1. Our College

St Richard Reynolds Catholic College (SRRCC) is a vibrant community consisting of a federation of two Outstanding schools: St Richard Reynolds Catholic Primary School and St Richard Reynolds Catholic High School which includes a Sixth Form. It is under the Trusteeship of The Diocese of Westminster in partnership with the RC Diocese of Southwark.

Our community is a place where our young people come first, are loved, listened to, challenged and inspired.

We are part of the Catholic Church and at all times serves as a witness to our Catholic faith in Our Lord, Jesus Christ. Our College is truly part of the community, with many colleagues having connections with parents, students and the Parishes we serve.

We are a one form entry Primary School and a six form entry Secondary School with a growing Sixth Form of over 200 students.

We are excited about the prospect of working with you and hope the information contained within this booklet will help you decide that St Richard Reynolds is the right place for you to continue your career.

2. Working at our Catholic School

At St Richard Reynolds you will be upholding a vital mission of ensuring all children in our care can “See the Good Things of the Lord”. This will be not only through our classroom practice but also in our way of living, behaving, doing things, a way of learning and teaching that is inspired by Jesus’ words: “I have come that you may have life and have it to the full” (John 10:10).

When you start working at SRRCC you will be supported by our highly experienced Catholic Community team who will ensure you are comfortable leading a prayer, assisting at Mass and able to embed Catholic Social Teaching in your classroom, day in, day out.

We have a culture where no question is too obvious or off limits. We believe we are all on a journey with our faith and we take seriously our responsibility to ensure that all in our community are supported in their relationship with God.

We welcome teachers of all faiths, or indeed no faith. The value of working together for the enhancement of our mission is a tremendous witness in our pluralistic and richly diverse society.

3. The Department

The Social Sciences faculty at St Richard Reynolds is passionate about their task in ensuring that all students achieve their potential. The Economics curriculum fits perfectly into the faculties desire to be dynamic, challenging and carefully sequenced. Our ultimate aim is to ensure that all students make great progress, and we endeavour to achieve this by helping our students to attain the grade according to their ability and expectation, whether that be a grade C or an A*, or any grade in between.

The department is currently very well led and Economics is a very popular subject in the 6th Form. We are looking for an inspirational practitioner who would love to work in a dynamic department, and in a College which values the importance of finance, business and all issues regarding the international economy. The post would suit an NQT or a more experienced practitioner.

You will appreciate and be excited by the knowledge that:

1. The department supports curriculum development across all key stages in our College: EYFS to KS5
2. You will become part of something very special for the Catholic and wider community in this part of South West London.
3. Our commitment to continued professional development means that you will learn and be developed in an environment which is committed to excellence.

4. The Role

We are looking for an outstanding part time Economics Teacher who can teach A-level with the subject knowledge to deliver high quality lessons to ensure great learning. Salary negotiable dependent upon calibre and experience.

5. The SRRCC Difference

At St Richard Reynolds we believe that our staff are our most important asset and that each one of us, not only the children in our care should be Loved, Listened to, Challenged and Inspired.

We are always looking to recruit good people to join our existing group of outstanding practitioners who work tirelessly across the College; teachers, support staff and Leadership Team alike. We have listened to colleagues' thoughts on what they believe is unique about working at St Richard Reynolds and as a result have been thoughtful in our offer:

<p>Best in Class CPD</p> <p>We consider our teaching to be a major strength of our College and we provide 'best in class' CPD to support this. As a member of staff you will have access to:</p> <ol style="list-style-type: none"> 1. Regular CPD sessions, focusing on learning and teaching and subject scholarship 2. Staff at St Richard Reynolds socialise together with, amongst other things, trips to comedy nights, art and cookery competitions, choir and band, sports teams and our annual "challenge" - so far we've completed the Three Peaks and planned canoeing the Wye Valley in 2020. However, we are also aware that sometimes after leaving school, curling up with a good book or enjoying a walk makes our lives, and in turn our teaching, better and so is always encouraged. All staff also have access to a 24/7 confidential Employee Assistance Programme with access to specialist telephone counselling.</p>	

6. Colleague Profiles

**Mrs Morgan
EYFS Teacher**

I joined the College in September 2017 and since then have completed three years teaching our wonderful Reception class. I love coming to work each morning, not just to see the awe and wonder in our 4 and 5 year olds, but also because I work with a great team in EYFS/Key Stage 1. Everyone at SRRCC completes a Learning Inquiry and I have felt this has not only developed my practice but also encouraged me to see beyond my classroom and to feel truly part of the wider College. Having come from working solely in a Primary School I can see so many advantages of working across the College. My four children all attend SRRCC and I love being part of the wider Catholic community both within and beyond the College.

**Miss Thompson
Head of KS3**

Richard Reynolds is my second school since completing my PGCE and I really appreciate the difference. I joined as a Geography teacher in 2018 and undertook the Leadership Development Programme - run for prospective Middle Leaders in our College. Since completing this I took on the role of Head of Year 7 in my second year here - the fourth year of teaching and am now Head of KS3. I feel I have been really encouraged to develop and have been supported in achieving my career goals. I also really enjoy the social side of Richard Reynolds - we work hard and we play hard and it was a real achievement to complete the Three Peaks Challenge with my colleagues last April. I am now completing my Masters in Education, supported by the College.

**Mrs Mason:
Subject Leader for
Science**

Science at Richard Reynolds, like all departments, has dedicated facilities and a place at the heart of the curriculum. We lead the way for STEM education for girls and boys, working closely with other subjects. I have worked at the College for 5 years and feel challenged, but supported with our results improving year on year. Sharing best practice and forging our own bold new initiatives makes teaching and leading a department at SRRCC hugely rewarding for me.

**Mr Dawswell:
Head of KS5 English**

I am currently in my second year at SRRCC after completing a placement here in Spring 2019. I chose to work at Richard Reynolds as I knew the support and opportunities I would get in my vital NQT year would be second to none. The ITT programme is innovative, supportive and evidence based. I'm never asked to do something I can't see a direct impact of in my classroom, and it's true that it's not just the children who are loved, listened to, challenged and inspired.
