

## UTC Sheffield City Centre, Teacher of Engineering / Design & Technology

**NOR:** 600 (360 at Post-16)  
**Age range:** 13-19 years  
**Start:** Easter 2024 or as soon as possible  
**Salary:** £30,000 - £46,525 dependent on qualifications and experience

UTC Sheffield Academy Trust provides a new and dynamic education. We opened our City Centre site in September 2013 specialising in Engineering and Creative & Digital Media and then opened our second UTC on the exciting new Olympic Legacy Park in Sheffield in September 2016 offering opportunities for students in Health Science, Computing and Sports Science. UTC Derby Pride Park joined the Trust in December 2019 offering Engineering and Health & Life Sciences. All 3 UTCs in the Trust are judged as 'Good' by Ofsted.

We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally. Our destinations are testament to our success with students progressing to Russell Group Universities including Cambridge and securing higher level apprenticeships and employment at companies including McLaren, Boeing, Toyota, Bauer Media, BP and the Royal Navy.

You will work alongside the Principal Alex Reynolds and the UTC staff to further develop a centre of excellence focusing on Engineering & Manufacturing and Creative & Digital Media. Under the direction of the Curriculum Director you will support the delivery of a range of qualifications. These include the Cambridge Nationals in Engineering and GCSE Design Technology at KS4 and the Level 3 Cambridge Technical in Engineering and A-level Design Technology at KS5.

In September 2024, the UTC will commence the delivery of the T Level in Engineering Design and Development. The successful candidate will create additional capacity in the department to ensure the successful implementation of the T level through ongoing planning, employer engagement and the successful securing and delivery of work placements.

You will be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer-led technology rich environment. Effective partnership working is absolutely critical to the UTC's success. We also welcome applications from early careers teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals. Resilient, driven and focused who will continue to drive forward a pioneering institution at the heart of the Sheffield City Region and its communities.

The Sheffield UTC Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce and Industry.

**Closing date:** Midnight on Sunday 18 February 2024      **Interviews:** w/c 19 or 26 February 2024

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. Successful applicants will be required to have an enhanced DBS check and will be subject to safer recruiting procedures.
