Gryphon
School

TEACHER OF ECONOMICS

START DATE: SEPTEMBER 2023

SCHOOLS ACHIEVING SUCCESS TOGETHER

SHERBORNE AREA SCHOOLS' TRUST

March 2023

Dear Applicant,

Thank you for expressing an interest in the post of Teacher of Economics at The Gryphon School.

Accompanying this letter is information about the School and the Department which we hope will provide you with everything you need to know to apply for the post. The School website gives further details about us.

This is a permanent, full-time post commencing in September 2023. Our new recruit will join a team of professional, experienced and able specialists, dedicated to continuing to provide the high level of teaching to which our students have become accustomed.

We are seeking to appoint an ambitious, creative and inspiring teacher or ECT with energy, enthusiasm and a love of Economics.

The successful candidate will:

- Have a passion for all aspects of economics
- have excellent communication skills and have the ability to embrace and contribute to the vision of the Department and school
- be able to build relationships quickly
- show respect to others and be able to embrace the ethos and values of the School
- be positive, optimistic, caring, kind and approachable
- be willing to be immersed in the life of a busy and successful school
- have the ability to support, challenge and inspire our students, encouraging them to achieve the best they can through the promotion of outstanding teaching and learning

The Gryphon is a wonderful place to work and has a special atmosphere and feel. It became a founder member of the Sherborne Area Schools' Trust (SAST) a multi-academy trust established in June 2017. The Good Schools Guide 2023 concludes that 'A big school with a small school feel is exactly right. No child goes unnoticed and teachers seem to be genuinely motivated to see pupils progress to the best of their ability. An impressive capacity to cater for extremely different academic needs in a nurturing environment. No wonder it's over-subscribed'.

We are an outward looking school with exceptional community links as well as strong relationships with other good and outstanding schools across the South West and nationally.

We are a comprehensive school serving a diverse community. Our high quality support staff make a real difference to our students. Teaching is often outstanding, and consistently at least good across all subjects and key stages. Teachers are provided with the resources to make lessons stimulating and practical and have excellent subject knowledge. They make sure students are very clear about what is demanded of them and how to improve. The School's very positive entry in the Good School Guide describes pastoral care and discipline as 'excellent'. Students are reflective, behave with great courtesy, and are heavily involved in working with staff to improve the school and the welfare of others.

The Gryphon gains high results for its students at both GCSE and A Level. Our large Sixth Form of 380 students is exceptional. We have an outstanding record of success in university entrance, including places at Oxford, Cambridge and other Russell Group universities, as well as for training places and apprenticeships.

Our 2022 GCSE exam results were, once again, excellent. 24 students achieved ten or more 7s, 8s and 9s with many staying on to attend The Gryphon Sixth Form.

Additionally our A level results were excellent with 29 students receiving straight A and A* results including three students heading off to Oxford and Cambridge, and three students going on to study medicine.

In May 2022 our inspection as a Church School (SIAMS) judged us to be Excellent. Our most recent Ofsted visit, in November 2017, was very positive and confirmed our status as a “good school”. Our focus, which reflects our Church School status, is that we should be a “10:10” school; where students and staff experience life in all of its fullness. So for us education is more than just exam results – we place great value on the personal development of each student. We aim for them to leave school as well-rounded young people with a strong sense of what is socially, morally and culturally acceptable, and to feel that they have a contribution to make to the wider community. Digital learning is important at The Gryphon School including the use of mobile technology; we want our young people to use technology responsibly and to enhance their learning.

In summary, we are a true team with a great sense of pride in what we collectively achieve and we embrace the challenge for achievement to be even higher. Our special culture and ethos focuses on enabling students to be the best that they can, both personally and academically, supported by the tremendous work and care of all our staff. We continue to strive to be outstanding in all aspects of school life.

We are looking for someone with high expectations, a love of their subject, the ability to inspire and also laugh whilst enjoying the challenges of this role. You need to be a team player with the inner determination to develop continually, picking up the best ideas from around the world in education. In return, you will join a Department that is full of activity, rewarding and friendly. We have a great record for supporting and developing all of our staff through our own training and links with NCSL providers.

You are very welcome to visit us in advance of an application or to contact us to find out more.

Very best wishes,

N J Edwards

You are asked to provide the following:

- A completed application form
- A letter of application of no more than 2 sides of A4 detailing your experience and expertise

Completed applications should be returned either by post, marked 'Confidential' to HR Recruitment Team, Shaftesbury School, Salisbury School, Shaftesbury, Dorset, SP7 8ER or by email to:

recruitment@sast.org.uk

Should you wish to arrange a visit to view the School, please do not hesitate to contact Caroline Rabbetts, Office Manager on caroline.rabbetts@gryphon.dorset.sch.uk or at 01935 810101 who will be happy to arrange this.

SAST will conduct online searches of shortlisted candidates. In line with KCSIE guidance, this will be part of safer recruitment checks, and the search will purely be based on whether an individual is suitable to work with children. As care must be taken to avoid unconscious bias and any risk of discrimination, a person who will not be on the appointment panel will conduct the searches and will only share information if and when findings are relevant and of concern.

The Gryphon School, part of the Sherborne Area Schools Trust, has an absolute commitment to safeguarding and promoting the welfare of children. The Trust and School follows the national and Somerset policies and procedures for child protection and security and the interview will include questions about safeguarding children. Current and/or previous employers will be contacted for references as part of the verification process pre-appointment checks if the applicant is short listed. The successful applicant will be required to undertake an enhanced disclosure check with the Disclosure and Barring Service.

Sherborne Area Schools' Trust (SAST) recognises the benefit of having a diverse workforce and is committed to building a workforce which reflects diversity from the communities it serves. SAST values the contributions from all staff from a wide range of different backgrounds and actively seeks to promote an environment that is free from discrimination and harassment and at the same time supports fair promotion and cultural acceptance. Under the provision of the Equality Act 2010 SAST welcomes applications from everyone and operates a recruitment process which is fair and does not discriminate against or disadvantage anyone because of their age, disability, gender reassignment status, marriage or civil partnership status, pregnancy or maternity, race or nationality, religion or belief, sex or sexual orientation.

This role is UK- based and your right to work will need to be established as part of the appointment process.

ECONOMICS DEPARTMENT – USEFUL INFORMATION

The advertised position represents an excellent opportunity in terms of leading Economics and working with the Business department. The department has a large student uptake for both Economics and Businesses courses. The departments' strengths lies in the experience, and commitment of staff, the positive relationships with pupils and a genuine desire to keep raising standards and encouraging our students to be the very best they can be.

The Economics department consists of a Head of Department who works closely with the Head of Business Studies and a Teacher of both Business and Econmoics who is also a member of our SLT.

The department has its own classrooms equipped with interactive whiteboards and a range of other resources.

The courses in the Economics Department

The department currently has three sets of Economics in Year 10 and 2 sets in Year 11, teaching the AQA GCSE specification. Despite the covid disruption students have continued to produce excellent results at GCSE level with over half the cohort securing grades 8 or 9 last summer. Teachers teach 2 hours per week to each class with a focus on microeconomics in year 1 and macroeconomics in year 2.

In addition we follow the AQA Specification at A level, typically with 1 set in each year group. Teaching here is split with Stuart Lawson currently teaching the microeconomics part of the course and Ali Copp on the macro side. Students have 9 hours per fortnight, split typically 5 hours of micro and 4 hours of macro. Results are consistently strong, last year with a 100% of grades A-B and 38% achieving A* grades and 76% A*- A.

<http://www.aqa.org.uk/subjects/economics/as-and-a-level/economics-7135-7136>

Every year there are several candidates applying for university degree courses in Economics and a number applying to Oxbridge, (last year 4 applied). The department offers support, encouragement and preparation for such applications as well as supporting those doing EPQs in Economics related subject areas.

Links with the Business Studies Department

The two departments together have an extensive programme of 6th form courses. Alongside the Economics there will typically be two sets of AQA Business Studies A-level in each of Year 12 and 13 next year. Year 12 BTEC Enterprise and entrepreneurship is also available. In total this means we have 72 lessons of Business and Economics courses in the sixth form – 18 of Economics, 36 of Business and 18 of BTECs. GCSE Business also is very popular with over 85 students in 4 groups. There is close co-operation between the departments and the ability to teach across a range of both GCSE and A level courses is a great advantage.

Beyond normal classes there are opportunities to develop the supra curricular opportunities in the department such as Target 2.0 and share trading experiences. We have links with both local independent schools and other maintained schools in Shaftesbury and Dorchester with a view to developing greater collaboration, sharing some resources as well as discussing developments and approaches in the subject.

SHERBORNE AREA SCHOOLS' TRUST (SAST) INFORMATION

SAST is a multi-academy trust, formed in June 2017, of seven schools serving the West and North Dorset area as well as students from South Somerset. Currently, there are 17 schools with more than 5,000 students and over 850 members of staff. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 4 secondary schools including a state boarding school and Sixth Form and a large 11-18 secondary school with a Sixth Form of over 400 students. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-academy trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years.

What we value – our ethos:

Partnership and Collaboration

Our schools support each other, by sharing expertise and resources, to ensure improvement.

Pursuit of Excellence

We provide a high-quality education to enable all students and staff to aspire, thrive and succeed.

Holistic Lifelong Learning

We promote the personal development of every child and a love of lifelong learning for our students and staff.

Equality and Distinctiveness

We celebrate the individuality of each school and all in it. We are proud to be at the heart of our local communities.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every School to continue to provide an excellent education for all our students while protecting the school's role at the heart of its community, along with our unique qualities and strengths.
