### **Teacher of Design and Technology/Food and Nutrition**

Contract: Part time (0.6), permanent (applicants looking for 0.8 or full time positions will also be considered)

Salary: MPS/UPS as applicable, suitable for ECTs

Start date: 1<sup>st</sup> September 2023

Application closing date: 15<sup>th</sup> February - midday

Interview date: Week commencing 27<sup>th</sup> February 2023

Are you an enthusiastic and creative Teacher of DT or Food and Nutrition who is looking for a new opportunity? King's School is currently recruiting for a Teacher of DT/Food and Nutrition to join our supportive and ambitious team at an exciting stage in the school's development; the beginning of our Sixth Form. This role is suitable for ECTs looking to start their career in a welcoming environment with a track record of outstanding support for new teachers; and equally for experienced teachers who want a new challenge in a dynamic and ambitious setting.

### **The role**

This role entails teaching Design and Technology and Food and Nutrition to KeyStage 3 and 4. Applications from teachers from both specialisms are welcomed, but preference would be given to a suitably qualified teacher with a Food and Nutrition specialism. Teachers from a non-Food background should be prepared to deliver that subject to Key Stage 4 if they were successful at interview. The post holder will join our friendly and creative DT and Food department, led by an experienced Head of DT and supported by a skilled technician. Food and Nutrition has been an extremely popular subject with our students, and this is a great opportunity to be part of a successful team as we move into GCSE provision. Please see the attached job description and person specification for more information. For ECTs, please also see the letter from Mrs Kate Vincent, Assistant Headteacher, who leads our ECT programme.

## Who are we?

King's School is an ecumenical Christian School in the Diocese of Chichester. Our work and relationships are based upon the four core Christian values of Love, Forgiveness, Respect and Responsibility and through these we encourage and support every student and member of staff to be the best that they can be.

The school opened its doors to its first cohort of students in September 2013, when it was based on a small temporary site. There are currently just over 800 students in years 7, 8, 9, 10 and 11, and a team of over 75 teachers and support staff. In September 2019 the school moved into its permanent site in Hangleton. We are now lucky to enjoy purpose-built facilities for all areas of the curriculum and stunning views of the South Downs. This was the culmination of six years of hard work and planning and marked the beginning of an exciting new stage in the school's development. Our next milestone will be the opening of our Sixth Form in 2023. Planning and preparation for this are well underway. Applicants are encouraged to review our Sixth Form website for more information.

## What do others say about us?

The school received its third Ofsted inspection in March 2022 (Section 5 inspection) and retained its rating of good overall with outstanding features. The inspector noted that pupils "are proud to be part of the school community" and that "the school's provision for their education and welfare makes a significant contribution to their lives".

Our recent staff survey found that staff feel supported and valued.

- *"I feel very supported and listened to in this school. The school sets clear expectations, and the SLT is very approachable."*
- *"I feel good about my new role. I feel I can approach colleagues, and the senior team with any questions or queries that I may have."*
