## Teacher of Design Technology

Required to start 1st January 2024 or sooner

**Do you want to work at a school making strides forward looking to appoint leaders who can inspire, motivate and lead improvement? A school that has recently moved from requires improvement to GOOD!**

Governors wish to appoint a teacher into our strong and expanding Creatives team where results are strong and rising. The ability to teach multiple specialisms within DT, to GCSE is an advantage.

***‘Support for newly and recently qualified teachers is good. These teachers said that they valued highly the support they received and the developmental activities in which they are involved. Recently qualified teachers who were initially trained in the school have returned to a post here because, they said, they believe strongly in the school’s ethos and that they feel able to ‘make a real difference’ to pupils’ Ofsted March ‘18***

We are looking for a teacher with:

- a real desire to make a difference to pupil outcomes and bring DT to life
- the desire to learn and be a high functioning practitioner
- the drive to work in a high functioning team

This is a very exciting opportunity where you can continue to **make a difference** within a well-established team. Continuing to raise the attainment and progress in design technology and the arts, a popular area of the school, is a **part of our whole school** improvement.

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Application packs can be downloaded from the following websites:

[www.bemrose.derby.sch.uk](http://www.bemrose.derby.sch.uk) or [www.tes.com/jobs](http://www.tes.com/jobs)

**Closing date: Monday 25<sup>th</sup> September, 10.00am.**  
**Interviews will be concluded by Friday 6<sup>th</sup> October**

Please apply by letter of no more than 2 sides of A4 explaining how your experience to date has prepared you for this role and how you will develop learning and progress in Design Technology, together with a completed Bemrose application form.
