Start date: 1 September 2021

'Our vision is for Temple Learning Academy to be an exceptional, innovative community offering memorable lifelong learning experiences to enable all to achieve their full potential.'

Temple Learning Academy first opened to Reception pupils in 2015. We now have c.800 pupils in all year groups from ages 4-16. We are delighted to present this superb opportunity for a Teacher of Technology who is looking for a different and exciting challenge and motivated by the professional and educational possibilities of working as part of a team in an all-through academy. We are ambitious for change, and our vision is to build a world-class all-through school that serves its local community.

We would love to hear from you if you have:

- ✓ Experience of teaching Product Design or Food Technology.
- ✓ A passion for Design and Technology (in particular Resistant Materials / Food Technology) with excellent subject knowledge and committed to ensuring success for all.
- ✓ A commitment to enhancing student learning and experience and an inspiring passion for education and making a difference to children's lives.
- ✓ A strong subject knowledge, proactive nature and commitment to demonstrating our school's values.
- ✓ An inclusive purpose, raising and supporting the achievements of all to reach their potential with a mindset to always lead by example.
- ✓ Excellent interpersonal skills and qualities that inspire and motivate whole school commitment.

In return we can offer:

- ✓ An overarching ethos of equality, celebration of diversity and a belief in the individuality and unique potential of each child.
- ✓ Highly rewarding teaching and pastoral relationships with pupils and their parents and carers.
- ✓ A highly supportive environment within a dedicated team of colleagues.
- ✓ Opportunities to develop and grow professionally through work with our partners and within the Red Kite Learning Trust and Red Kite Teaching School Alliance.
