

**Teacher of Engineering/Design Technology - suitable for NQTs  
Engineering UTC Northern Lincolnshire (Scunthorpe)**

Required for: ASAP

Permanent, Full Time Contract

Salary Range: MPS/UPS (a TLR may be available for the right candidate)

**This is a unique opportunity to teach within a growing UTC.**

An excellent knowledge and understanding of Engineering and/or Electronics and Design Technology is essential. You must possess the skills and determination to make a significant difference to the lives of our students equipping them with the skills and characteristics needed to ensure they are at the front of the queue for the best apprenticeships and university places. This role is suitable for NQTs or experienced teachers.

The Engineering UTC is a 13-19 school (PAN 600) in Scunthorpe town centre which is supported by an impressive list of local, regional, national and multi-national companies and by educationalists with a track record of success. The University of Hull is the lead educational supporter of the UTC.

The curriculum and facilities are cutting edge and lead to apprenticeships in the engineering industry. The technology driven specialisms of the UTC focus on Manufacturing, Design and the associated engineering skills. As well as providing students with high levels of technical skills these specialisms are the inspiration for underpinning learning in the main STEM subjects. The UTC curriculum and ethos enable students to become confident and independent through active and experiential learning. We have created a high-level engineering professional environment and we have a very friendly ethos, with positive relationships at the heart of our vision.

We are an Ofsted Good school and on a fast-paced trajectory of continuous school improvement. You will be joining a highly successful department with some of the best Engineering results in the country. You will work with the Assistant Principal on developing and creating exciting Employer projects for students to experience engineering and technology subjects in 'real life' work situations.

If you are interested in this role, we invite you to contact the Principal, Anesta McCullagh at [a.mccullagh@enlutc.co.uk](mailto:a.mccullagh@enlutc.co.uk) or the Head of Department and Assistant Principal, Claire Reet [c.reet@enlutc.co.uk](mailto:c.reet@enlutc.co.uk)

The UTC is committed to safeguarding and promoting the welfare of children. All appointments will be subject to a satisfactory enhanced DBS disclosure.

Completed application forms should be returned to our Business Manager, Jo Wilby at [j.wilby@enlutc.co.uk](mailto:j.wilby@enlutc.co.uk)

**Closing date: Wednesday 10<sup>th</sup> February 2021 at 3.00pm**
