

**MATTHEW MOSS
HIGH SCHOOL**
Learning for Life

Teacher of Design Technology

Closing Date: Monday 25th September 2023 at 9:00am

Interview Date Wednesday 4th October 2023

Welcome to Matthew Moss High School

Thank you for your interest in the post of Teacher of Design Technology at Matthew Moss High School. In this pack, you will find information about our school ethos, CPD opportunities and the Technologies Faculty.

Matthew Moss High School is an inclusive school, where all learners are treated equally and have access to the full range of subjects and learning opportunities.

We are proud of our diverse and cohesive community, where relationships are at the heart of school. In our latest Ofsted report (2019) Inspectors noted that: *"relationships between staff and pupils are a real strength"*. The report also highlighted that: *"Staff morale is high"* and that *"One hundred per cent of staff said that professional development is used to encourage, challenge and support improvements"*.

Matthew Moss High School is located in the Castleton area of Rochdale. Matthew Moss High School is a "Good" school (Ofsted 2019) and is over-subscribed. There are 1220 learners on roll, including a Hearing Impaired Base and, more recently, a partnership with Redwood School. Redwood School caters for young people aged 11-19 who have additional needs.

At Matthew Moss High School we believe in three things:

- Respect everyone and fear no-one;
- Everything starts with the learner;
- Thoughtful hard work shifts anything.

At the centre of our curriculum and pastoral care is our CHANGE ethos.

Composure

High Standards

Agency

Numeracy and Literacy

Growth Mindset

Empathy

In Year 7, learners receive a dedicated CHANGE curriculum, which instils the values and ethos to which school would like staff and learners to aspire to. Moving forward, we are working to embed CHANGE throughout the life of school, so that learners are able to 'Engage CHANGE' and be active citizens in the world around them.

Matthew Moss High School is part of the Watergrove Trust and the successful candidate will enjoy exceptional self-development. All staff currently receive an individual CPD programme and new staff receive training in Transactional Analysis, which forms the basis of our Behaviour and Relationship Policy. If you are new to the profession, you will receive excellent support from your Induction and Trainee Mentor through our Early Careers Framework offer.

All staff new to school will receive excellent induction and access to our wider CPD programme, to allow you to develop as an outstanding practitioner, with a range of future opportunities available within our growing school and Trust.

At Matthew Moss High School, every member of our community has the opportunity to flourish.

If you have any further questions, or would like to visit school, please contact our Human Resources Team at: hr@mmhs.co.uk.

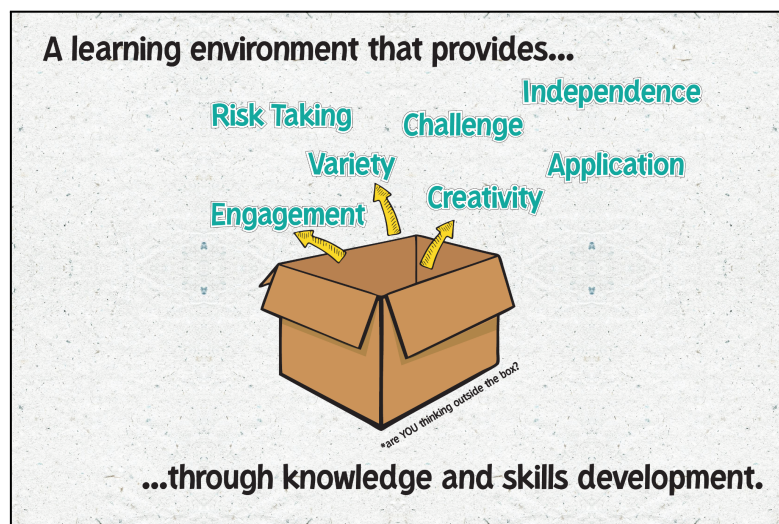

I look forward to meeting you,

About the Design Technology Faculty

The Design Technology faculty prides itself on providing a creative and innovative experience for all.

Learners at Matthew Moss High School have a desire to express their ideas, thoughts and personalities; the subjects within Technologies provide fantastic opportunities to achieve this.

We offer a wide choice of subjects which include: 3D Design, Art, Computing and Music; a perfect platform for experiences that encourage problem solving, creative thinking, independence, teamwork, composure and ultimately, prepares learners for the wider world and beyond.

The faculty is made up of eight teaching staff and a technician, with each subject area having two specialist teachers. We are an extremely collaborative unit, who pride themselves on innovation within the classroom. We offer support and guidance within the development and implementation of projects, as well as the day to day running of the faculty.

We are a well resourced faculty which comprises of the following rooms; 2 x Computer Suites, 2 x Art and Design Workshops, 1 x 3D Design Workshop, 1 x CAD/CAM suite, 1 x Food Technology Kitchen, 1 x Music Room, a recording studio and a multi purpose classroom. Each room is fully equipped with a wide range of resources that are

updated and modernised based on the continued development of our curriculum. This allows the knowledge and the skills of our learners, to evolve and mirror the outside world.

Being fully resourced allows learners to move from 3D printing to screen printing, from coding to music production and beyond.

At Key Stage 3, Design Technology is taught linearly in year 7, having 1 lesson a week, year 8 and 9 having a double lesson a week which is on rotation; including 3D Design, CAD/CAM, Textiles and Computing. This provides learners with a rich experience and allows them to develop a wide breadth of knowledge and skills. Projects include: the design and manufacture of graffiti lamps; Bloc Bots, the development of CAD/CAM and the use of laser cutters, sublimation and 3D printers. Our projects are designed to instil knowledge through a practical, skill based curriculum, that enables learners to be creative and prove an essential part of their development.

At Key Stage 4, we currently offer a variety of both GCSE Art & Design and 3D Design. This provides the learners with a fantastic opportunity to choose a curriculum path that suits their wants and needs.

Design Technology / 3D Design plays an integral role in the progression of the faculty. Learners have a very keen interest in the subject and thoroughly enjoy the practical application. The curriculum should challenge learners to be creative and innovative by using existing artists and designers as inspiration.

This is a fantastic opportunity to develop learners' real world skills, setting them up for later life, which fits perfectly into the ethos of the faculty.
