Dear Applicant,

RE: TEACHER OF DESIGN TECHNOLOGY

Thank you for your interest in the post of part-time Teacher of Design Technology at Loreto Grammar School.

I am seeking to appoint an outstanding colleague who can teach at all Key Stages in this very effective department and who will commit to and support the ethos and values of this Catholic girls' grammar school. The ability to teach Design and Technology to GCSE is essential and Product Design to A Level is desirable. The post may also require teaching Key Stage 3 Food, Nutrition and Preparation. The successful candidate will be expected to contribute to the wider school curriculum including extra-curricular provision. The post is fixed-term for one year at 0.5 FTE and will commence in September 2021 with the potential to continue after the year's contract. I would welcome applications from both experienced and newly qualified teachers.

I trust that you will find ample information both in the documentation provided with my letter and on our website which I hope will give you a strong sense of our Loreto identity and encourage you to apply. Of course, due to current COVID restrictions many of the activities in which we are usually involved, and which are mentioned in the information booklet have been restricted but we look forward to the resumption of normal routine by September. The published examination data is from 2019 and although the 2020 outcomes were not published nationally, they are equally as robust.

I look forward to receiving your application.

Yours sincerely,

J Beever (Mrs)
Headteacher
