Welcome to Bournemouth School for Girls

Dear Colleague,

Thank you for your interest in our post for Teacher of Design & Technology (Product Design or Food specialism) - maternity cover. You have taken your first step to becoming part of a special community that has now served Bournemouth for over a century.

At Bournemouth School for Girls (BSG) we support the development of the whole student, including providing them with exciting educational opportunities in and out of the classroom.

From Year 7 to Year 13, we are fortunate to have students who are truly eager to learn. Our young people thrive here as we feed their curiosity, guide their ambition and ensure they become positive citizens in wider society.

We are delighted that our strong curriculum coupled with outstanding support from our dedicated staff continue to facilitate superb exam results at both GCSE and A Level. We are looking for a new colleague that will join an experienced and supportive team and help deliver an exciting Design & Technology curriculum to a new generation. We anticipate that this contract will be in the region of 0.6 FTE.

We have a successful and comprehensive CPD programme for ECTs as well as more experienced colleagues and welcome applications from colleagues at any stage of their career.

We pride ourselves on supporting our colleagues' wellbeing and hope you'll note the generous package of support and conditions for our teachers.

Please read this application pack to get a more detailed view of the Design & Technology department and our wider school. We look forward to receiving your application. If you have any queries about either the post or the school in general please do not hesitate to contact us and we will be pleased to help you.

Mr. David Sims, Headteacher

About Bournemouth School for Girls

Founded in 1918, Bournemouth School for Girls is an 11-18 selective girls' grammar school and Sixth Form in the heart of Bournemouth. BSG currently has around 1300 students on roll which includes those in our Sixth Form. It provides students with extensive academic and extra-curricular activities from Year 7 to Year 13.

The school is academically successful and ranks highly in comparison tables such as the Sunday Times Parent Power Survey. The school was inspected by Ofsted in May 2024 and judged to be outstanding in all areas. The inspectors summarised the ethos and atmosphere of the school as follows:

“Bournemouth School for Girls is a joyous place. Pupils flourish academically and socially. They are passionate about their learning and embrace the multitude of wider development opportunities that the school provides.”

The school's vision is: **the best for our students, the best from our students**, and the curriculum in place is designed to ensure that students are provided with the best opportunities to prepare them for their future.

BSG offers students a broad and balanced curriculum at Key Stage 3, including lessons in sciences, performing arts, art, humanities and technology. We encourage students to maintain this breadth in their KS4 studies where our students study 10 GCSE subjects in Years 10 and 11.

As a selective school, the academic ability of the students is high and we try to ensure lessons go beyond the national curriculum and support further progress at each key stage.

The school has a comprehensive pastoral system in both the main school and Sixth Form, with our tutor groups split into six school houses: Austen; Curie; Franklin; Parks; Rossetti and Shelley, all named after influential and inspirational women from the 19th and 20th centuries. Each house is led by a Head of House who supports students' pastoral needs with the support of form tutors. Each year, houses run their own charity weeks to raise money for their chosen charity. Heads of House also deliver PSHE lessons to all students in their house and deliver the RSE curriculum to support their personal and social development.

We are very proud of our extensive extra-curricular offer for students. There are over 50 clubs and activities which are run by our staff voluntarily in lunchtimes throughout the week. Students develop passion, knowledge and skill by participation in clubs in music, drama, sport, adventure, STEM and crafts. We hope that applicants will feel able to support this programme.

By providing this curriculum to students, the school upholds its three key values:

Work Hard | By providing a broad, balanced and academically challenging curriculum.

Be Kind | By providing excellent pastoral support and social education.

Be Ambitious | By guiding students to develop skills and knowledge beyond the classroom and for their futures.

Working at Bournemouth School for Girls

BSG is a warm and supportive workplace that cares for and nurtures its staff professionally as well as creating conditions that are generous to encourage wellbeing.

These include:

- Friendly staff and a commitment from the staffing body and SLT to promoting and supporting staff wellbeing
- Able, motivated and polite students who are a privilege to teach
- Extensive CPD programme (for ECTs and experienced staff) to support individual professional development
- Provision of a teaching base/own classroom, where possible, for full time teachers
- Teacher pension scheme
- 14% PPA time (FTE) compared to national minimum of 10% for all staff. (ECTs receive their PPA allocation on top of this)
- Access to wellbeing resources, discounts and other special offers for services
- Access to salary sacrifice benefits such as cycle to work, gym, technology, mobile phones, car leasing and workplace nursery
- Opportunity to work with other colleagues and students in delivering extra-curricular activities (lunch provided if you do)
- Student data targets are not part of appraisal/performance management
- Well-resourced departments
- Free use of a new and highly equipped gym (conditions apply)
- Free parking on site, including bays for electric car charging

About the Design & Technology Department

The department has developed its own courses for Key Stage 3 in response to the Design & Technology National Curriculum Orders. Students have four one hour lessons of Design & Technology per fortnight and encounter on a rotational coordinated basis, a unit of work in each of the areas of Product Design, Food & Nutrition and Fashion & Textiles in each year of the key stage. Each unit of work consists of a mixture of focused practical tasks and design and make assignments. Work is assessed internally in a common method using Microsoft Teams in the Office 365 suite, enabling an economic but very effective way of feeding back students their progress.

At Key Stage 4, the department uses the AQA Design & Technology specifications for GCSE. We attract more students than the national average for a school our size. Currently we have in Year 10, 1 Textiles group, 3 Food groups and 2 Product Design groups. In Year 11 we have 2 group in Textiles, 2 Food Preparation and Nutrition groups, 2 groups in Product Design.

In the Sixth Form, the department offers AQA Design and Technology Product Design (3D) and AQA Design and Technology Fashion and Textiles at A level.

The department has been extremely successful, producing some of the best GCSE and A Level results in the school. We take part regularly in local and national competitions and projects, with a central role in the school's STEM activities. We are always looking for new opportunities to give girls real world experience and enhance the image and profile of our subject amongst our students and their parents.

About the Design & Technology Department

The accommodation of the department consists of 6 specialist rooms: 1 multi-media workshop, a KS3 workshop adapted for our younger groups, a new food room from September 2026, 2 modern textiles rooms and a department ICT room with a suite of computers. The facilities are excellent and provide well resourced, flexible and contemporary technology which teachers and students use to produce outcomes of a very high standard.

Applicants will be able to offer:

- the ability to teach Design & Technology – Product Design and / or Food at KS3
- a commitment to the development of extra-curricular activities
- the desire to be a passionate advocate for Design & Technology.

We can offer:

- enthusiastic and well-motivated pupils keen to learn
- a supportive and lively staff team
- outstanding facilities
- an environment that encourages further professional development
- a school that values Design & Technology highly.

The Application Process

We are looking for a teacher of Design & Technology with Product Design and / or Food (maternity cover) to join our school with effect from October 2026. This will provide an exciting and challenging opportunity to help build upon the existing high standards in our Technology department.

The ideal candidate will be a teacher who can inspire and bring out the best in all our students. In addition to more experienced colleagues, this post is also suitable for ECTs.

We are looking for a colleague with the following qualities:

- the ability to gain the trust and respect of school staff, pupils and parents
- outstanding subject knowledge with an ability to share this with pupils in an exciting and academically rigorous way
- the ability to teach Product Design and / or Food at KS3
- willingness to learn new skills and take on board new ideas
- evidence of recent relevant professional development
- outstanding communication skills, both orally and written
- well organised and totally reliable
- loyalty and commitment to the team
- flexible in approach and able to see the big picture
- enthusiastic and able to bring new ideas to the school and department
- a real commitment to developing Design & Technology
- an awareness of current developments in Design & Technology.

We look forward to receiving your application by the deadline of 9am on Monday 15 June 2026.

This should include:

- a completed application form
- a letter of application outlining your readiness for the role.

Interviews will be scheduled following the closing date. If you have not heard from us two weeks after the closing date, you may assume your application has been unsuccessful on this occasion.

If you have been shortlisted by the interview panel, you will be contacted by email and/or at your home address to attend an interview, together with information about the interview process and any other documents you will be required to bring.

Bournemouth School for Girls is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any successful applicant will be required to undertake an Enhanced Disclosure check by the Disclosure & Barring Service. In line with KCSIE 2025, all applicants will undergo checks on social media and online accounts to help assess suitability for the role.
