice matters, and every future is bright. Through inspiring teaching, a rich curriculum, and a compassionate community, we nurture confident learners, empower great people, and shape a safe, aspirational future for all.

Our school is on an exciting journey, energised by continuous improvement. This is shaped by the MLP Pathways to Excellence framework and tangible in the five strands of our T30 Strategy which sets out our vision for The Trafalgar School in 2030.

Our purpose is to empower students to be the source of their own success. To achieve this, we have set out five areas of priority:

Great community

At The Trafalgar School, every voice matters and every person belongs. Rooted in respect and compassion, we are a joyful, united community where students and staff flourish, lead, and make a lasting difference in the world around them

Great Experiences

Through inspiring learning, rich opportunities, and a curriculum that broadens horizons, The Trafalgar School empowers every student to discover passions, build confidence, and shape their own future with purpose.

Great Outcomes

We believe in every learner. Through aspiration, care, and determination, Trafalgar students achieve exceptional outcomes—ready to thrive in whatever path they choose, with resilience and a love of learning for life.

Great People

Trafalgar is a place where people grow. We invest in our staff, value every role, and build a culture of trust, collaboration, and lifelong learning—because great people make great schools.

Great Future

We safeguard dreams by building strong foundations. At The Trafalgar School, we plan boldly, act wisely, and embrace innovation—so every child's future is safe, bright and full of possibility.

Our Subject

Computer Science

Computer Science at The Trafalgar School at Downton is fortunate to be taught in two up-to-date suites (sponsored by DSTL) which have the latest software installed from Microsoft and Adobe alongside hardware to support independent learning such as headphones.

The subject is taught for one lesson a week across the entirety of Key Stage 3. This means that Year 7, 8 & 9 have the opportunity to fully explore the curriculum for Computer Science at Key Stage 3 and students can expect to learn how to program in multiple environments, how to use a variety of different software ranging from Graphic Design to Databases, and also how to build their own websites. In Year 9, students learn about Computer Crime, Artificial Intelligence, and Algorithms before embarking upon trying to gain awards in the iDEA programme.

Students are fully prepared for the OCR GCSE in Computer Science, and they are supported with a fully resourced programme delivered and assessed through Microsoft Teams with support from a Curriculum microsite and subscriptions to SmartRevise. Currently the department has three classes running at GCSE level.

The department benefits from direct engagement with the Salisbury and South Wiltshire Schools Computer Science Hub.

Recruitment Equity

Safer Recruitment

The Trafalgar School at Downton is committed to the safeguarding and promoting the welfare of our students and expect all staff and volunteers to share this commitment. All applicants will be subject to a full Enhanced Disclosure and Barring Service check (DBS) before any appointment is confirmed.

Diversity

The Trafalgar School is committed to eliminating discrimination and encouraging diversity. Our aim is that our workforce will be truly representative of society and each employee feels respected. To that end, we are committed to provide equality and fairness for all in our recruitment and employment practices and not to discriminate on any grounds.

Online Checks

Online searches of information that is publicly available online will be carried out for all candidates.

Disclosure

All employees are required to undertake an enhanced DBS check. You are required, before appointment, to disclose any unspent conviction, cautions, reprimands or warnings under the Rehabilitation of Offenders Act 1974. Non-disclosure may lead to termination of employment. However, disclosure of a criminal record will not necessarily debar you from employment – this will depend upon the nature of the offence(s) and when they occurred.

Shortlisting

Only those candidates meeting the requirements of the Person Specification (evidenced in the Application Pack) will be taken forward from application.

Interview

Those shortlisted will be invited to attend an interview process which may include (post dependant), lesson observations, tasks or role specific activities; further shortlisting may take place after lesson observations for teachers prior to moving forward to formal interview with the Headteacher. During interview, applicants will be asked to address any discrepancies, anomalies or gaps in the application form.

References

References from current employers will be taken for shortlisted candidates, and where necessary, employers may be contacted to gather further information. Without satisfactory references, an offer of employment will not be confirmed.

Probation

All staff will be subject to a probation period of four months which may, in certain circumstances, be extended to six months. The probation period is a trial period, to enable the assessment of an employee's suitability for the job for which they have been employed. It provides the Academy with the opportunity to monitor and review the performance of new staff and in terms of their commitment to safeguarding and relationships.
