Let us be United by Knowledge

Mercia School (11-18+) opened in September 2018 and has grown incrementally each year since then. We now have pupils in years 7-12, have published exceptional GCSE results this summer and we opened our Collegiate Sixth Form in September 2023.

We are a traditional school, and aspects of our approach and practice are like other highly effective schools across the country. We have a strong reputation for educational excellence and have been the most over-subscribed school in the city for the last three years. In February 2023 Ofsted inspected the school and graded all aspects of provision and overall effectiveness to be outstanding.

Our aim is to provide all pupils, no matter what their background or starting point, with a rich, coherent, and demanding education, facilitated by a longer school day.

This ultimately equips and inspires them to progress to university or a high-quality alternative. We care about every pupil and want the absolute best for them.

Our school is a warm and welcoming place where all pupils feel happy and safe and can flourish. Staff are free to teach without distraction and deliver exceptional lessons, and leaders focus persistently on what matters.

We believe in the following:

- All pupils deserve an exceptional education.
- Extremely high and explicit expectations of everyone.
- Consistency and predictability.
- A longer school day, family lunch and silent corridors.
- Exemplary pupil conduct and behaviour.
- Ambitious, carefully considered, skilfully sequenced knowledge-rich curriculum, expertly delivered by teachers to all pupils.
- A coherent and fully accessible enrichment offer for all pupils.
- The development of character so that pupils are kind and work hard every day.
- Exceptional pupil outcomes and the development of pupils as rounded and ambitious citizens.
- Education as the vehicle to drive social mobility.
- Exceptional professional support and development of staff, and a culture of continuous improvement.

We wish to recruit, develop, and retain the best staff, and we have a strong commitment to reducing the workload for teachers.

Mr Chris French
Chief Executive Officer

Realising Potential. Transforming Lives.

At Mercia Learning Trust, we believe that if education is about anything, it is about social mobility and social justice. We are a 2-18+ cross-phase Trust based in south and southwest Sheffield, serving a range of diverse communities. Our mission is simple: to ensure every child, irrespective of background, starting point or need, attends an exceptional school.

Our seven schools (four primary and three secondary) are very effective, continuously improving, and over-subscribed. Several are sector leading at a city, regional and national level, and there is much expert practice.

We are proud that our schools are inclusive, warm, welcoming places where all pupils feel happy, safe and are able to flourish. For us, flourishing means being part of a vibrant school community, where exceptional behaviour, kindness and respect are the norm, and where pupils want to work hard and succeed.

The Trust is especially focused on our most vulnerable children

We operate within a model we call 'Aligned Autonomy'. Each school retains its authentic identity, in its own context and community, and we celebrate difference. The common theme is that we all embrace an improvement journey through which we become exceptional. This means leaders and staff share similar challenges, and often work together to find common and scalable solutions.

We employ a diverse and exceptional staff across the full range of teaching, non-teaching, and leadership roles. We are acutely aware that these are our greatest asset. We cannot prosper as schools or a Trust, and fulfil our mission for children, unless we can recruit, develop, promote, and retain the very best people. We also understand the importance of attracting new entrants into teaching, are a substantial provider of Initial Teacher Training and provide fantastic support for Early Career Teachers.

We expect a great deal from staff and understand that working within schools is rewarding and fast moving, but also demanding. We promote ethical leadership to ensure strong support and professional development, coupled with a commitment to well-being and maintaining a healthy work-life balance.

MLT is a great Trust with a clear vision, robust schools, effective central functions, and is led by talented staff and leaders. We have a strong identity, a positive culture, and an effective model of operation.". Followed by "Our scale and location enable us to function as a close-knit network and family of schools and professionals. While we are pleased with our current position, the Trustees are ambitious for further development and improvement.

Working for the Trust also offers the opportunity to reside in the vibrant city of Sheffield, renowned for its sports, leisure, and cultural activities. Sheffield boasts more parks, open spaces, and trees than any other city in the UK. Additionally, the picturesque Peak District National Park borders the west of the city.

We welcome applications from those who subscribe to our mission and values, and in turn we commit to being a Trust where staff can prosper, flourish, and build their career.

REASONS TO JOIN MERCIA SCHOOL

1 OUTSTANDING SCHOOL

Mercia is one of a small number of schools that is graded as outstanding, and one of the best schools in the country. You will have access to sector-leading practice. Outcomes are exceptional.

2 TEAM

You will join an ambitious, talented and positive team of leaders and staff.

3 SUPPORT

Leaders and teachers have fantastic initial and on-going support to fulfil their roles. Senior Leaders work hard to support teachers and ensure their time is protected.

4 EXCEPTIONAL BEHAVIOUR

Pupils at Mercia behave impeccably. We believe teachers should be able to teach and pupils should have an appetite to learn. Our centralised and consistent behaviour systems improve well-being for all.

5 WORKLOAD

We remove all unnecessary tasks that take time away from supporting pupil learning. We have reduced data and administration tasks. Teachers have lower contact ratios compared to most schools, so they have more time to prepare great lessons. Teacher time is focussed on teaching, supporting pupils and administration in the working day and no work is taken home.

6 TIME

We have a longer school day which is designed to support pupils and staff. Within this time all pupils receive great lessons, access a full enrichment programme and undertake homework in assisted 'self-study'.

7 PROFESSIONAL DEVELOPMENT

All staff receive an exceptional induction, and consistent on-going support and CPD. You will work alongside exceptional colleagues.

8 RETENTION

Retention is high and staff are happy and proud of their school. They have a good work-life balance and have a sense of belonging. We are all driven and motivated by our mission.

9 FAMILY DINING

Family dining is special. We all eat together as a family and collectively show gratitude to our community. Teachers are catered for free of charge.

10 ENRICHMENT

Teachers teach and lead pupils in their areas of interest or expertise outside of the 'normal' curriculum. Teachers offer sport, STEM, music, drama, the arts and much more. Strong relationships are built and forged in these moments.

11 SUPPORT

Pupils and parents are very committed and supportive, and relationships are strong.
