Are you an ambitious and motivated teacher of drama? We are looking to appoint an innovative teacher, who is passionate about their subject and has a genuine interest in promoting the understanding and lifelong value of drama beyond the classroom. We want a colleague who believes in providing a rich and exciting education for our students and develops their desire to learn more about the subject.

North Bromsgrove High School is an exciting place to work and learn, and is one of the quickest schools in the country to move out of special measures in only nine months. It is on a very positive trajectory due to our shared belief in providing well-delivered lessons that lead to positive outcomes in an environment of which promotes excellent behaviour and high aspirations for all.

North is an exciting, vibrant and friendly school, enjoying enviable facilities. Our vision is to enable our students to become confident, ambitious and successful in their chosen fields, by reinforcing our CARE values: Community, Aspiration, Respect and Endeavour. We treat every child as an individual, prioritising academic excellence through continuous reflection and focus on self-improvement across all areas of the school.

You will benefit from joining a large creative arts team of supportive and experienced colleagues. As the school grows from strength to strength, our student numbers are flourishing, and the team is expanding. We had our biggest cohort of Year 9 who joined us in September 2021 and the sixth form provision has broadened, also leading to greater numbers.

North also benefits from its location: it is just south of Birmingham and attracts many staff from that area via a short commute; it is also between the M5 and M42 hence providing ease of access for staff travel.

We are looking forward to reading letters of application from experienced teachers, particularly those experienced in teaching drama, or from newly qualified entrants to the profession; NQTs enjoy a full programme of support, or for more experienced colleagues, we are delighted to be able to offer access to National College leadership programmes through our Teaching School partnerships, including NPQML and NPQSL

We can offer you:

- Large Drama Studio with modern lighting and sound facilities
- The hall is fitted with a full lighting rig, sound studio and staging that is used for events
- The area benefits from a creative arts' technician to support the team of art, food and drama
- Involvement in the annual School Musical
- An opportunity to lead an Extra-Curricular opportunities for Drama Students
- Strong links to our feeder schools drama and creative departments
- We are a very friendly Creative Arts Faculty with staff who are all specialists in their areas
- Staff teach the BTEC Tech Award in Performing Arts - Drama

Ofsted recently reported that our students 'conduct themselves well in lessons and at unstructured times', are 'friendly and courteous' and that 'teachers are ambitious for students to achieve their best....'. (May 2019).

*This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. The successful candidate will undertake an Enhanced Disclosure via the DBS, where appropriate.*

**Closing date for applications:**

**Thursday 26 May at 9 a.m.**

**Interviews will be held on:**

**Friday 27 May 2022**

***Interviews will involve working practically with a group of students based on a mind performance.***
