

June 2021

Dear Applicant

Teacher of Design Technology and Food Preparation and Nutrition

I am delighted to introduce you to Staploe Education Trust. We pride ourselves on schools which are great places to work. We support professional and personal development, providing and creating opportunities for our colleagues to progress, whatever their aspiration. We have high expectations of ourselves and of one another, and the culture of our Trust is one of professional collaboration across and between schools. We are successful because we work together.

Staploe Education Trust was formed in 2012 and the mission statement for our Trust is to provide a well-rounded education for the children of our community through every phase of their school journey. The Trust consists of four schools, and each has its own identity driven by the core values and vision of the Trust. Together, our four schools provide a high quality pre-school, primary and secondary learning environment for children, with a strong ethos of achievement, rich curriculum experiences and inspiring opportunities.

We also provide a highly ethical culture of support and collaboration within, and between, all the schools, and all staff benefit from creative, research-led teaching and professional development. Together with parents and carers, we work to tackle the barriers children face in their learning and development, so that every child will aim high, remain safe and thrive. Based at the heart of our community, we contribute to the creation of excellence in education through partnership.

You will find that our schools are great places to work and might just be the right place for your next move.

Yours sincerely

Dr Carin Taylor
Executive Headteacher
