# THE HARVEY GRAMMAR SCHOOL

Cheriton Road Folkestone  
Kent CT19 5JY

Headteacher: **Mr S Norman, BA (Hons), NPQH**

## TEACHER OF DESIGN AND TECHNOLOGY

We are seeking to appoint an imaginative, enthusiastic, and committed teacher of Design and Technology to join this outstanding selective school for boys. This is a great opportunity to join a friendly, collaborative and successful department in a genuinely high achieving school.

The department currently comprises two full-time DT specialists housed in a suite of rooms well equipped with all the facilities required to deliver a high quality Design and Technology curriculum from Year 7 all the way to Year 13. Design and Technology is a popular subject choice at GCSE with the boys studying the Product Design route. The department also deliver A Level Design and Technology at Post 16.

The vacancy is available from September 2025.

The post is suitable for an ECT, where you could expect a large amount of specialist support as you begin your career, but is equally suited to a more experienced colleague looking for a new challenge with high achieving and motivated students.

The school is committed to safer recruitment practice and pre-employment checks will be undertaken before any appointment is confirmed.

This post is subject to enhanced DBS clearance.

February 2025
