

## **Teacher of Design and Technology – Engineering and Product Design**

**Salary:** MPS/UPS (£25,715 to £41,605 per annum)

**Benefits:** Healthcare, Pension, CPD

**Contract:** Permanent, full-time

Nottingham University Samworth Academy has an exciting opportunity for a passionate Teacher of Design and Technology – Engineering and Product Design.

As a Teacher of Design and Technology – Engineering and Product Design, you will join a warm and compassionate environment where every staff member makes a significant contribution to the experience of our students

Your main responsibilities within this role will be:

- Teach students within allocated classes, enhancing their learning and providing the opportunity for achievement for all students
- Planning and preparing tasks which challenge students and ensure high levels of interest during lessons.
- Monitor the academic progress of students within allocated classes and implement appropriate strategies to address underachievement.
- To assess, record and report on the progress and attainment of all students within allocated classes.

The Nova Education Trust is a cross-phase Multi-Academy Trust based in Nottinghamshire. The schools in our portfolio includes both secondary and primaries, working in a range of contexts. Our track record demonstrates our ability to deliver our core goal, achievement for every child.

The closing date for this role is Thursday 7<sup>th</sup> July 2022 at 9am. For more information about the school including a full list of vacancies, please visit our website at [www.nusa.org.uk](http://www.nusa.org.uk)
