Information Pack

DRIFFIELD
SCHOOL
& SIXTH FORM

Believe • Achieve

Believe • Achieve

“A proud and confident community:
achieving success through trust
and respectful relationships.”

General Information about the School

We are an 11-18 comprehensive school with approximately 1400 students on roll. We are part of the Educational Alliance Multi Academy Trust, an established trust which is developing collaborative partnerships with academies across the Humber region. There are currently five academies within the trust: South Hunsley School, Hunsley Primary, North Cave Church of England Primary School, Malet Lambert, The Snaith School and Driffield School and Sixth Form. North Cave Church of England Primary School will shortly be joining the trust. South Hunsley School is a Teaching School (The Wolds TSA) and is a School-Centred Initial Teacher Training Provider. Each school within the Education Alliance retains its own identity whilst sharing the trust's strong vision and values.

Driffield School and Sixth Form is a friendly and supportive school; and we do everything we can to ensure that every individual child receives the care, support and guidance they need to thrive and be the best they can be. Our fantastic team of hardworking and caring staff are fundamental to this success; as a result we invest heavily in professional development to enable our staff to flourish, continually develop and access in-house career opportunities. We have a long tradition of being an inclusive and supportive school, aiming for all students and staff to enjoy learning, experience success and develop their full potential.

‘Leaders and staff have created a positive environment based on the school’s motto Believe, Achieve’.

Ofsted Inspection report January 2020

Staff, governors, students and members of the community have worked together to create a new vision of the key qualities and values they would like to see in the school:

Believe • Achieve

A proud and confident community: achieving success through trust and respectful relationships.

As this dynamic new vision statement illustrates, it is an exciting time for the school which has enormous potential. The hard work of staff and students has resulted in a record number of the highest grades. At A Level, 48% of our students achieved A* to B grades (a 14% increase on the previous year) and 78% A* to C grades. We are really proud of our students’ efforts and achievements and this year saw a wonderful set of results for students who can move successfully into employment, apprenticeships and further study in Higher Education after a 99.4% pass rate.

At GCSE level in 2019 a record number of students achieved the highest grades. Our basics measure has improved for the fourth year running with 66% of students achieving at least a standard pass in both English and Maths and 44% achieving a strong pass or above in English and Maths. The number of students achieving grades 7 and above has doubled over the last two years.

‘Staff and pupils
work well
together.
They work very
hard to achieve
their ambitious
goals’.

Ofsted Inspection report January 2020

Our facilities have been designed to ensure the environment promotes learning and these include a purpose built Art and Technology building and a state of the art Performing Arts block. A £1.2 million investment has been completed to update the school's North Building and the energy efficiencies this will create will be reinvested into teaching and learning. All our facilities are actively used by the local community outside school hours. We also have access to the East Riding Leisure Centre (adjacent to the school site) which is equipped with the latest fitness equipment for the benefit of students and staff who are able to access discounted membership rates. The school is also able to use residential facilities at Spiers Bank House, an ex-forestry commission house located near Pickering in the North York Moors.

‘Pupils are happy
at the school
and say that it
feels safe’.

Ofsted Inspection report January 2020

Within the Education Alliance Multi Academy Trust, there are also further opportunities to develop and progress. As a trust, we are here to make great schools and happier, stronger communities so that people have better lives. We do this by always doing what is right, trusting in each other and standing shoulder to shoulder, and doing what we know makes a difference. Doing what is right means always acting with integrity, in the interests of others and being honest, open and transparent.

We are proud of our school and welcome the opportunity to show prospective staff who are interested in any current vacancies around the site.

For more information about the school and everything we have to offer, please visit www.driffieldschool.net.

THE WORKLOAD CHARTER

CULTURE

The culture of the trust and our schools is critical in ensuring we have an enjoyable, rewarding working environment in which all colleagues believe the demands of their job are reasonable and manageable.

We start from an assumption of professional trust and the belief that everyone seeks to do a good job. We ask all leaders to set a good example in how they behave and that they try to reduce levels of stress and anxiety in the organisation.

WORKLOAD

The trust supports the principle of 1265 hours for teaching staff, and where a colleague is not required to attend a particular directed event, for a reason such as not teaching a particular year group, they should not be given directed work.

LESSON PLANNING

Staff are not expected to submit daily or weekly plans. IT systems will be aligned to establish systems and processes that minimise the replication of effort across different schools.

MARKING AND FEEDBACK

- There will be no central trust-wide or school-wide approach.
- There will be no centrally prescribed frequency of written feedback.
- Each subject may have a different approach developed by subject experts.
- We may mark less in terms of number of pieces of work but with greater impact.
- There will be no acknowledgement marking.

DATA COLLECTION

Schools collect student performance data three times a year to ensure they can monitor progress without over-burdening staff. Teachers are only asked to input data that requires their professional judgement.

EMAILS

There is no expectation that staff respond to emails outside normal working hours. We want all staff to be able to achieve a healthy work-home balance and we trust the professional judgement of our staff to make decisions about when they work outside school hours.

INSPECTION

The trust does not conduct 'mocksteds' that require teachers to provide lesson plans or that involve processes outside the normal monitoring and evaluation and performance management policies.

WORKING PRACTICES

Where new initiatives are introduced, they should be based on evidence that they are likely to improve student outcomes and serious consideration must be given to what we are going to stop doing to 'make space' for what is new.

Our Trust

The Education Alliance Multi-Academy Trust was established in 2015 so that South Hunsley School and Sixth Form College could support the setting up of Hunsley Primary School, the East Riding's first and only Free School.

In February 2016, Malet Lambert School, an 11-16 school in Hull, joined the trust and the following year, Drifffield School and Sixth Form joined as a sponsored academy. The most recent secondary school to join is The Snaith School, an 11-16 school, and North Cave CE Primary School joined at the start of the academic year 2019-20. In addition to the six schools, South Hunsley School is also a Teaching School (The lead in Wolds Teaching School Alliance) and a National Support School.

The trust also operates Yorkshire Wolds Teacher Training, the only SCITT based in East Yorkshire, which is training a new generation of primary and secondary teachers in East Riding and Hull.

Our purpose:

We are here to make great schools and happier, stronger communities so that people have better lives.

How we do this:

The way we do this is by:

- Always doing what is right
- Trusting in each other and standing shoulder to shoulder
- Doing what we know makes the difference

Doing what is right means always acting with integrity, in the interests of others, and being honest, open and transparent.

The trust has a clear, transparent and effective governance framework. Further information regarding the Members, Trustees and Governing Bodies can be found on the trust website alongside our Governance Framework and Scheme of Delegation.

Jonny Uttley
CEO, The Education Alliance

Introduction from the Executive Principal

Thank you for your interest in working at Driffield School and Sixth Form. I hope that, after reading the information provided, you will feel not only encouraged to apply, but excited by the opportunities that Driffield has to offer.

I took up post at Driffield School in May 2018 and, having worked in a variety of schools, I was attracted by the huge potential of the students and the school. For me, Driffield has the perfect comprehensive mix of students. We are challenged in our teaching by both our most able, many of whom secure places at Russell group universities, and by those who rely on us for the extra support and care they can sometimes need. Our students are a pleasure to teach and are our greatest assets. I have no doubt that Driffield School will be an outstanding school, but this is not the driver for myself, the governors or the staff. We want to provide the very best of educational experiences for every young person in our local area and this is our motivation.

Almost two years in at Driffield, and I am clear about our many strengths as well as some of the challenges that remain. I have extremely high expectations of myself, of staff and of students. However, we work by the motto of “Work hard and be nice to people”. We are not complacent and as a school and an organisation, we are genuinely committed to our students and our workforce and these pledges are explained in both the ‘Tackling Workload Together’ and ‘Together We Make Better Lives’ booklets.

I firmly believe in earned autonomy and delegated leadership. Driffield offers a great opportunity for colleagues who are passionate about making a difference in an improving school and a supportive organisation to join us at this exciting stage in our journey. I would strongly encourage visits to the school. If you wish to take advantage of this, please contact Sue Lord, the school’s HR Manager at slord@driffieldschool.org.uk or by telephone on 01377 2323621.

This is undoubtedly an exciting time to join Driffield School and Sixth Form and the Education Alliance. We very much look forward to hearing from you and thank you for your interest in our school.

Best wishes
Scott Ratheram
Executive Principal

School Development Plan 2019–2022

Vision: A proud and confident community: achieving success through trust and respectful relationships

Key Priorities	Focus Area	Targets
1. Raise achievement through a curriculum that it is ambitious, well designed and sequenced across all key stages, equipping students with the knowledge and skills for future learning and employment	<p>11 Raise achievement, particularly for the most disadvantaged, boys and those with SEND, through an ambitious curriculum, that is adapted to support all students in our context, and provides opportunities for those that fall behind to catch up</p> <p>12 Develop and embed a curriculum which is coherently planned and sequenced towards cumulatively sufficient knowledge and skills for future learning and employment</p>	<ul style="list-style-type: none"> • An increasing proportion of students have a positive Progress 8 score and secure the qualifications they need for future learning and employment • A full curriculum, driven by aspirational ambitions for all learners, is tailored to meet the needs of all students • Improved outcomes for key groups of students, including disadvantaged, boys and SEND learners
2. Ensure that teaching and assessment are effective, evidence informed and focus on ensuring students can retain and recall the knowledge and skills needed to thrive	<p>21 Continually improve our teaching over the next three years by embedding subject specific and evidenced informed strategies that do not create unnecessary workload for staff.</p> <p>a) 'Teaching to the top' and scaffolding so that work given to students is demanding</p> <p>b) Skilful assessment that drives responsive teaching and effective feedback</p> <p>c) Careful sequencing and modelling of new ideas and concepts</p> <p>d) Planning opportunity for regular review and practice</p>	<ul style="list-style-type: none"> • Quality assurance (QA) processes indicate that teaching is strong in all subject areas • All staff access high-quality and subject-specific CPD that positively impacts their quality of teaching • Effective assessment is used to drive responsive teaching, identifying misconceptions and gaps in subject knowledge
3. Embed excellent attitudes to learning and respectful relationships across the school by continually raising the bar, building a culture of high expectations that permeates through all we do	<p>31 Ensure that good behaviour and attitudes to learning have a positive impact on student progress through consistent implementation of Positive Discipline and the explicit teaching of learning behaviours</p> <p>32 Promote a positive and respectful culture to ensure that all students continue to be safe and feel safe</p> <p>33 Ensure that the attendance of all students, especially those with SEND and those eligible for the Pupil Premium, is high or improving to ensure no groups of students are disadvantaged</p>	<ul style="list-style-type: none"> • Behaviour is consistently good in lessons and around the site: low level disruption is rare • Students report that they feel safe and are well supported in school • Whole school attendance improves compared to last year and is on track for 95.5% (all) and 94% (disadvantaged)
4. Support our students in 'Achieving Personal Excellence' through tailored support and guidance, alongside the knowledge and experiences they need for future success and happiness	<p>41 Inspire our students to strive for personal excellence by providing them with a carefully structured curriculum (including APEX), a wide range of experiences and the care they need to succeed</p> <p>42 Continue to refine our CEIAG programme against the Gatsby Benchmarks so that students have a clear understanding of what they need to achieve for the careers to which they aspire, and believe they can reach their goals</p>	<ul style="list-style-type: none"> • Student voice demonstrates that they feel safe and supported in keeping themselves safe outside of school, knowing how to keep themselves physically and mentally healthy • Evaluation shows that the careers programme can clearly evidence all the Gatsby Benchmarks
5. Deliver an outstanding Sixth Form that provides our students with the support, experiences, knowledge and skills they require for successful futures	<p>51 Ensure that stretch, aspiration and high expectations for all permeates through all aspects of our curriculum design and delivery so that students achieve well</p> <p>52 Further refine our provision so that high quality impartial careers guidance; non-qualification enrichment activities and a programme to develop independence and social and personal responsibility, ensures all students have successful futures</p> <p>53 Provide opportunities to highlight Year 12 and 13 as role models within the school, displaying outstanding work habits, attendance and punctuality</p>	<ul style="list-style-type: none"> • ALPs grade 3 + • 90% of students access first choice of destination • At least 30% of students access Russell Group Universities • Increasing numbers of students access higher level apprenticeships • High profile Sixth Form Leadership Academy established

The Design Technology Department

The Technology Department at Driffield School is striving to deliver an up-to-date and relevant curriculum, which provides students with skills and knowledge required by the modern world of Design, Engineering and Food technology.

In Design and Technology, we have embraced the new approach to GCSE Design and Technology, encouraging students to think of the subject as “all-encompassing”, where the development of a design solution takes priority over a chosen material area. The new approach has led to a complete redevelopment of Key Stage 3 in recent years and our curriculum will continue to evolve around new technologies and approaches. We’re not afraid to make changes where this necessitates or where new ideas are brought forward by our teachers.

Additionally, we offer the Cambridge National in Engineering Design and we have been eager to ensure our Key Stage 3 curriculum also provides the skills required for this course, embedding activities and projects that students may experience in Key Stage 4. We believe this also allows students to make an informed choice over which options they select in year 9 and we have been delighted to see Key Stage 4 numbers in all of our courses increase significantly over the last few years.

Our Key Stage 3 Food and Nutrition curriculum has also been redeveloped to ensure we prepare students for the GCSE Food Preparation and Nutrition. We have ensured that our Key Stage 3 curriculum has been designed with the GCSE in mind, as well as the vital life skills the subject offers.

We are a well-resourced department with dedicated ICT facilities, workshops and food rooms for each key stage and we are in the processes of developing our classrooms into more flexible teaching spaces. As a team we work collaboratively and support each other with the development of new skills and knowledge. Teachers and technicians work closely together to prepare new projects and develop resources. If you are successful, you will be joining a team who are enthusiastic about our subjects and the new direction in which they are moving.
