

## Teaching Staff Roles

John Taylor Multi Academy Trust (JTMAT) believes in the power of education to improve lives – and the world. As a partner school in JTMAT, we are seeking to appoint enthusiastic and dynamic people to join our evolving organisation.

John Taylor Free School at Tatenhill is a “young” school which opened in September 2018 with a full cohort of 210 Year 7 students. We are in the strong position of being oversubscribed for the first five years. From September 2023, we will have 1350 students in year 7-12.

We are now looking to expand our team accordingly with hard working, committed and enthusiastic teaching staff who will work with us to provide a high-quality educational experience for young people. We require a variety of roles as outlined below. Please ensure you have explored the recruitment pack and website for more information on our school culture, its’ values and ethos. For information about course content and specifications, please see the curriculum pages on our website. All staff are expected to be role models for our students, demonstrating the highest standards of teamwork, collaboration and respect. We welcome applications from people who want to work flexibly.
