Teacher of Economics & Mathematics

Malton School

ECT/MPS/UPS

1FTE

Required from September 2026

Closing date: Friday 15th May 2026 at 9am

Interview date: Wednesday 20th May 2026

Malton School

A Specialist Science School

Dear Applicant,

Thank you for your interest in the post of Teacher of Economics and Mathematics at Malton School. This is an outstanding opportunity for an excellent practitioner to join a student centered school within an ethically focused MAT.

This document aims to give you some information about the school and the application procedure.

We are seeking to appoint a Teacher of Economics (at A Level) to join the highly successful and supportive Maths, Business and Computing Faculty to start from September 2026. The successful candidate will also contribute to the teaching of Maths in Key Stages 3 and 4 or one of the other subjects in the faculty.

Please note, we do not produce a job specification for teaching posts as we expect our staff to meet and uphold the National Teaching Standards, these can be found on the Gov.uk website

<https://www.gov.uk/government/publications/teachers-standards>

The school operates an iPad for Learning Scheme. Every member of staff has an iPad, as well as a laptop and all students have an iPad.

The school has joined [Pathfinder Multi Academy Trust](#) and [Teaching School Hub](#) and we are also a member of the [Red Kite Teaching School Alliance](#). We share staff development programmes and opportunities within the MAT and the alliance, including leadership development and support for early career teachers.

I hope you will be interested in this post and I look forward to reading your application.

Yours faithfully,

Rob Williams
Headteacher

Job Title

Teacher of Economics & Mathematics

Reports to

Faculty Leader for Maths, Business & Computing

Grade

ECT/MPS/UPS

Additional Information

Completed application forms should be posted or emailed to:

About Malton School

Malton School

A Specialist Science School

A friendly school providing a happy environment for personal development

Malton School serves a wide rural area of Central Ryedale, as well as the town of Malton itself. We currently have 1041 students on roll, including 254 in the Sixth Form; there are 62 teaching staff and 72 support staff. We are fully comprehensive. Our staff student relationships are excellent. Behaviour is extremely good. Most of our students move on to university and many of them to Russell Group universities. We offer a very happy and supportive community in which colleagues can further develop their career. The school is over-subscribed.

The school operates an iPad for Learning Scheme. Every member of staff has an iPad as well as a laptop and all students have an iPad.

The school has joined the [Pathfinder Multi Academy Trust](#) and [Teaching School Hub](#) and we are also a member of the [Red Kite Teaching School Alliance](#). We share staff development programmes and opportunities within the MAT and the alliance, including leadership development and support for early career teachers.

Benefits of working at Malton School

The school prides itself in being a supportive employer, offering favourable terms and conditions to facilitate outstanding teaching and learning. Some of the main additional benefits of working at Malton School include:

- PPA above the national expectation in response to staff delivery of a Personal Development Activity (PDA – see below).
- A strong bespoke staff development programme for all staff.
- Access to Employee Assistance Program
- Apple Distinguished School – your practice will be enhanced by having an iPad to utilise in the classroom.
- Being part of the Pathfinder MAT family.
- Membership of the Red Kite Teaching

Malton School was judged Good with Outstanding Sixth Form Provision in December 2023

Maths, Computing and Business Faculty

The Maths, Computing and Business Studies Faculty is one of the largest Faculties in the school. It is made up of 12 teachers who teach subjects from Maths, Further Maths, Core Maths, Computer Science, IT, Digital Media, Economics and Business Studies. Within the Faculty Team there is a Faculty Leader, an Assistant Faculty leader, a Numeracy Lead and a Lead Practitioner. The Faculty is made up of experienced staff, ECT's, staff that teach within a single subject and also staff that teach across multiple subject areas.

We offer a wide range of subjects across the Faculty giving students of all abilities opportunities to study subjects like Maths and Computing through KS4 and into KS5. As a Faculty we recruit particularly well in KS5 with over a third of the Summer 2025 KS5 results coming from within the Faculty, with Economics playing a major role in this. As a Faculty we are at the forefront of cutting edge teaching, using technology to support our students' learning through the use of the iPads, OneNote, the school VLE and 3 Computer Rooms with industry standard software such as Adobe Creative Suite.

The Faculty is fully on board with the schools coaching model and has embraced the Walkthru programme, with staff identifying areas of their own pedagogy they wish to work on, and then collaboratively working in Faculty meeting time to discuss these. Staff in the Faculty also utilise the school's CPD programme, identifying relevant CPD for their own needs to help them progress their own teaching further, this has led to staff being involved in NPQ programmes, working with local Maths Hubs, completion of Apple Teacher qualifications and Tutor2U Economics CPD.

We are seeking a committed and innovative Economics teacher to deliver engaging and high-quality lessons to A-level students. The Economics cohort has consistently grown in size since we started offering the qualification in September 2021, and we are looking for an exceptional candidate to build upon this success, continuing to drive improvements in outcomes and student engagement. In recent years we have delivered the Edexcel A course, this involves students studying:

- Year 12: Theme 1 (Microeconomics) ; Theme 2 (Macroeconomics)
- Year 13: Theme 3 (Microeconomics) ; Theme 4 (Macroeconomics)

The curriculum is taught in a linear fashion, allowing students to develop a deep and structured understanding of both micro and macroeconomic principles over the two-year course.

The Mathematics Department is one of the most forward thinking with technology in the school, all members of the Department teach from their iPads and use their Apple Pencils to model solutions directly to the Apple TV's in their classrooms. The school benefits from a bespoke CPD plan for teachers. Staff in the Mathematics Department have completed CPD on Mastery Maths teaching, the use of Desmos and Geogebra in lessons as well as a CPD focus this year on 'addressing misconceptions' and 'Mathematical Oracy'.

Maths is taught in a 'paperless' way in all Key Stages

with all students completing their classwork and homework on their iPads using Microsoft OneNote, this has had a positive impact on the quality of teaching and learning in recent years. The use of Microsoft OneNote and Teams has also allowed the staff in the Maths Department to work collaboratively, sharing best practice and resources easily whilst allowing for both live marking and assessment in lessons to help reduce staff workload.

Mathematics is taught across the 11-18 age range with a wide curriculum offer in both KS4 and KS5. Students in KS3 receive six and a quarter hours of Maths lessons a fortnight and are banded within the schools setting structure into 6 groups.

In KS4 students have seven and a half hours of Maths teaching a fortnight, students are setted into 8 different groups with smaller class sizes than in KS3. At GCSE students follow the AQA Mathematics course and some students also get the chance to study the AQA Level 2 Certificate in Further Mathematics or the AQA Functional Skills Mathematics courses. The Department has made huge strides in KS4 in recent years with Maths GCSE progress and attainment figures amongst the best in the county.

In KS5 we offer A-Level Mathematics, A-Level Further Mathematics and Level 3 Mathematical Studies (Core Maths) all these courses are delivered alongside the AQA specifications. Due to our success in KS4, these KS5 courses have recruited well in recent years with us now consistently having 40+ students studying A-Level Mathematics in each year group with often 10-15 of these students also studying A-Level Further Mathematics. Those studying A-Level Mathematics get eight- and three-quarter hours of teaching per fortnight.

The School Curriculum

We operate a four-period day within a ten-day cycle. Each lesson is 75 minutes long. Students have 26 hours curriculum time each week, with the extra hour on a Thursday set aside for personal development (see below).

Key Stage 3

Students are placed in mixed-ability form groups. In Year 7, teaching is in mixed ability groups. In Years 8 and 9 setting is for Science, Maths and the group of subjects English, Geography, History, French, Spanish and Religious Education.

Key Stage 4

English (including Literature) Maths, Double Science, Religious Studies and Physical Education are compulsory. Students then choose four further options subjects (10% of curriculum time each). Where students choose triple science, this takes up one of their 4 option blocks.

Key Stage 5

Advanced Level courses are currently taught in Biology, Chemistry, Computer Science, Design Technology, Economics, English Language, English Literature, Fine Art, French, Geography, History, Maths, Maths (Further), Music, Photography, Physics, Physical Education, Politics, Psychology, Religious Education, Spanish and Sociology. BTECs are offered in Food Science, Health and Social Care, and Sport and Cambridge Technicals are offered in Information Technology, Business Studies, Digital Media and Performing Arts. Re-sit GCSE courses are also offered in English and Maths, together with an open access provision for IT skills acquisition.

Personal Development Activity

One hour per week is devoted to personal skills development. Staff offer nearly 40 different courses. Students choose a different course each term. The scheme is focused on character education and the development of the whole child. New members of staff would be expected to contribute to this programme.

Citizenship

Citizenship is taught to all students in Years 7 to 9 for one period per fortnight. This builds on a well-established programme of Personal & Social Education, complementing tutorial work and linking into the Careers programme.

Academic Structure

The academic work of the School is structured in Faculties. Each Faculty is led by a Faculty Leader and an Assistant Faculty Leader. In-service training is managed in consultation with Faculty Leaders. Funding for books and equipment is derived from a formula which takes account of the numbers and ages of students as well as the nature of the subject. Faculties are also able to bid annually for additional funding from the School budget, the Endowment Governors and the PTA.

The School Site

We are fortunate to enjoy a large site on the edge of Malton with views of both the North York Moors and the Yorkshire Wolds. The sports field accommodates three hockey, four football, one rugby and one cricket pitch. As well as an athletics track and hard court tennis

courts / netball courts. Staff can use our sports facilities in the excellent sports centre. There is plenty of parking space for staff.

Malton School was founded in 1547, becoming a comprehensive school in 1971 with the merger of the original grammar school and the neighbouring county modern. The two buildings, known as East and West Wings, date from 1911 and 1958. As far as possible, subject departments are housed in one wing. Most members of staff are based permanently in one room.

We opened a new Science block with four new laboratories in 2004 on becoming a specialist Science School. Our Food Technology rooms were totally refurbished in 2011. In February 2011 Archbishop Sentamu opened a community sports centre and full-sized, floodlit, astroturf pitch on the school site, providing us with the best P.E. facilities in the area. A dance and drama studio was opened in September 2013. Fully refurbished DT rooms opened in September 2016. A new 4 classroom Humanities block was opened in September 2021. We recently opened an improved library and set of music facilities in September 2024.

Pathfinder

Multi Academy Trust

About Pathfinder Multi Academy Trust

Providing an excellent education from age 2 to 19

Setting the course

Formed in August 2016, Pathfinder is a successful well-established Multi Academy Trust serving more than 6,000 children and their families.

We are a flourishing and supportive learning community. A partnership of like-minded Church and Community Schools, where a clear and ambitious vision of a high quality inclusive education **sets the course** and permeates across all areas of school life. Pathfinder has a proven track record of **leading the way**. We are a Trust with strong examination results, high

Leading the way

quality teaching and learning, an inspiring curriculum, excellent opportunities for personal development and a wide, varied programme of extra-curricular opportunities.

We understand that achievement comes in many different forms and work collectively to **serve and inspire**, nurturing aspiration and promoting excellence in all our pupils. We value the uniqueness and diversity of each of our schools, celebrating this distinctiveness and the contributions they make to the wider Pathfinder community.

Benefits of working at Pathfinder

Our range of employee benefits aims to support the health and wellbeing of our staff ensuring they are valued and supported throughout their time at work.

Staff benefits platform

Our dedicated employee benefits platform Vivup provides staff with access to all of our benefits in one easy to use and convenient place. Vivup also provides exclusive benefits through their platform, including discounts from major retailers as part of the lifestyle savings benefit and the option to spread the cost of purchasing items straight from your salary through the home and electronics and cycle to work benefits.

Lifestyle savings

Save on everyday essentials, enjoy money off at the movies and browse frequently updated deals across retail, food, shopping, travel, family essentials, dining out, leisure activities and much more. The lifestyle savings benefits include:

- Frequently updated discounts from the UK's leading retailers
- Updates to offers and discounts sent directly to your email
- New offers, brands, retailers and discounts added on a weekly basis

Home and electronics

Spread the cost of purchasing a range of tech, homeware and essential appliances from Currys, John Lewis and more with payments taken automatically from your salary. The home and electronic benefits include:

- An alternative to expensive credit cards and pay day loans with no deposit or credit check required
- Spread the cost of essential items via fixed monthly salary reductions
- Access a huge range of products for the home and garden including the latest tech products
- Fast home delivery within days of authorisation

Cycle to work

Save up to 42% on the latest bikes, high-vis clothing and safety accessories for your commute to and from work. The cycle to work benefits include:

- Staying fit, healthy and focused
- Avoid expensive petrol, parking and public transport costs
- A huge range of tax free bikes and safety equipment from one convenient location
- Spread the cost throughout the year with manageable reductions direct from your salary

TES Magazine subscription

All Pathfinder employees have unlimited access to the online TES magazine keeping you up to date with the latest education news, analysis and teaching and learning knowledge.

Pension Scheme

As an employee of Pathfinder Multi Academy Trust you are offered membership of either the Teachers' Pension Scheme; or for support staff, the Local Government Pension Scheme. As well as employee's paying contributions into the scheme (banded, based on earnings level) Pathfinder also pays into the scheme on your behalf at the following rates (regardless of earnings):

Support Staff Pension Scheme

Pathfinder contributes an additional 20.4% of your salary

Teachers' Pension Scheme

Pathfinder contributes an additional 28.68% of your salary

Employee Assistance Programme

Making sure everyone at Pathfinder gets the support they need whatever their worries, the Employee

Assistance Programme provides specialist counselling and resources 24 hours a day, 365 days a year. The service is completely confidential and provides support by telephone or online from specialist call handlers and counsellors who understand the demands of working in education. You can also access:

- Emotional support and counselling
- Specialist information on work-life balance
- Financial and legal advice
- Management consultation to support those responsible for managing others
- Up to six sessions of face to face or telephone counselling
- Access to online Cognitive Behavioural Therapy (CBT)
- Information on local services such as elder care and childcare

Discounted bus travel

As part of the First Bus Commuter Travel Club, Pathfinder staff benefit from discounts on work and leisure travel using First Bus services. The benefits of the Commuter Travel Club include:

- Savings on discounted monthly bus tickets
- Unlimited bus travel within your chosen zone
- Mobile tickets delivered straight to the free First Bus App
- Automatic monthly ticket renewal
- Spread the cost of annual travel
- Price frozen for 12 months
