1. Our College

St Richard Reynolds Catholic College (SRRCC) is a vibrant community consisting of a federation of two Outstanding schools: St Richard Reynolds Catholic Primary School and St Richard Reynolds Catholic High School which includes a Sixth Form. It is under the Trusteeship of The Diocese of Westminster in partnership with the RC Diocese of Southwark.

Our community is a place where our young people come first, are loved, listened to, challenged and inspired.

We are part of the Catholic Church and at all times serves as a witness to our Catholic faith in Our Lord, Jesus Christ. Our College is truly part of the community, with many colleagues having connections with parents, students and the Parishes we serve.

We are a one form entry Primary School and a six form entry Secondary School with a growing Sixth Form of over 200 students. The College has a music specialism.

We are excited about the prospect of working with you and hope the information contained within this booklet will help you decide that St Richard Reynolds is the right place for you to continue your career.

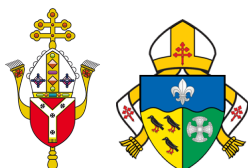

2. Working at our Catholic School

At St Richard Reynolds you will be upholding a vital mission of ensuring all children in our care can "See the Good Things of the Lord". This will be not only through our classroom practice but also in our way of living, behaving, doing things, a way of learning and teaching that is inspired by Jesus' words: "I have come that you may have life and have it to the full" (John 10:10).

When you start working at SRRCC you will be supported by our highly experienced Catholic Community team who will ensure you are comfortable leading a prayer, assisting at Mass and able to embed Catholic Social Teaching in your classroom, day in, day out.

We have a culture where no question is too obvious or off limits. We believe we are all on a journey with our faith and we take seriously our responsibility to ensure that all in our community are supported in their relationship with God.

We welcome teachers of all faiths, or indeed no faith. The value of working together for the enhancement of our mission is a tremendous witness in our pluralistic and richly diverse society.

3. The Role

Teacher of Music

Salary: negotiable; a TLR may be available to a suitable candidate.

Phase: EYFS, Primary, Secondary (inc KS5)

Required: September 2022

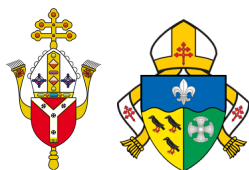

Videte Bona Domini

A rare opportunity has arisen in our outstanding Music department for us to appoint a great teacher. You may be experienced - keen to work in a school that highly values Music - or about to become an Early Career Teacher. We are happy to consider a part time or full time appointment, which could include some private instrumental or vocal tuition alongside classroom teaching.

Our College was established in 2013 with a music specialism, and our department continues to enjoy strong support from the Governing Body. The department is thriving with three classroom teachers, a music specialism Support Assistant, a Musician in Residence, and sixteen skilled instrumental/vocal tutors, many of whom are also involved in the highest levels of professional music-making. Students have weekly music lessons in primary school, alongside hymn practice. At KS3, all students take 3x 50 minute lessons per fortnight in Year 7 and 8, and weekly 50 minute lessons in Year 9. GCSE and A level Music is delivered using the Edexcel syllabus.

The College runs a huge variety of choirs and ensembles, with many large-scale concerts offered every year. Music is also central to the liturgy of our Catholic community.

You will be an exceptional school practitioner (or soon will be) who will want to help us to become an even better College than we are now. Your experience and background may lie in primary, or secondary, music teaching, however some secondary teaching up to GCSE (or A level should you wish) is expected. We would shape the role around your musical areas of expertise, and encourage you to bring your own musical skills and passions into your co-curricular work.

Job Description for Main Scale Teacher

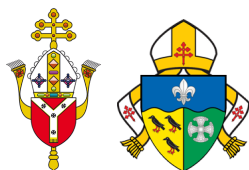

The duties outlined in this job description are in addition to those covered by the most recent School Teachers' Pay and Conditions Document and the National Teaching Standards.

5. The SRRCC Difference

At St Richard Reynolds we believe that our staff are our most important asset and that each one of us, not only the children in our care should be Loved, Listened to, Challenged and Inspired.

We are always looking to recruit good people to join our existing group of outstanding practitioners who work tirelessly across the College; teachers, support staff and Leadership Team alike. We have listened to colleagues' thoughts on what they believe is unique about working at St Richard Reynolds and as a result have been thoughtful in our offer:

<p>Best in Class CPD</p> <p>We consider our teaching to be a major strength of our College and we provide 'best in class' CPD to support this. As a member of staff you will have access to:</p> <ol style="list-style-type: none"> 1. Regular CPD sessions, focusing on learning and teaching and subject scholarship 2. An outstanding ITT provision 3. Leadership Development Programmes 4. Opportunities provided by being the West London Hub for the Chartered College of Teaching. 5. Staff at St Richard Reynolds socialise together with, amongst other things, trips to comedy nights, art and cookery competitions, choir and band, sports teams and our annual "challenge" - so far we've completed the Three Peaks and are canoeing the Wye Valley in 2020. However, we are also aware that sometimes after leaving school, curling up with a good book or enjoying a walk makes our lives, and in turn our teaching, better and so is always encouraged. All staff also have access to a 24/7 confidential Employee Assistance Programme with access to specialist telephone counselling.</p>	

6. Colleague Profiles

**Mrs Morgan
EYFS Teacher**

I joined the College in September 2017 and since then have completed two years teaching our wonderful Reception class. I love coming to work each morning, not just to see the awe and wonder in our 4 and 5 year olds, but also because I work with a great team in EYFS/Key Stage 1. Everyone at SRRCC completes a Learning Inquiry and I have felt this has not only developed my practice but also encouraged me to see beyond my classroom and to feel truly part of the wider College. My children all attend SRRCC and I love being part of the wider Catholic community both within and beyond the College.

**Miss Thompkins
Head of Year 7**

Richard Reynolds is my second school since completing my PGCE and I really appreciate the difference. I joined as a Geography teacher in 2018 and undertook the Leadership Development Programme - run for prospective Middle Leaders in our College. Since completing this I took on the role of Head of Year 7 in my second year here - the fourth year of teaching. I feel I have been really encouraged to develop and have been supported in achieving my career goals. I also really enjoy the social side of Richard Reynolds - we work hard and we play hard and it was a real achievement to complete the Three Peaks Challenge with my colleagues last April.

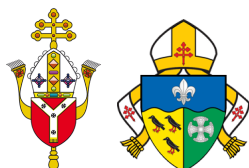

**Mrs Mason:
Subject Leader for
Science**

Science at Richard Reynolds, like all departments has dedicated facilities and a place at the heart of the curriculum. We lead the way for STEM education for girls and boys, working closely with other subjects. I have worked at the College for 4 years and feel challenged, but supported with our results improving year on year. Sharing best practice and forging our own bold new initiatives makes teaching and leading a department at SRRCC hugely rewarding for me.

**Mr Dawswell:
Teacher of English**
I am working at SRRCC after completing a placement here in Spring 2019.

I chose to work at Richard Reynolds as I knew the support and opportunities I would get in my vital NQT year would be second to none. The ITT programme is innovative, supportive and evidence based. I'm never asked to do something I can't see a direct impact of in my classroom, and it's true that it's not just the children who are loved, listened to, challenged and inspired.

7. Application Process
