Dear Colleague,

## **RE: Teacher of Dance**

Are you passionate about teaching and learning in Dance? Are you looking to develop your career in a school which has a strong academic focus, a wide-ranging extra-curricular offer and outstanding opportunities for you to develop personally and professionally? If so, I would be delighted to hear from you.

Our vision is that all students leave Imberhorne School as caring, confident, reflective and resilient individuals with a thirst for learning, knowledge and discovery which lasts throughout their lives. We want all young people, regardless of background, to achieve the highest possible standards of academic excellence, personal conduct and responsibility, whilst they enjoy an enriching and fulfilling preparation for life in the modern world. In short, our students will have the sharpest minds and the kindest hearts.

Imberhorne is a truly comprehensive school. Students in Years 7 to 9 are educated on the site of the former East Grinstead Grammar School on Windmill Lane, which provides a nurturing environment for their first three years with us. Years 10 and 11 and our large Sixth Form are based at our Upper School site on Imberhorne Lane, which has all the specialist facilities and teaching spaces needed for the wide range of examination courses we offer. We currently have 1643 students on roll, including 286 in our Sixth Form.

The school has a strong academic record across all key stages. We are rightly proud of our achievements to-date and we aspire to build on these successes. We are looking to appoint a Dance specialist with a genuine passion for teaching, a commitment to young people and the personal drive to continually develop their own practice, skills and knowledge. Students at the school are well behaved, extremely cooperative and very friendly. Both parents and students are overwhelmingly positive about the school. We work hard to develop these relationships and value the way parents engage with us. We would welcome applications from teachers at any stage of their career, and who are looking for full-time or part-time teaching opportunities.

Our students are well behaved, extremely cooperative, kind and considerate. Both parents and students are overwhelmingly positive about the school. We work hard to develop these relationships and value the way parents engage with us. Relationships between staff are also extremely strong. There is a real desire to support and help each other at the school.

Professional learning is at the heart of our offer for staff, and we will support you to develop your own knowledge and skills within our extensive and varied training programme. We provide a full induction programme for all staff new to the school.

You can read more about this on [our website](#).

I hope that the information in this pack and our website will help you decide whether this post at Imberhorne School is for you. If so, I would be delighted to receive your application. Please do not hesitate to contact Mr James Watson (Leader of Learning for Drama) if you want to discuss the post further. James's email is [jwatson@imberhorne.co.uk](mailto:jwatson@imberhorne.co.uk). All recruitment is undertaken in accordance with Safe Recruitment requirements. As part of our due diligence we can only accept a curriculum vitae (CV) alongside a full application form. In accordance with the latest guidance we may also conduct on-line searches as part of our recruitment process. The stated aim of this approach is that it may help to identify any incidents or issues that have happened, and are publicly available on line, and we may want to explore with individual applicants at the interview.

Please note that posts are classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding-over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

September 2023

Dear Colleague,

Firstly, may I thank you for taking the time to read our application pack, and I'd like to extend a very warm welcome to the Imberhorne Dance department.

I'd like to take this opportunity to tell you a little more about us and what we do.

The Dance Department is a flourishing area of the school which produces high-quality performance work and exam results. Students studying in the department have a real passion and commitment and are often in the studio choreographing and rehearsing ready for performance and assessments. Everyone working and studying in the department has high standards and students apply themselves with dedication to this subject. Indeed, there is a real buzz about this subject at Imberhorne!

We are proud that Dance sits in the Drama and Performing Arts team and we see this subject area as an artistic discipline, with creative skills to nurture and build. We're quite a large team (for Performing Arts) of four specialist drama teachers and a dance teacher. We love working together and this can spill over into our lives beyond the school day: for example we enjoy going to the theatre together (what could be better CPD!). We have forged very strong working relationships over the years. I trust my colleagues implicitly and I enjoy seeking their opinions on department matters and working collaboratively with them to achieve what is best for our students. Being part of a team is integral – especially at our split-site school – it always feels special to all be together, in the same space. We're looking for a highly-skilled dance-specialist to join our wonderful team.

This is a hard-working department with high standards across all year groups – especially practical work. We take immense pride in our practical work and invite students' parents and friends to watch as often as we can – so there are evening commitments across the year. We're also a very organised department so we know exactly which evenings we're committed to months in advance.

### What do we teach:

At Key Stage 3, dance is currently taught as part of PE lessons at our lower school site. PE staff lead these sessions, who have received some CPD training from the dance specialist.

AQA GCSE Dance is taught at Key Stage 4 during Years 10 and 11. There is one class in each year group and students have five lessons per fortnight. In recent years, class sizes have varied between 14 and 20 students. We would always look to build on our student numbers in dance and are looking for a colleague to join us who shares our vision for expanding our department.

At Key Stage 5, the dance specialist teaches movement aspects of the Level 3 BTEC National Diploma in Performing Arts. This is mainly an acting course with a slight emphasis on musical theatre. Here the dance specialist solely delivers Unit 22 – Movement in Performance to Year 12 using three lessons per fortnight. For Year 13 students, the dance teacher choreographs the songs for the Year 13 Musical (which includes delivering aspects of Unit 6 – Performing to an Audience and Unit 27 – Musical Theatre Performance). Again, three-hours contact time per fortnight is given for this. In the delivery of this course, the dance specialist works closely with members of the drama department.

The school is supportive of CPD and there are opportunities to attend examination-related courses, as well as other areas of need. The school also has close links with several other secondary schools (through our Mid-Sussex Federation of Schools link) and we have one INSET day each year dedicated to meeting up with subject-specific colleagues in other neighbouring centres.

#### Extra-Curricular:

We see the Performing Arts as the heart and soul of the school and we aim to give all students an array of amazing opportunities across the academic year. We run a really popular Musical Theatre Club which is open to students across the school. We stage school musicals every other year at a local 300-seat professionally-run theatre. We also aim to put on a dance showcase at least once every year and run theatre trips throughout the academic calendar to all sorts of performances and venues across the south-east. We are fortunate to have a department technician (who we share with music) who programs and operates the technical equipment for our shows.

Rehearsals take place at lunchtimes and after school for the curriculum courses and students are often to be found dancing the afternoons away in the studio.

#### Facilities:

Dance is taught in our specialist dance studio, which doubles as a multi-use performance venue. It has a large lighting rig and excellent sound facilities. This venue has a PC and projector, as well as Bluetooth facilities.

#### What we're looking for:

We're excited to recruit someone with energy, passion, skill, a hard-work ethic and a real team-player with the ability to pass their passion for dance on to the students. A sense of humour is also imperative. We do enjoy laughing!

Thank you for reading this document and I look forward to receiving your application.

Yours faithfully,

**James Watson**

# Information about Imberhorne School

Imberhorne is a successful, happy school where staff are committed to fully developing the potential of all students. I am proud of the outstanding achievements of students across the school and am equally proud of what hard-working, respectful and compassionate individuals they are as well. Our excellent academic record along with the great emphasis we place on personal development creates a thriving and vibrant school community. We are continually looking to the future as we endeavour to prepare our students for life in the 21st century. We are committed to pursuing academic excellence whilst also very aware of the importance of interpersonal skills that are so highly valued in the workplace. We want to give our students an appetite for life and a love of learning, seeking to provide the conditions that will foster the confidence and enjoyment we think are a necessary part of their educational journey.

## Academic Achievement

In 2023 results in the Sixth Form continued to build on a strong upward trajectory established in previous years. Results were as follows:

- **34% of A level grades at A/A\***
- **55% of A level grades at A\*-B**
- **82% of A level grades at A\*-C**

We are very proud of our students and believe that these results reflect very well on the culture and ethos in the Sixth Form.

Progress in the Sixth Form is strong. We use ALPs as our measure of progress and have seen year on year increases.

We have a large Sixth Form which is predominantly focussed on A level programmes of study, our academic curriculum is supported by a range of applied and vocational qualifications. We run 35 different courses in the Sixth Form along with two 'level 2' courses for those that have not met our A level (or equivalent) entry requirement.

In **Key Stage 4** strong academic performance in the core subjects of Mathematics, English and Science is complemented by high levels of attainment in all other areas of the curriculum. We are proud of our academic traditions but also keenly aware that we must meet the needs of all our learners.

Performance in summer 2023 was as follows:

- **78% of all grades were grade 4 or higher (4+)**
- **58% of all grades were 5+**
- **23% of grades were 7+**
- **Over 10% of all grades were grade 8 or 9 (or vocational equivalent), reflecting the strong academic profile of the Year group**

We offer a broad curriculum for our students which we believe provides appropriate levels of challenge and support. Subjects overwhelmingly follow GCSE programmes of study, we encourage the majority of students to study a modern foreign language and also have significant numbers choosing to study individual sciences. We are proud of our successes but aspire to do even better for our students setting ourselves challenging targets to achieve.

## Professional Development

We believe that a commitment to professional development is central to our identity as teachers. Our expectation is that all staff continually strive to improve their practice and do this through a sustained focus on aspects of pedagogy. This is best supported through collaboration with others. Engaging in paired planning and peer observation encourages productive critical reflection.

Most of our professional development takes place after school on Mondays. We provide cross-curricular forums, opportunities for departmental planning and development as well as more bespoke programmes to meet individual needs. Cross curricular groups are facilitated by fellow teachers.

## Culture and Ethos

We believe the school is a caring community and seek to place the strong relationships that exist between students and staff at the heart of the school. The school has a well-developed pastoral system and we pride ourselves on the level of personal care we provide for all our students. Heads of Year and Pastoral Support Assistants exist in all Key Stages (from Year 7 to Year 13). They are often the first point of contact for parents when making enquiries about social or academic issues. The pastoral teams are supported by form staff who provide a daily point of contact for students. A key factor in the character of the school comes from the split site we inhabit. Students start Year 7 at our Windmill Lane site which also houses students in Year 8 and Year 9. This site has a particularly friendly and intimate feel to it and serves our younger students well, combining the challenge of a secondary curriculum with a strong sense of nurturing and support. At the end of Year 9 students then transfer to our Imberhorne Lane site marking the transition into Key Stage 4 and the study of examined courses. Whilst we retain the caring and supportive philosophy established at Windmill Lane, students also develop a more academic focus accompanied by a greater level of challenge and heightened expectations.

The arts have a very high profile in the school, numerous events and activities occur throughout the year providing students with wonderful opportunities to sing, dance, perform, act and exhibit. Sports have an equally high profile; we are proud of our very many achievements reflected in the numerous tournaments and competitions our students participate in at local and national level. The Duke of Edinburgh Award is thriving in the school with significant numbers of students participating in the

scheme, starting in Key Stage 4 and leading on into the Sixth Form. All of these opportunities enrich the school community but critically help the students learn how to express themselves, work with and support others, show responsibility and become increasingly self-assured members of our community.

## Collaboration and Partnerships

We believe in the value of partnerships and collaborative practice. Being outward looking and engaging in shared activities with other teachers and other schools is important to us.

We have established close working relationships with the East Grinstead primary schools, particularly those that tend to feed into Imberhorne. We have established joint literacy and numeracy projects run prior to transition facilitated by staff and students at Imberhorne.

We encourage staff to join local subject networks. We are part of a teaching school alliance and participate in many of their network meetings. In addition to this we work closely with three other local maintained secondary schools, in a soft Federation, sharing opportunities for CPD and working as critical friends for each other.
