We are looking for a well-qualified and enthusiastic Teacher of Design and Technology to join our department. The post could suit an ECT as well as a more experienced candidate.

The focus at Park Vale Academy is on outstanding achievement for every student through maintaining a culture of extremely high expectations in relation to student conduct and attitudes. Consequently, academic results have improved significantly since the school re-opened in 2016 and the last OFSTED inspection (2021) upgraded the school in every category.

In return, we are offering:

- Competitive salary
- Cycle to work scheme
- Employee assistance programme
- Local Government pension scheme
- Other generous entitlement, for example annual leave, maternity etc.

This is an exciting time to join Park Vale as we continue to develop the culture of high expectations which has brought about a rapid rise in the levels of achievement at the academy. The Academy is also a member of [Redhill College of Leadership and Development](#) and as such there are excellent CPD opportunities and a chance to work alongside colleagues from other high-performing schools in the region. The Trust also leads the regional [Teaching School Hub](#), delivering local teacher training and the National Professional Qualifications for teachers. Park Vale became an academy, sponsored by The Redhill Academy Trust, on 1 September 2016.

For a discussion about the role, please contact Mr Bowhay, Headteacher, on the academy telephone number. An application form can be downloaded from our academy's website or by contacting Miss R Kay at [rkay@parkvaleacademy.org.uk](mailto:rkay@parkvaleacademy.org.uk).

As Park Vale Academy is committed to safeguarding children practices, any appointment will be subject to an enhanced DBS check and successful references.
