## Our Team

Our staff really make our school a special place to work and learn. We value the contribution of each and every individual in school who help us to provide our students with a safe and stimulating learning environment.

We currently have 120 members of staff (64 teachers, and 64 associate members of staff). We also regularly have student teachers in school, all of these people play an important role in our success.

We are split into 7 faculties; Art, Design and Business, English, Humanities, Maths, Modern Foreign Languages, Performance and Science. We work hard to share best practice within our teams and to provide opportunities for staff to grow and develop whatever their role or career aspirations.

# Our Curriculum and Pastoral System

We have a three-year KS3 which provides a broad and balanced curriculum for all our students. All students take courses in English, Mathematics, Science, Design Technology (including Food and Textile Technology), Art, French, History, Geography, Religious Education, Music, Drama, Physical Education, Integrated Studies (personal, social and citizenship education) and Computing.

Students at KS4 will typically be entered for up to 10 GCSEs depending on their 'pathway'.

All students follow GCSE courses in English Language, English Literature, Mathematics, Statistics, and Science. The Science course is worth 2 GCSEs. These subjects are taught in sets.

Students who have demonstrated flair and aptitude in Science also have the opportunity to take Science as an option, allowing them to gain individual GCSE qualifications in Physics, Chemistry and Biology.

Students choose further subjects from a range of other GCSE or vocational courses. Some students may require a more personalised learning and may follow fewer subjects dependant on their personalised needs. The full set of courses currently offered this academic year at KS4 are:

- |                            |                            |

| • Geography                | • Performing Arts          |

In addition to the above examination courses, all students follow non-examinable courses in Physical Education, Personal and Social Education, Careers and Religious Education.

As a school we offer a wide variety of extra-curricular activities and some of these are designed to support our students in their studies.

At King James's School we provide a strong network of pastoral care with the core purpose of ensuring that students feel happy, safe and able to achieve. The fostering of respectful relationships between students, their peers and staff allows everyone to feel a sense of pride in their school community and how it develops.

Student support begins with the form tutors who provide the all-important daily contact with the students. They monitor attendance, punctuality and behaviour and generally ensure students are happy and progressing. They are the first point of contact for parents.

Teacher of Design Technology  
MPS 1—UPS 3

We are seeking to appoint an inspirational and creative teacher to join our successful Art, Design, Business and Computing team. Ideally, you should be a multi-skilled practitioner able to teach across one or more of the Design Technology disciplines; Art, Food, Graphics, Photography, Resistant Materials or Textiles. The ability to teach some lower KS3 Computing would also be desirable.

This is an excellent opportunity for a dedicated and ambitious colleague to join a truly outstanding department in a successful, progressive and happy school.

King James's School is justifiably proud to be one of the highest attaining 11-16 comprehensive school in Kirklees and is regularly, heavily, oversubscribed. The school serves a suburban area and several villages to the south and east of Huddersfield. We became an Academy in September 2012. The school was awarded 'Good' in its November 2019 inspection and consistently achieves excellent grades at GCSE.

'The King James's Way' sets out the values and commitments which lie at the centre of everything we do. Though we are proud of our academic success, we are equally proud of our inclusive approach and first class, wraparound pastoral care.

At King James's School we are proud of our inclusive and supportive working environment. As an organisation that values and nurtures talent, we are committed to helping you fulfil your potential. With a comprehensive training and development programme, tailored to your needs and the requirements of the school, we will enable you to flourish in your role and perform to the very best of your abilities.

We are committed to safeguarding and promoting the welfare and safety of children and young people and expect all staff to share this commitment. All staff will be subject to an enhanced DBS check.

This post involves direct contact with children and is considered to be a regulated activity. This role is exempt for the Rehabilitation of Offenders Act 1974, so most criminal convictions must be disclosed to us. All successful candidates will be asked to undergo an enhanced DBS check, including a Barred List check.

You can find full details of the role and how to apply [here](#).

If you have any questions about the role please call Tracey Brook, PA to the Principal, or email her ([staff.tbroom@kingjames.school](mailto:staff.tbroom@kingjames.school)).

Completed application forms should be submitted by **9:00 on Tuesday 28th March 2023**.
