

Matravers School

The Business and Vocational Department

Inspire the next generation of entrepreneurs. We're looking for a dynamic, innovative and aspirational teacher of Economics/Business to join a high-achieving, supportive team that is serious about great lessons, strong routines and excellent outcomes.

Why join us

- High standards, high support: You'll be backed by a collaborative team focused on high-quality teaching, clear expectations and purposeful CPD.
- Great infrastructure, great rooms: 3 dedicated classrooms with 40+ PCs, flexible layouts for Sixth Form and KS3/4, interactive whiteboards, and a laptop for every teacher.
- A department on the move: You'll be joining at an exciting time as we refine a coherent, ambitious curriculum and drive outcomes even higher.

What you'll teach

- KS4: Pearson BTEC Business.
- KS5: Pearson Level 3 Business Studies
- KS3 enrichment: Lead and grow our thriving Enterprise Club (Years 7–9).

What we're looking for

- A teacher who loves their subject, explains with clarity, and builds excellent learning habits.
- A colleague who believes in every pupil, and brings energy, organisation and ambition.
- An ability to teach Economics/Business is essential. We can support colleagues who have no vocational teaching background.

What we offer

- Strong curriculum resources
- Coaching and CPD tailored to your stage—ideal for both early-career and experienced teachers.
- A strong team that shares, refines and improves practice together.
