We are dynamic and aspirational, have high ambitions, innovate, take calculated risks and do things our own way.

We have staff who go the extra mile and students who actively participate in clubs, societies, sport, music, trips and visits. We have a clear sense of direction, strong values and a passion for learning.

We want someone to share in our desire to provide the best education for our students and be hungry for the success of the school.

Applicants are asked to provide a letter of application no more than two sides of A4, outlining their suitability for the post. Please complete the application form and return both by the closing date.
