Section 3: Letter from the Headteacher – Claire Tasker

Dear Candidate,

Thank you for your interest in this role and in our school. High Storrs is a very successful high-performing 11-18 comprehensive school in the south west of Sheffield that has benefitted from a £27m refurbishment of our Grade II listed building. We are a large and happy school with 1668 students (459 in the Sixth Form). Serving a multi-cultural learning community with high expectations and high aspirations, we are an over-subscribed school and are part of the Minerva Learning Trust.

We are most proud of our excellent exam results. In summer 2019, students both attained highly and made outstanding progress from a wide range of starting points at GCSE and A level. Our outcomes for many measures at GCSE and A level are the strongest or amongst the strongest in the city. However, we also take great pride in all the others successes and efforts of our students and staff – the school productions, the dance and music performances, the staff panto, sporting endeavours, Pride events, charity events and all the times that members of the wider community comment on the decency and kindness of members of our school.

High Storrs is a happy, creative, focused and aspirational community that is built on the strong foundations of our broad curriculum, our inclusive ethos, our highly qualified and knowledgeable staff and our enthusiastic students. The beautifully refurbished old building is symbolic of our tradition and the multitude of alumni proud to have attended High Storrs. Our new building, full of excellent facilities, is symbolic of our bright future as a school that marries academic success with the education of the whole child.

A great deal of this success is down to the pastoral care and support at High Storrs School. Our House System really helps our youngest students to settle and, as they grow, to thrive. Our Houses celebrate the successes, challenge the mistakes and support the learning. The House teams all appreciate the power of partnership with parents and carers and of open communication. Support and care are equally important for all members of staff. We have a well-developed CPD programme at High Storrs that is now supported further by the growing CPD offer from the Trust. Wellbeing is also rightly high on our agenda. We have clear well-being principles in place that guide our work in school and an annual action plan full of suggestions made by staff.

Every day at High Storrs starts with either form time in a vertical (i.e. mixed age) form linked to a House or in a Year 12 or Year 13 form. The day may start with an assembly or a 'form discussion' about current affairs, the power of sleep, understanding stress or our all-important High Storrs 'Attitude to Learning' and learning behaviours for success. Then students are off to study a myriad of subjects (a much wider choice for GCSE and A level than many schools) before lunch in the deli bar, sandwich room, dining room or outside. This is mostly followed by clubs and fresh air! There are two more one-hour lessons in the afternoon before formal lessons end at 2.55 pm and sport, dance, music, drama, art, STEM and other extra-curricular activities or CPD begin. It is always a full day for staff and students at High Storrs School!

I look forward to receiving your application,

Claire Tasker

Section 4: About High Storrs

OUR ETHOS

We welcome everyone and pride ourselves on our inclusive practice. Combined with this, we deliver academic success, specialisms in Maths and Computing and Performing Arts and a wide range of extra-curricular activities.

Our students are treated with respect and are expected to respect school rules and each other. This enables everyone to enjoy a positive working environment where the most productive learning can take place.

Our school-wide values statement was written following a consultation with over three hundred stakeholders – amongst them parents, students, staff and governors. It articulates the positive attributes and characteristics we expect from, and see on a daily basis in, our community: **We are High Storrs. We are here to learn, succeed and thrive. We are respectful, safe and responsible.** This language is seen around our school and used in and out of lessons. This language is articulated to students to express what we want from our community.

ABOUT US

We are firmly committed to a holistic approach that combines academic delivery with strong pastoral support. We place a high value on maximising all opportunities for learning, providing exceptional development opportunities in a supportive and forward-thinking culture. In November 2013 the school was graded 'Good' by Ofsted with Outstanding for the Sixth Form and student behaviour. Ofsted Inspectors commented: 'Well done. It has been a joy to be here, teachers are such positive role models'.

Our school website www.highstorrs.co.uk will provide further details about our curriculum and more (including the full Ofsted report). You will also be able to read our school action plan and understand our priorities for this year and beyond. Our action plan is inspired by our 'five keys to success' and the notion of unlocking the potential in every student and member of staff. The High Storrs blogs and social media accounts will give you a further flavour of school life!

We look forward to your application and thank you for your interest in our school.
