**Teacher of Drama and English  
(Full-Time – Permanent – Required for September 2022)**

Following the promotion of the current postholder to Head of Drama at another school, The Bewdley School is seeking an exceptional teacher of Drama and English to join our highly skilled Drama and English teams. Whilst the current vacancy is a full-time Drama teaching post, there is sufficient skill and enthusiasm for Drama within the English team to offer considerable flexibility, in terms of proportions of Drama and English taught. At present Drama is taught as a double lesson (105 minutes) to all KS3 students and is offered at GCSE and A level.

It is essential that candidates can teach Drama to GCSE, with the potential to teach A level Drama. There is a strong culture of performance in the school with an extremely strong Music offer. This post would be highly suited to someone relatively new to the profession, and would offer the opportunity to shape and develop both the school's Drama curriculum and the successful candidates own career, alongside a dedicated team who will offering outstanding support and guidance.

The Bewdley School, serving the Georgian town of Bewdley and on the banks of the River Severn, is a fully inclusive and comprehensive school. Students are hungry to learn, their behaviour for learning having been described in past reviews as 'stunning'. If you would like to work with skilled colleagues in a supportive environment, where you are free to communicate your passion for your subject, please visit us.

We seek a colleague who has:

- Exceptional energy and enthusiasm
- A real depth of understanding of, and love for, their subject

- The optimism to imagine a better future

In return we offer:

*This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.*
