An exciting opportunity has arisen to appoint an outstanding teacher to join our high performing Economics/Business studies department. We also offer GCSE Economics and Business studies and student attainment is equally impressive.

The OCR GCSE and GCE A Level specifications are delivered by a dedicated team of six specialist teachers, all of whom are graduates of the subject. The department prides itself on the professional development of its staff, who benefit from the support of experienced and passionate colleagues with a track record of delivering impressive outcomes for students. There is an average class size of 25 students at GCSE and 20 students at A Level and the subject is very popular with students. Of the nearly 250 students studying the subject at A level, many go onto study Economics at elite Russell Group/Oxbridge universities.

The opportunity to teach Edexcel GCSE Business is also available depending upon the experience and interests of the successful applicant.

We are seeking a highly qualified and ambitious graduate of Economics/Business studies to inspire our amazingly talented young people to realise their dreams. Brampton Manor Academy is a dynamic and high performing school but not complacent about the challenges that lie ahead; we are constantly seeking ways to further improve the quality of education on offer to the young people in our care, knowing the transformative impact it can have on their life chances. **A TLR allowance will be available to a suitably experienced applicant to take on additional responsibilities within the department as a key stage leader.**
