

MONK'S WALK **SCHOOL**

Teacher of Creative and Digital Media

September 2023

Candidate Information Pack

'Excellence for All'

This post

We are seeking an enthusiastic colleague to join us as a Creative and Digital Media teacher. This is a full-time permanent post which offers the opportunity to teach in a vibrant and forward-looking department. This post is open to both experienced teachers and potential ECTs. Creative and Digital Media is a very popular option for students in key stage 4 and 5; this post has arisen due to the numbers of students wishing to study the subject. The ability to teach computing at key stage 3 would be an advantage. There is a generous relocation package for teachers moving to take up post at the school - see our website for details.

Closing date for applications: **noon on Friday 9 June 2023.**

Our school

We are a mixed school of about 1,400 11-18 year old students in Welwyn Garden City, a Hertfordshire new town on the outskirts of London. Transport links are superb – direct rail links to London in less than 30 minutes; M1, A1(M), M11 and M25 all minutes away. WGC is a pleasant place to live – it even has John Lewis! The school is situated in a greenbelt area in the prosperous northwest corner of the city. Our grounds are magnificent and the view from the school is lovely. In September 2020 we opened a new teaching block to replace one of the more rundown ones. The DfE have just agreed funding for a new sports hall for the school.

Monk's Walk is a genuinely all-ability school. The number of students with learning challenges is below the national average, with 11.6% supported at school action plus or with an Education and Healthcare Plan (EHCP). Our support for students with SEND is a real strength of the school.

We have a small number of blind or partially sighted students who receive specialist support. We also work very closely with Knightsfield School, a special school for deaf children on our campus.

Parental confidence in the school is high; there were 690 applications for 236 places in Year 7 for September 2022, with 246 of those as first preference. Each year we hear appeals for students wishing to join the school.

The school has an extremely effective behaviour policy and in general behaviour is very good indeed. Our students want to learn and our parents are, on the whole, extremely supportive. Attendance is high, although in common with most schools affected by COVID. Our aim is for our students to be co-operative, courteous and kind.

There is a genuine 'buzz' around the school and we have a very strong reputation in the city. In February 2018, the school was judged by Ofsted to be 'good' - please read the inspection letter which can be found on our website (or on Ofsted's) should you wish to apply. We were really pleased with the comments made by inspectors. We are currently 'in the window' for our next inspection although I believe Ofsted are running about 4 terms behind (would make us due in Summer 2023).

GCSE exam results in 2022 were the school's best ever results. 61% of students gained the strong basics (grade 5+ in both English and Maths) and 80% standard basics (grade 4+ in English and maths). Our attainment 8 was 55.7 and progress 8 +0.47. All well above national. Students of all abilities did better than would have been expected, given their starting points. Disadvantaged students made the progress that would have been expected given their starting points – unlike in most other schools in Hertfordshire where it is often well below. Students with SEND did phenomenally well. To look at the school's provisional results in the league tables google 'school performance tables 2022'.

In terms of progress, disadvantaged and SEND students do better in the school than they do nationally. BAME students attain very well and have good progress, as do each of the ability groups. We pride ourselves on the fact that Monk's Walk is an inclusive school.

The school has about 260 in the sixth form and this is the largest sixth form the school has ever had. We are also a member of a consortium with four other schools which provides a wide range of opportunities for students. Monk's Walk has the largest sixth form of the five schools and currently we have 74 guest students in Year 12 and 65 in Year 13. At Monk's Walk we concentrate on providing A Level only (with the exception of iMedia), with decent numbers of students studying the facilitating subjects. Vocational programmes can be taken at Oaklands College or in other consortium schools.

A Level results in 2022 were also the school's best ever, with average point score per grade at 42.17 equivalent to B+. This is even higher than national in 2021 when grades were inflated due to lack of exams. Ignore the information about A Level in the provisional league tables – they only give you the 2019 results. We are very proud of the destinations of our sixth form students. In 2022 almost all students who applied made it to their first or second choice university, high quality apprenticeship or employment. Students access a range of universities, with over 40% accessing Russell Group in 2022. We currently have 11 former students at Cambridge University.

We do not pursue academic achievement at the expense of the wider development of the individual, however. Form tutors, heads of year and heads of house all have important roles in the social, personal and academic support of individuals. Our house system is strong, providing a range of all-ability competitions and activities for mixed age groups. Recently we have become the first school in the country to have a recycling machine with the credit going as house points. All members of staff are allocated a house, except me who has to try to stay impartial of course.

Unfortunately, some schools are making cuts in creative subjects such as Art, Music, Drama and PE and even some DT specialisms. At Monk's Walk, these subjects are strong as we see these areas providing important learning opportunities for our students. All of these subjects are running at GCSE and A Level.

We have a full orchestra (as well as other musical groups), thriving Art, Music, PE and Sport and an outstanding Drama department. Members of other departments involve themselves in extra-curricular activities in Music, Sport and Drama.

Knightsfield School (a special school for deaf children) is co-located with Monk's Walk School. We have an outstanding partnership arrangement; at key stage 3 Knightsfield students join classes in Art. A few students are also integrated into GCSE groups. Knightsfield students join ours for lunch every day in our canteen in B Block. One of our music teachers teaches at the school.

The school became an academy in September 2012. The decision to convert was purely pragmatic and trustees have no intention to make changes to teachers' pay and conditions beyond those made as part of national agreements.

Induction, training and continuing professional development have a very high priority in the school. All staff have an induction programme on joining the school.

Safeguarding at Monk's Walk

Safeguarding at Monk's Walk takes precedence over any other activity in the school. It's vitally important to us that students feel safe in school so they can learn and thrive. As part of the recruitment process, we will ask about safeguarding students and obviously questions about candidates' suitability to act as tutor. References will be sought and an enhanced criminal records check will be undertaken for this position.

Being an ECT at Monk's Walk

If you are an ECT you would be offered the opportunity to spend 3 weeks with us in July and be paid for it. The three weeks gives you the chance for a really comprehensive induction programme. You will meet and observe some of your teaching groups and find out about your form. If you are a Year 7 form tutor, you will also take part in the transition day when Year 6 come up to the school. You will get to know the senior leadership team, your head of department and the members of your teaching team. Simple things, such as learning about the school's management information system and having a log-in, as well as becoming familiar with the staff and the school's facilities, will help you to have a flying start to your career when September comes. Hopefully, being familiar with the school will help you to have a restful holiday, free of any concerns, so that you can have a proper rest after your teacher training!

We also offer the full two-year ECT induction programme, offering a blend of face-to-face and online training for ECTs and their mentors, based on the Education Development Trust's DfE accredited provider materials. This provides training on key aspects of teaching such as assessment and behaviour for learning, as well as providing a local network of support with other ECTs in similar subject areas through the Alban Teaching School Hub. Additionally, all staff have access to a bespoke CPD programme which has learning and teaching at its centre. We know too that there is much to take on board when starting at a new school and provide a bespoke programme of six well-timed training sessions for ECTs and those new to the school to ensure that you are supported and fully informed about the procedures of the school.

Monk's Walk School's 'coaching culture' ensures that all ECTs are supported by experienced and trained instructional coaches, as well as by their Heads of Department and department colleagues. We provide opportunities to observe other colleagues, both within and across departments, as well as provide opportunities, Covid-permitting, to visit other schools.

Monk's Walk School is a fantastic place to start your teaching career. In the words of one of our previous NQTs (ECT): "I joined MWS as an NQT (ECT), and felt fully supported not just by my department, but by the staff as a whole. Everyone is so friendly and always willing to help if you need it. The school has a great atmosphere and ethos. This filters through to the students' behaviour and general attitude to learning, which has always been fantastic." Angelina Sordillo (DT teacher)

The Creative & Digital Media Department

The Creative and Digital Media Department work in partnership with the Computing department to deliver key stage 3 lessons and the courses offered in key stages 4 and 5. Currently there are three full time and one part-time member of staff. It is a dedicated and hardworking team who are always looking for ways to improve teaching and raise students' levels of achievement.

At key stage 3 all students have one hour of discrete computing lessons per week where they are taught in mixed ability forms. Schemes of work are in place for all year groups and students use Microsoft Teams and OneNote to organise and submit work. Teachers can then assess work online and provide students with appropriate feedback. We strive to make our lessons as engaging as possible for the students by making full use of a range of software packages such as Adobe Creative Suite and IDLE Python and provide students with the opportunity and support to develop programming languages of their choice.

At key stage 4, students can study a Cambridge National in Creative iMedia as one of their option subjects. The subject is a popular choice and results are excellent. Previously we have organised trips to both Sky Academy Studios in London and Warner Bros Studios in Leavesden. These have proven to be very successful with both students and parents and provide a valuable insight into the media industry.

At key stage 5 we offer a Cambridge Technical Digital Media Level 3 at Monk's Walk, enabling students to further develop a range of practical media skills including developing pitches, design magazines and developing a cross platform advertising campaign. There is scope for coursework modules to be tailored to reflect the expertise and interests of those joining the team.

We have four dedicated computer rooms which are well equipped as well as a green screen, digital cameras and phone stabilisers in order to create a variety of professional media products. We are a growing department with a clear vision that we feel has resulted in a sustained, strong uptake for courses at KS4 and 5 and a large number of students taking up apprenticeships and degree courses in related areas.

Your role in our future

Monk's Walk School is a thriving, vibrant, learning community where our aim is to bring the best out of everyone. It is a very good school and like most good schools, we know we need to keep on improving to provide the best for our students.

I hope this information has given you a flavour of our school. Please read the Ofsted report and visit our website and Facebook page – Monk's Walk School Official - for more information. If you feel you can contribute to the high standards of teaching and learning in iMedia and would like to join us, then please apply.

How to apply

I really hope the information we have provided makes you want to apply to join us. If you would like to discuss the position or visit the school before applying please contact Matt Grinyer, Deputy Headteacher. Matt is the SLT member with line management responsibility for Creative and Digital Media. His email is mgrinyer@monkswalk.herts.sch.uk or he can be contacted by phone at the school.

Please apply using the application form on our website. You should also write a letter of application. In your letter of application, please can you explain how you demonstrate that you

fulfil the requirements of points 2, 3 and 4 on the person specification (pages 7 and 8 in this pack). Shortlisted candidates are likely to be able to show how their work has impacted on students' achievements, experiences or attitudes – all in about two sides of A4! I am interested in appointing someone who is, or has the potential to be, a highly effective practitioner.

The deadline for us to receive your application is **noon on Friday 9 June 2023**. Please e-mail your application to: recruitment@monkswalk.herts.sch.uk, marked for my attention.

We look forward to hearing from you.

What happens next

We will shortlist for this post and then we will contact shortlisted candidates by telephone or e-mail to invite them for interview. We reserve the right to ask candidates for an earlier interview if appropriate. We will ask referees of shortlisted candidates to complete our reference form, a copy of which can be found on our website for your reference.
