The school is seeking to appoint an enthusiastic, innovative Teacher of Design Technology to join the Design Faculty. Applicants are invited to express an interest in this role through their application.

The successful candidate will be an outstanding teacher who can demonstrate the ability to:

- Teach Design Technology across the age and ability range up to and including GCSE (the ability to also teach Food and Nutrition to Key Stage 3 would be an advantage)
- Work as part of an extended team to secure continued whole school improvement
- Contribute to the development of a curriculum which enables young people to flourish and develop their curiosity about the world we live in.
- Demonstrate the potential for leadership within the Area of Learning (a TLR 2b payment is available for the Director of Learning role)

As a valued member of our team we can offer you:

- Clear and shared values and expectations with an emphasis on 'achievement for all'
- A commitment to professional development, including Early Career Framework and NPQ programmes

- A stimulating work environment in an Area of Outstanding Natural Beauty
- An experienced, highly committed and supportive leadership team

Nidderdale High School is a member of the Red Kite Teaching School Alliance with both students and staff enjoying the benefits of partnership working within the Alliance. In October 2017, Ofsted judged the school to be 'Good' in all areas of its provision.

If you have the motivation and drive for excellence and want to be part of an enthusiastic, dedicated and well-resourced team, committed to ensuring that all students make the best possible progress in an ambitious school with the desire to be 'Outstanding', we would be pleased to receive an application from you.

Please complete the application form on our website and submit by email to Mrs A Robertson at admin@nidderdale.n-yorks.sch.uk by the closing date. Ensure your application is accompanied by a covering letter (no more than two sides of A4) explaining how your skills and experience will enable you to successfully fill this post.

We are committed to meeting the needs of our diverse community and aim to have a workforce reflecting this diversity. We are also committed to safeguarding and promoting the welfare of children, young people and adults. We expect all staff and volunteers to share this commitment.
