The College is committed to safeguarding and promoting the welfare of children and young people.

The Computer Science department at St Mary's College is looking for an enthusiastic and passionate teacher, with the ability to teach across all age and ability ranges. The successful applicant will be joining an ambitious and high performing department in an outstanding 11-19 school.

With continued expansion pre and post 16 and a range of opportunities presented through our Trust leadership and status as an outstanding Teaching School, this is a particularly exciting time to join the College. Whatever your stage of career, at St Mary's College we pride ourselves on our strong record of staff development and opportunities for progression will be available for the right candidate. We welcome applications from proactive, adaptable and highly motivated teachers who share our ambition for a truly world class experience for our young people. If you would like to have a look around before making a decision on whether to apply, please get in touch.

In our most recent OFSTED inspection (October 2023), St Mary's College was judged as OUTSTANDING in all areas, with the inspectors stating: 'St Mary's College is a highly ambitious school,' with this ambition evident, 'in all areas of the curriculum'.

St Mary's College was awarded the World Class Schools Quality Mark in 2017 which was redesignated in 2023 in perpetuity.

St Mary's College and St Cuthbert's Roman Catholic Academy Trust are immensely proud of all our achievements, not least:

- Key Stage 4: Most recent Progress 8 score +0.73
- Key Stage 5: Leading regional provider post 16 in the top 2% of all post-16 providers in the country.
- St Mary's College is one of the top schools in the country for student progress and was awarded the Sunday Times Secondary Comprehensive School of the Year 2024 Award.
