April 2026

Dear Applicant

Temporary Teacher of Design & Technology

We are excited to announce an opportunity for a Teacher of D&T to join our Design and Technology department.

We have high expectations for our students, supporting them to achieve excellent academic outcomes and develop key life skills through our seven-year curriculum. Our staff are highly skilled, with teaching and learning being at the heart of all we do.

Brine Leas School is in Nantwich, Cheshire, and is a highly successful and oversubscribed school, consistently rated "Good" by Ofsted with an "Outstanding" sixth form. The school's thriving sixth form, BL6, offers a challenging academic program with tailored mentoring and comprehensive support, attracting students from diverse backgrounds.

The mission statement, "Believe. Learn. Succeed." underpins the school's approach, encouraging students to reach their full potential through high-quality teaching and excellent pastoral support.

We seek an excellent Teacher who fits our ethos and will inspire and motivate staff, students and the wider community to ensure that every student has the opportunity to succeed.

All posts are subject to enhanced disclosure procedures and pre-employment checks.

Thank you for considering this opportunity

Yours sincerely,

Paul Whitehead
Headteacher

The Design Technology Department

The Post

The governors and Headteacher are seeking to appoint an exceptional candidate within the Design and Technology department. A person specification and job description are included in this pack.

Design and Technology Curriculum Area

The Design Technology and Art Department at Brine Leas and in the Sixth Form is modern, vibrant and innovative. The department is a forward-thinking hub of creativity, innovation, and technical excellence, with strong uptake and high levels of popularity across Key Stage 3 and Key Stage 5. We are committed to nurturing the designers, engineers, artists, and creative thinkers of tomorrow by providing an engaging, rigorous, and future focused curriculum from Key Stage 3, 4 and 5. We believe that creativity, problem solving, and design thinking are essential skills in the modern world.

Students value this area of the curriculum highly and demonstrate enthusiasm, commitment, and pride in their work. This is underpinned by the strong support provided and the positive, respectful relationships students develop with staff, enabling them to engage confidently, think independently, collaborate effectively, and respond creatively to real-world challenges through design and artistic expression. As a result, outcomes across the department are consistently strong, with students making excellent progress and achieving highly.

The Design Technology and Art Department team are highly motivated and committed, consisting of 10 teaching staff and 4 support staff technicians. Design Technology is embedded within the curriculum at KS3, KS4 and KS5 and is taught by subject specialists across each key stage, ensuring high quality provision and continuity of learning.

Curriculum

Our curriculum is broad, inclusive, and tailored to meet the needs of all learners. It includes:

- **Key Stage 3:** Over a 2 week timetable students experience a foundation in core disciplines including Engineering, Product Design, Graphics, Textiles, Food Preparation & Nutrition, Ceramics and Art. Students develop practical skills, critical thinking, and design literacy through hands-on projects and creative exploration.
- **Key Stage 4 :** A choice of pathways in Art & Design, Engineering, Graphics, Design and Technology, Product Design Textiles, Ceramics and Food Preparation & Nutrition. Learners undertake ambitious projects, using industry-standard tools and materials, while also building theoretical knowledge of materials, processes, and sustainability.
- **Key Stage 5:** Specialisms include Art and Design, Art, Textiles, Product Design, Graphics, Engineering and Photography. Courses are tailored to stretch and challenge students, prepare them for higher education and careers in the creative and engineering industries, and build a professional portfolio of work.

Job Description:

Teacher of Design & Technology

All teaching staff are expected to fulfil the following duties:

- Plan and deliver well-structured lessons aligned with the school's curriculum and schedule. Set goals that challenge and stretch students of all backgrounds, abilities, and dispositions within a safe and stimulating environment, while effectively deploying support staff.
- Support students in making the best possible progress by using a variety of teaching, learning, and support strategies. Take responsibility for their outcomes and plan lessons that build on their prior knowledge and understanding.
- Adapt teaching to respond to the strengths and needs of all students, using differentiation to address their learning needs and overcome barriers. This includes students with SEND, those who are MAGT, Priority Learners or have English as an Additional Language.
- Assess and record students' achievements, prepare reports, and participate in parental/carer consultations. Use assessments to help students reflect on their achievements, address misunderstandings, and inform future planning. Provide regular feedback, both orally and through accurate marking, and encourage students to respond to the feedback.
- Set homework and other out-of-class activities to consolidate and extend students' knowledge and understanding. Check completion and provide feedback as required.
- Set work online, deliver online lessons, or use remote teaching for students who are not in the classroom. This should be done within the framework of directed time and during any school-enforced closure periods, providing feedback to students as needed.
- **Behaviour Management:** Implement school policies to ensure a safe and positive learning environment. Establish clear and fair rules and routines in classrooms, emphasising rewards and praise alongside necessary sanctions.
- **Curriculum Design:** Contribute to the creation and delivery of an engaging curriculum within your subject area, in collaboration with the subject team, proportionate to your responsibilities.
- **Professional Development:** Participate in the Trust's Performance Management scheme. Actively seek opportunities for personal development through in-service training to stay updated on national and school initiatives.
- **Pastoral Support:** Support the school's pastoral system by promoting equal opportunities, British values, and tolerance. Serve as a tutor and/or mentor to enhance students' well-being.
- **Policy Implementation:** Observe and implement current school policies and best practices. Follow guidance and requirements from your team and the staff handbook, particularly avoiding unsanctioned social media interactions with students.
- **General Duties:** Perform duties and attend meetings as reasonably required.
- **Statutory Compliance:** Act within the statutory frameworks that outline your professional duties and responsibilities.
- **Additional Duties:** Carry out specific tasks as directed by the Headteacher or CEO, in accordance with the current Teachers' Pay and Conditions of Service Document.
