All teachers make a valuable contribution to the school's development and, therefore, to the progress of all students. All teachers, except those who are newly qualified, will have varying degrees of responsibility for a curriculum area across the whole school and will be supported in that role by their line manager.

Teachers in the upper pay scale can be expected to make a particular contribution to building team commitment in line with the statutory requirement to meet threshold standards.

In particular, teachers at UP3 will:

- VII. provide a role model for professional practice in the school
- VIII. make a distinctive contribution compared with other teachers
- IX. contribute effectively to the wider team.

All teachers are Tutors and will be expected to fulfil this role as directed. Tutors are line managed by a Senior Tutor.

4. Review of duties

The job description will be reviewed and updated periodically in order to ensure that it reflects accurately the nature of the role in context of in-school and other developments. The process may be initiated by the Headteacher or the post holder. It will always be the aim to reach agreement on reasonable changes but, if agreement is not possible, the Governing Body (represented by the Headteacher) reserves the right to make changes following consultation.
