Ability to teach Food to KS4

Required from September 2025: an enthusiastic, flexible teacher of Design Technology to join a successful, forward-thinking, high-achieving school which focuses on raising attainment.

The successful candidate would ideally have an ability to teach KS4 Food and Design Technology.

We are a single academy trust, which is proud to have retained its identity at the heart of the community. Our most recent Ofsted inspection, in February 2022, recognised that *'There is an acute awareness of what pupils need to support them in their stage of learning or employment. This runs through the school from Year 7 to the sixth form. Leaders make sure all pupils, including those with SEND, access an ambitious curriculum that stimulates their minds and promotes curiosity.'*

Subject leaders have a thoughtful approach to the curriculum, prioritising the needs of the pupils. They place a great deal of trust in the teachers, who are knowledgeable.' Inspectors also reported that *"there are clear and high expectations for behaviour that pupils know and understand. Staff apply the behaviour policy consistently";*

We are committed to safeguarding and promoting the welfare of children and young people and we expect all staff and volunteers to share this commitment. Further information regarding our Child Protection and Safeguarding Policy can be found on the school website.
