Teacher of Design Technology

**0.6 FTE
MPR/UPR**

For September 2021 we are seeking to recruit an inspiring teacher of Design Technology to join our dynamic and forwarding thinking Design Technology team. You will be a highly skilled and enthusiastic practitioner with a track record of delivering good lessons, securing progress for every student.

We have a high attaining, engaged student body with students who enjoy Technology with a significant uptake at KS4. We follow the new exciting GCSE AQA curriculum that links the subject to the real world. As a department we are keen to teach transferable skills that can prepare students for adult life, and develop opportunities for students to experience potential career opportunities.

Crofton is a happy, and ambitious school, excited about our journey to becoming exceptional. We strive to appoint the most inspirational teachers, so if you are an imaginative and energetic teacher, able to contribute to our culture of sharing best practice, and want to make a difference to the life-chances of all the students in your care, then this could be the post for you. Our teachers routinely deliver great lessons which are well-planned, highly challenging, innovative and active for our learners. The successful applicant must be prepared to share their practice with colleagues and fully contribute to our in-house programme of continuing professional development.

We are a popular, over-subscribed and successful mixed comprehensive school, with a great reputation for high quality education. The school is situated in a pleasant village, a short distance from the sea, yet within easy reach of the city centres of both Portsmouth and Southampton. The school enjoys enthusiastic staff, governor and parental involvement and has an active commitment to staff development.

Applications from experienced colleagues and Early Careers Teachers are equally welcome. We have an outstanding ECT Induction programme to offer support to new staff. The person appointed will be given full support in their career development as we believe that development of staff is a key aspect in raising standards for our students.

We are committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

CVs are not accepted. For more information and a downloadable application pack see our website <http://www.croftonschool.co.uk> - click the 'Recruitment' link via the 'School' drop down on the Home Page.

A tour of the school is included as part of the interview process. There is a virtual tour available on the 'Recruitment' section of the school website.
