LINTON VILLAGE COLLEGE, Cambridge Road, Linton, Cambridge, CB21 4JB

A comprehensive 11 – 16 Academy of 835 students

Principal: Helena Marsh, MEd

**Teacher of Computing**

**Full time/Part time**

**Main Scale/Upper Pay Spine**

**September 2022**

We are looking to appoint a skilled teacher of computing with excellent subject knowledge to teach Key Stage 3 IT and Computing GCSE at Linton Village College. The successful candidate will be a capable classroom practitioner with the skills, experience and commitment required to ensure high standards of teaching and strong academic outcomes.

A commitment to supporting extra-curricular STEM opportunities for students is integral to this role. The ability to also teach maths would be welcome. A recruitment and retention allowance is available to secure the right candidate.

Linton Village College is a high-achieving comprehensive 11-16 school at the heart of its local community. Ensuring a high-quality education for all of our students on a daily basis is our core priority. This is underpinned by a culture in which strong relationships, effective pastoral care and personal development opportunities are of paramount importance. We are committed to offering enriching learning experiences and we strive for educational excellence. We have very high expectations and provide a nurturing, friendly and supportive environment in which everyone can thrive and achieve.

We support colleagues' professional learning in national programmes as well as through a broad in-school and Trust-wide training offer. We also enjoy strong links with primary partner schools, sixth form colleges and the Faculty of Education at the University of Cambridge. Our membership of Anglian Learning provides further opportunities for career development and collaboration.

To find out more about this vacancy, please download an application form and information pack from our website at [www.lvc.org](http://www.lvc.org). We welcome contact from interested candidates to discuss the role. Please contact [humanresources@lvc.org](mailto:humanresources@lvc.org) to make an appointment.

Linton Village College supports flexible working. Requests for flexibility in working arrangements/patterns will be considered.

Applications must be submitted on the College's application form; **CVs will not be accepted**. Closing date for receipt of applications is **9.00am on Monday 23<sup>rd</sup> May 2022**.

*All staff share a commitment to Safeguarding and staff in regulated activity will be subject to an Enhanced DBS Check and a barred list check and other checks may be requested if applicable. We value diversity and welcome applications from all, including those with protected characteristics under the Equality Act. Flexible working will be considered.*

Dear Applicant

## **Teacher of Computing**

Thank you very much for your interest in this position at Linton Village College. I hope that the information enclosed will encourage you to apply to join our dedicated team of staff and helps you to appreciate what makes Linton Village College a special place to work and learn.

### College ethos

We are a relatively small 11-16 comprehensive secondary academy with around 835 students on roll. Our culture is characterised by an inclusive and caring ethos. At Linton Village College everyone is a learner and every learner matters. Opened in 1937 as the third of Cambridgeshire's Village Colleges, the school is still true to Henry Morris' founding vision for cradle to grave learning. We operate a community sports centre and adult education provision in addition to community users.

### Location and facilities

Linton Village College is situated on the outskirts of Cambridge. Our students come from a large number of primary schools in South Cambridgeshire and bordering Essex and Suffolk villages, plus the town of Haverhill. There are excellent transport links and we have an expansive campus with lots of green spaces and some fabulous facilities including a beautiful library, science labs, dance studio and excellent sports amenities. Our staff and students also benefit from links with the Granta Special School that is co-situated on our site.

### School culture

Having been a pilot school for the Relational Schools research project, we prize the importance of developing strong relationships between all members of the College community. As a close-knit staff, there is collaboration and support across departments. We are people-centred and committed to having reasonable workload expectations of our staff (as showcased by the DfE) and access to high quality professional development. The six Linton Learner attributes are the qualities that we recognise, develop and promote in our students: curiosity, reflection, ambition, care, independence and responsibility. We have a strong safeguarding culture at the College.

### Student profile

As Linton Village College has grown, its student demographic has diversified. Our cohort varies year on year but is typically above national average with a significant proportion of higher-attaining students. Our intake is very comprehensive and in recent years we have attracted more students with acute SEND. Some have benefited from bespoke provision with the Granta Special School while others have needed more in-house modification to meet their needs. The proportion of students eligible for the Pupil Premium is lower than the national average (around 11%). We have relatively few EAL students.

### Pastoral care

The care and support on offer to students is a strength at Linton Village College. Each student is a member of a horizontal tutor group within a vertical House. The form tutor plays an integral role in offering pastoral care and supporting educational success. A Support Hub houses the four Heads of House and a range of other colleagues with specific pastoral expertise including an inclusion and safeguarding team, caseworkers and a counsellor. This team works in partnership with the SEND team in our Henry Morris Centre.

### Academic success

The College has maintained above-average levels of attainment and progress over a number of years with Progress 8 results of around/above +0.3 since the introduction of this measure. We are consistently within the top 25% of all schools nationally. In 2019, all students achieved positive value added, including

vulnerable groups, with exceptional outcomes achieved in Science and Art. We are keen to sustain this success and strive for even stronger outcomes and to close achievement gaps, particularly in Maths, for SEND students and low/middle prior attaining boys which are areas of relative underperformance.

#### Enriching education

We value the importance of a holistic education. Students at Linton Village College benefit from a wealth of enrichment activities including trips and visits to support the curriculum (particularly in STEM subjects and careers education) in addition to a thriving extra-curricular programme. A 5-day enrichment week in the summer term enables all students to engage in cultural opportunities beyond the classroom – the ambition is for every Year 9 student to experience a residential excursion. There are plentiful lunchtime and after school clubs on offer and we are also proud of our exceptional provision in the Arts.

#### Professional networks

We joined Anglian Learning Trust on 1<sup>st</sup> April 2020. Membership of this local, community-focused and like-minded group of schools affords us lots of opportunities for professional development and school improvement. Our staff body benefits from accessing training through The Cambridge Teaching Hub and through membership of Whole Education. We also have close links with the University of Cambridge and other teacher training providers as well as our local primary schools.

#### College Improvement priorities

Our College improvement plan centres on the importance of achieving consistency in the quality of educational provision:

- achieving an ambitious curriculum experience for all students in all subjects;
- embedding consistent and effective behaviour for learning across the school;
- ensuring that SEND teaching and provision enables all students to be successful.

It is my seventh year as Principal and it is a privilege to lead the College. However, there is much to be done to ensure that Linton Village College continues to be a vibrant, high-performing and successful school that meets the needs of all of its learners. I hope that you feel inspired to join us and play an integral role in the College's improvements.

Thank you, in anticipation, for the time you will give to your application.

Yours sincerely

Helena Marsh

Principal

## **COMPUTING**

### **THE CURRICULUM**

Students have two periods a fortnight of Computing/IT in Years 7 and 8. They can opt to take Computing in the first phase of our two-stage options process in Year 9, gaining an additional lesson on their timetable of the subject. AQA GCSE Computer Science is offered in the main options process. Students have five periods a fortnight for GCSE Computing.

The College has three IT suites which will be upgraded and refurbished over the coming years as we migrate away from Citrix. Computing is currently taught by two subject specialists.

### **THE ROLE OF THE FORM TUTOR**

The successful candidate will be required to take on the role of form tutor.

The tutor serves as the first point of contact between the College and home and has an important pastoral responsibility in supporting students to maintain high standards of behaviour and academic achievement. Form tutors are expected to ensure an ordered and organised start to the College day. Tutor time involves the sharing of key messages and expectations, as well providing care and oversight of individuals and their welfare and progress. It's important that effective professional relationships are fostered through a high-quality tutoring experience.

## Job Description: **Teacher of Computing**

**We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and we expect all staff to share this commitment.**

**Site** Linton Village College  
**Grade** Main scale/UPS
