

Teacher of Technology
Outwood Academy City, Sheffield
Required From: September 2021
Salary: Main Scale/Upper Pay Scale

This post is a full time/part time considered, permanent position.

Serving the bustling city of Sheffield, Outwood Academy City was constructed in 2011 with state-of-the-art facilities and joined Outwood Grange Academies Trust three years later. The school has undergone a huge transformation for its 1000 students, with an innovative curriculum and a personalised approach to learning enabling them to realise their vocational, practical, creative and academic abilities. This was recognised by Ofsted in February 2019, when the academy was judged 'Good with Outstanding Leadership'. Inspectors noted that, "Leaders and teachers demonstrate high expectations for all pupils. They are determined that pupils achieve well in their subjects".

At Outwood Grange Academies Trust we firmly believe that all children, irrespective of their starting point, are entitled to a broad and balanced curriculum which will enable them to succeed both whilst at the academy and beyond. It is our intent that the experiences we provide our students through our wider educational offer, and specifically our curriculum offer, drives our Trust vision Students First: raising standards and transforming lives. To that end, at Outwood Academy City we are delighted to offer an innovative curriculum, which enables all students within our academy to fulfil their potential and develop the all-important knowledge, skills and qualities which will serve them well in later life.

The Technology Department encompasses Resistant Materials, Graphics, Product Design, Food Technology and Engineering. You should possess the skills and determination to make a significant difference and have a firm love of your subject and a desire to support our young people to reach their full potential.

Please contact John Fretwell Head of Technology by email to j.fretwell@city.outwood.com for an informal discussion or to arrange a visit to the academy.

Applications should be completed online at <https://recruitment.outwood.com>.
