

Dinnington High School Teacher of: Design & Technology

Part of
LEAP
Multi Academy Trust

Post Title: Teacher of Technology (0.6)

This is an exciting opportunity for an enthusiastic, driven and well-qualified teacher of Design and Technology to join our team. The position will encompass the vast majority of DT subjects so applicants should have good all round knowledge including Post 16 Product Design.

This is a part time, permanent position with a start date September 2023 or sooner if possible.

The closing date for applications is 9am Monday 27th March 2023.

The Department

TECHNOLOGY

Dinnington High School's Technology Department is a friendly, successful department staffed with a small, experienced and versatile team. There is a strong supportive ethos where staff collaborate and support each other to provide the best experiences for our students. We are proud of our relationships with students and the Department is a popular option for older students.

The Department provides a varied curriculum at KS3, KS4 and KS5. At KS3, students have 1 Technology lesson a week where we maintain a practical focus covering a full range of Design Technology disciplines, trying to instill life-long skills and develop a critical, inquisitive and creative mind. We are constantly adjusting projects but currently focus on a timber project, a graphics package, CAD/CAM and a textiles/Smart materials garment. Students also have food technology lessons within the Y7 rota, and they have one half term of Food within the Life lessons rota.

We have offered a range of Design Technology, Engineering and Construction courses at KS4 and some of these courses are working their way through, but we are now re-focusing on predominantly GCSE Design Technology. At KS5 we run an A-Level in Product Design and OCR Cambridge Technical in Engineering. This variety of courses has provided a range of opportunities to cater for the different interests and future aspirations of our students. Year on year, students progress onto high-level apprenticeships and degree courses in our subjects.

The Department is superbly supported with a full-time technician and we have excellent facilities and equipment. Technology has its own self-contained block with an IT suite, resistant materials workshops, a specific engineering room equipped with 6 centre lathes and a milling machine, CNC routers, laser cutters and 3D printers.

The successful candidate will be able to deliver a range of DT disciplines at KS3 and offer skills for teaching our KS4 and 5 courses. A Level Product Design is a priority within this.

Job Description

To be an effective professional who demonstrates thorough curriculum knowledge, can teach and assess effectively, take responsibility for professional development and has students who achieve well.

Planning Teaching & Classroom Management

- identifying clear teaching outcomes and specifying how they will be taught and assessed;
- setting tasks which challenge students and ensure high levels of engagement;
- setting appropriate and demanding expectations;
- setting clear learning goals, building on prior attainment;
- being aware of and making provision for students' differing needs;
- providing clear structures for lessons maintaining pace, motivation and challenge;
- making effective use of assessment and ensure coverage of long-term plans;
- building positive relationships with students;
- implementing academy's procedures and encouraging good practice with regard to punctuality, behaviour, standards of work and homework;
- using a variety of teaching methods to match approach to content, structure information, present a set of key ideas and use appropriate vocabulary
- using effective questioning, listening carefully to students, giving attention to errors and misconceptions
- ensuring students acquire and consolidate knowledge, skills and understanding appropriate to the subject taught;
- ensuring policies relating to student rewards and behaviour management are implemented to secure a well-ordered learning environment;
- evaluating own teaching critically to improve effectiveness;
- ensuring the effective and efficient deployment of classroom support;
- contributing to the development of schemes of learning in the subject;
- liaising with the Subject Leader to ensure the implementation of department policy and best practice.

Monitoring, Assessing, Recording & Reporting

- assess how well learning outcomes have been achieved and use them to improve specific aspects of teaching;

- mark and monitor students' work and set targets for progress;
- assess and record students' progress systematically and keep records to check work is understood and completed, monitor strengths and weaknesses, inform planning and recognise the level at which the student is achieving;
- undertake assessment of students as requested by examination bodies, departmental and academy procedures;
- undertake assessment of students and participate in the academy's system for reporting to parents.

Pastoral Duties

- be a Form Tutor to an assigned group of students;
- promote the general progress and well-being of individual students and of the Form Tutor Group as a whole;
- liaise with the Head of Year to ensure the implementation of the academy's pastoral system;
- register students, accompany them to assemblies, encourage their full attendance at all lessons and their participation in other aspects of academy life;
- alert appropriate staff to problems experienced by students and make recommendations as to how these may be resolved;
- communicate, as appropriate, with parents of students.

Other Professional Responsibilities

- have a working knowledge of teachers' professional duties, teacher standards and legal liabilities;
- operate, at all times, within the stated policies and practices of the academy, in particular safeguarding responsibilities;
- know subject(s) or specialism(s) to enable effective teaching;
- take account of wider curriculum developments;
- establish effective working relationships and set a good example through their presentation and personal and professional conduct;
- co-operate with other staff to ensure a sharing and effective usage of resources to the benefit of the academy, department and students;
- contribute to the corporate life of the academy through effective participation in meetings and systems necessary to coordinate the management of the academy;
- take part in marketing and liaison activities such as Open Evenings, Parents Evenings and events with partner schools;

- take responsibility for own professional development and duties in relation to academy policies and practices including health & safety policies;
- liaise effectively with parents.

Whilst every effort has been made to explain the main duties and responsibilities of the post, each individual task undertaken may not be identified. Employees will be expected to comply with any reasonable request from the leadership team to undertake work of a similar level that is not specified in this job description.

It is understood that areas of responsibility are from time to time subject to review and are negotiable in the light of the needs of the academy and the professional development of the staff.
