

## Teacher of Drama (Maternity cover)

Part Time

Start date: January 2022

Salary: Main Pay Scale/Upper Pay Scale (Suitable for ECTs)

Here at the Costello School we are proud of our broad and balanced curriculum that places equal emphasis on all subjects. We are passionate about preparing students for the world in which we live, and for jobs that may not yet exist.

Drama in its own right is a subject that students enjoy, that fosters creativity and curiosity, and that transcends the curriculum with its links to many other areas. If you share our passion for the subject we'd love to hear from you. You will work in the dedicated Creative Arts faculty with specialist teachers in music, art, dance and drama, a fully equipped drama studio, Main Hall with whole school production stage and setting, and excellent undertake in the arts as co-curricular opportunities.

Drama is taught weekly in KS3 and has a popular and increasing uptake at KS4. Most importantly, it is taught to our wonderful, bright-eyed, inquisitive and charming students, who you will be proud to have developed.

You will join a close knit team of specialist art providers who deliver across their 4 subjects in dedicated classrooms. As part of the high performing Bohunt Education Trust you will benefit from support from other subject practitioners and leads with dedicated INSET time for co-planning, marking and moderating. We invest heavily in staff wellbeing knowing that if we look after our adults, then they, in turn, can look after our students.

If you can:

- Inspire and innovate
- Nurture and develop (yourself as well as others)
- Commit to, and raise further, high achievement and motivation

Then get in touch. In return we can offer:

- A supportive learning environment with a team that will make you think everyday
- The opportunity to make a difference to the lives of our young people
- Happy and enthusiastic students who want to learn in our amazing school
- The benefit of being part of a multi-academy trust offering the support of experienced colleagues across our schools and greater opportunities for career progression
- Significant investment in your professional development, recognised by Hampshire with its top award for NQT provision

The role is for a maternity cover, expected to last for the remainder of the academic year 2021/22.
