

Teacher of Design Technology

MPS/UPS (£30,000 - £46,525)

*Permanent from September 2024

The Brian Clarke CE Academy is looking to appoint an exceptional teacher with the ability to teach Design Technology at Key Stage 3 and 4.

The school opened with a founding team of staff in September 2022 to 240 young people and will continue to grow annually to a pupil body of 1200.

This post at a new school is the opportunity that education professionals dream about, being part of a talented and committed staff that is growing a school from Year 7 up; supporting the development of its ethos and embedding that in the community of the school; having the benefit of a brand new building with all the facilities and supported by a local, successful and experienced Trust. Exemplary behaviour and a distinctive ethos based on our strongly held values will create a climate for learning where teachers are supported to deliver exceptional lessons and where pupils flourish.

In brief we are looking for:

- A teacher committed to ambition, excellence and community who will work with staff across the school to drive the growth and development of the Brian Clarke CE Academy to become an outstanding provider for young people.
- An inspiring informed educationalist with a clear understanding of what makes outstanding educational provision for all in their subject domain.
- Someone who will go the extra mile for pupils, not because they are asked to, but because they want to. Someone who will do their utmost to ensure that all of our pupils progress to the future destinations of their choice.
- Someone who will inspire pupils and the staff they work with and build strong relationships with our parents, carers and community partners.

We are recruiting to add to our founding group of exceptional staff in order to achieve our vision and work together to create a genuinely outstanding school. As a teacher of Design Technology you will help shape our provision in this area.

Working for The Brian Clarke CE Academy, means that you would be part of the Cranmer Education Trust, a successful, growing Trust which prides itself on looking after its people, offering a high level of support and access to expertise. This is an excellent time to join the team as we develop collaborative structures and systems to enhance and support our growing family of schools.

Alongside The Brian Clarke CE Academy, the Trust is made up of The Blue Coat School, St Anne's Academy in Middleton and two primary schools, East Crompton St George's and Mayfield Primary. The Trust also incorporates a teacher training school and the East Manchester Teaching Hub; both of which support the training and development of new and existing teachers across the North West of England. For further details please visit <https://careers.cranmereducationtrust.com/>

The Cranmer Education Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The Cranmer Education Trust follows safer recruitment practices. This post is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020 and appointment is therefore subject to a satisfactory enhanced disclosure from the Disclosure & Barring Service.

For further information please refer to:

- the Cranmer Education Trust's Safeguarding and Child Protection Policy [Trust Policies | Cranmer Education Trust](#).
- The Trust's statement on the employment of ex-offenders, in the job details' documents section.
- The job description and person specification for further information regarding the safeguarding responsibilities of the role.

Please note CVs are not accepted

Closing date for applications: **9am Friday 16th February**

Interviews: **Tuesday 27th February**

*** The successful candidate must be available for new staff induction days on Thursday 29th and Friday 30th August**
