Teacher of Design Technology

Full-time/Part-time considered MPS/UPS

Required from September 2023

Applications from prospective ECTs and experienced teachers are welcome

The Post

Teacher of Design Technology
Full-time/Part-time considered
Required for September 2023
MPS/UPS

We are seeking an enthusiastic, dynamic and innovative colleague to join a team of committed professionals within our Design Technology Department. The school's Design Technology Department offers Food & Nutrition, Product Design and Textiles. Candidates should ideally be able offer two of these three specialisms to at least KS4 students.

The post would be equally suitable for an experienced teacher or for an ECT. A passion for the subject and the desire to inspire others are essential.

The Team & Our Facilities

Our Design Technology Department consists of the Head of Department and 3 other colleagues and is supported by two Technicians who support both the Design Technology and Art departments.

As part of our building expansion for 7 forms of entry, the department suite is currently being refurbished for September 2023 with two specialist rooms for each of our specialisms; Food & Nutrition, Product Design and Design Technology.

About Us

Welcome to our forward-thinking community with a tradition of excellence

Maidstone Grammar School for Girls, or 'MGGS', as it is more often known, has a strong community spirit which is underpinned by our belief that the happiness of all our students is key to enabling them to succeed. We have been providing an academic education for girls (and boys in the Sixth Form) from the town of Maidstone and its surrounding area for over 135 years.

MGGS is a very special place. Our students love learning; they are talented, compassionate and inquiring young people who have a deep sense of belonging and commitment to their school.

As an outstanding school we are 'A forward-thinking community with a tradition of excellence', ensuring we develop young adults of character, who are able to flourish as adults in today's society. We deliberately combine our rich tradition of community service with the school's strong house system. The school's house system brings students of all ages together in many whole school activities and creates friendships which endure, lasting well beyond their years at school. At MGGS we focus on students as individuals, fully engaging with the latest technology available to enhance students' learning.

Our academic curriculum at MGGS provides students with outstanding examination results year on year. In summer 2022 75% of students achieve A*-B grades and at GCSE 56% were grades 9 to 7.

"I love being part of the MGGS community. From day one I felt welcomed into something special. There are so many opportunities for me to try new things and take part in activities that I enjoy. I really feel that my happiness is as important to the school as my academic success." Year 7 Student

MGGS is a Leading Light school, using G Suite for Education, and we have been acknowledged by Google UK as one of the most advanced schools for its integrated use to promote student learning. MGGS is a Computing Hub for the South East, a status awarded by the Department for Education for our high standards in Computer Science. Other notable awards include the British Council's prestigious International School Award in recognition of our work in bringing the world into the classroom. Furthermore, we have been successfully reassessed and have maintained our Quality in Careers Standard, the national quality award for careers education, information, advice and guidance (CEIAG).

We are widely recognised for our broad and balanced curriculum (all students study two languages at Key Stage 3), and our tradition of academic excellence, together with the many enriching extra-curricular activities we

provide for students. We believe that our Curriculum and Sixth Form Extra enrichment programmes are vital to building self-confidence, resilience, and leadership skills in all of our students. We nurture individuality and scholarship to ensure that our young people will go on to take leading roles in society and become happy and fulfilled adults.

Our Results

A Level Exam Results 2022

We are very proud of our students; not only are their academic standards high, but they also develop as confident articulate individuals ready to take full advantage of opportunities as they arise

We see a continued trend of increasing academic results year on year at MGGS, enabling students to pursue their individual goals. They go on to pursue a wide range of pathways, including university study, apprenticeships and employment.

Summer 2022 has seen:

168 students sat a total of 470 A level examinations

44% of all grades were A* or A, with 12 students achieving complete sets of A* grades

75% A* – B grades

92% achieved A* - C grades

A quarter of the cohort have gained places at Russell Group universities with 3 students gaining Oxbridge places, including 2 to study Medicine.

GCSE Exam Results 2022

We are very proud of all the achievements of our talented students, especially their outstanding GCSE results.

Summer 2022 saw our Year 11 students achieve some fantastic results, which was a result of their hard work and resilience over the last two years. It has been a challenging time for all. Our Year 11 students demonstrated their commitment to their education, as well as in managing challenges that others before them have not had to face.

We are extremely pleased to be celebrating the fantastic achievements of our Year 11 students. Our students have risen to the increased challenge of the GCSE specifications and have been very successful. We are very proud of all of their individual achievements and look forward to the next stage of their education at MGGS Sixth Form.

Summer 2022 has seen:

171 students sat a total of 1791 GCSE examinations

56% of grades achieved were 9-7

80% of grades achieved were 9-6

93% of grades achieved were 9-5

*Our School and all its personnel are committed to safeguarding and promoting the welfare of the children.
