“Pupils are polite and show respect to each other as they calmly move around the school site”

“Leaders have a strong moral purpose to match the curriculum to the pupil.” Ofsted January 2018

As a consistently oversubscribed, expanding school we are seeking to appoint a Teacher of Economics. Applications would be welcomed from candidates who are ready to take responsibility for the delivery of high-quality teaching and learning for one of our newest Post 16 subjects. More widely, the subject sits within the Social Sciences faculty. As a result, candidates that could offer Business Studies or Law would have the opportunity to teach across the faculty. Furthermore, this provides the subject a network of supportive professionals to help embed any new candidate into the role. Lessons would be broadly based in our dedicated Sixth Form centre and successful candidates would also enjoy the role of KS4/KS5 tutor.

As part of the Warriner Multi Academy Trust we offer excellent opportunities for career progression and CPD. We have a very supportive ethos and as such our community looks after each other, both staff and students. Student behaviour across the school is very good and students are encouraged to reach their full potential by our dedicated staff.

The Warriner School enjoys a good reputation locally, with dedicated colleagues and enthusiastic students. Staff have high expectations for all students and work enthusiastically to continue raising attainment and achievement. The Warriner School is the ideal location for you. We are situated in the North Oxfordshire village of Bloxham, only a five minute drive from the historic market town of Banbury. We also benefit from a 120 acre working farm which is utilised for teaching purposes across the whole range of subjects. This is also the platform for our sixth form students to prepare for careers in the veterinary field with past students being offered university places based on this alone.

A job description and application form is available from our website: <https://www.thewarrinerschool.co.uk/vacancies> or Mrs Trish Morgan, PA to Headteacher at recruitment.4007@warriner.oxon.sch.uk

Please note we can only accept CVs as supporting documentation when submitted along with a fully completed school application form.

All schools within the Warriner MAT are committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment. The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references.

Closing Date: Monday 14th February at **1pm**

Interviews will take place on Thursday 17th February
