

Lord Williams's School

Sic itur ad astra a tous venaunts

BRIEF FOR THE POSITION OF **Teacher of English** (full- or part-time)

February 2023

Lord Williams's School is a thriving and popular comprehensive school. It is the only secondary school in Thame, a market town of 12,000 people, set in attractive countryside within easy reach of Oxford (12 miles), Aylesbury (9 miles), London (45 miles via M40) and the Chilterns. The school receives students from the town itself and several nearby villages. Particular attention is paid to each individual student by promoting their personal, social and educational development to enable all to achieve at the highest level possible.

Our school mottoes are:

***Sic itur ad astra (thus the way to the stars)
a tous venaunts (for all comers)***

The school is fully comprehensive and was formed in 1971 by the amalgamation of Lord Williams's Grammar School, founded in 1559, and the Wenman Secondary Modern School. The Grammar School site on Oxford Road has been developed for students in Years 10-13 and the other site at Towersey Road has become the Lower School for students in Years 7-9.

Lord Williams's School has been judged 'Good' by Ofsted in May 2022:

"Pupils are proud to attend this school. Staff have high expectations for pupils. Pupils get off to a flying start at the lower school... In the popular sixth-form, students study a wide range of academic and vocational courses." *Ofsted, 2022*

As a result of our continuing success, Lord Williams's School is consistently oversubscribed.

The school's Published Admission Number was 320 students per year and rose to 350 from 2022, giving us the exciting opportunity to develop the facilities on both sites using Section 106 expansion funding. We work very closely with our partner primary schools in the Thame Partnership to ensure a smooth transition from Year 6 to 7. There is a Sixth Form of 540 and a total school roll of over 2200. There are 300 teachers and support staff.

We promote high quality teaching and learning. We attract talented, committed and conscientious teachers who produce stimulating and challenging learning activities helped by experienced support staff. Teamwork is a key feature of our work. We are an inclusive school; we cater for all abilities and we provide access for all students. This is reflected in our work with the more able, with students with a range of learning and other difficulties and in our admissions policy for the Sixth Form.

We hope you will be interested in working at Lord Williams's School and look forward to receiving your application.

Jon Ryder, Headteacher

Teaching & Learning

Teaching is organised through faculties with strong team structures for organising learning activities and curriculum materials. Teachers are always keen to build on proven best practice and to incorporate new ideas into their work. TeachMeet groups are just one of a number of opportunities for staff to focus on the quality of the learning experience.

Our school is committed to the principles of Assessment for Learning and has a long history of working with leading practitioner, Dylan Wiliam.

Students are placed in tutor groups within year teams led by a Head of Year and Pastoral Support Officer. Most teachers are tutors.

High priority is given to supporting students with special needs including those who are most able. As far as possible students with learning difficulties are supported within mainstream classes.

The school incorporates the Communication and Interaction Resource Base for children on the autistic spectrum, with speech, language and communication needs. Most of the students spend time in mainstream lessons supported by a teacher or teaching assistant.

The success of a school depends upon the strength and cohesion of the entire staff. Colleagues enjoy administrative support from the team of support staff. We have skilled and dedicated teams who work well together throughout the school; this creates a very positive atmosphere.

The Governors are keen to appoint people of considerable all-round ability with commitment to maintain and develop our work.

The school is an equal opportunities employer and welcomes applications from all sections of the community, irrespective of gender, ethnic origin, sexual orientation or disability.

Examination Results

The 2022 GCSE results were historically our best set of results ever with 77% of students achieving 5 or more 9-4 grades (including English and Mathematics at 4+). A figure of 75% achieving both English and Mathematics at grade 4+ put us in the top 13% of schools for value-added on this measure in 2019. This builds on consistently strong student performance at Key Stage 4 over the past 5 years.

In Mathematics, the school had another year of excellent performance at 4+ grades, with 82% of the cohort achieving this measure. In English, the 9-4 figure was 82% of the cohort and in Science, 83% of the cohort achieved 9-4 grades in the 'Trilogy' GCSE. The 2019 FFT analysis shows 17/20 subjects achieving positive value added scores, with 9 subjects being significantly above expectation, including English Language, English Literature, Mathematics and Science

At A-level, we achieved another record outcome, following on from the disruption of the last two-three year, with 58% of our grades being awarded at A*-B. We are an inclusive Sixth Form and are providing improved life chances for a significant number of students. Just over 80% of Year 13 students normally go on to study with higher or further education providers and usually, a quarter secure places at Russell Group universities.

Working at Lord Williams's School

Staff Development

At Lord Williams's School particular attention is paid to staff development and to staff participation. Each year all staff have the opportunity to review their work and discuss their ideas for the future.

Training is provided to support changes and the particular needs of staff. There is a comprehensive internal training programme and colleagues are also supported to attend external training and events. As a large school, there are many opportunities for career progression.

Support for newly qualified teachers includes a reduced timetable, a planned induction programme and mentor support.

The school has a strong partnership with the Oxford University Department of Educational Studies. We take part in its PGCE programme which is school focused with interns and tutors working with school staff in a co-operative way. It has brought considerable stimulus to our own staff development work.

Facilities

The school has excellent teaching facilities and each faculty has its own dedicated suite of rooms on both sites. The Sixth Form has its own separate accommodation on the Oxford Road site. The Foundation Centre, formerly a boarding house, has been developed to provide Sixth Form facilities.

A number of building projects have been completed recently including a new science and mathematics building, astro-turf pitch, vocational skills centre and dedicated dance & drama studio. The expansion to 12 form entry from 2022 will allow us to further enhance the provision.

Extra-curricular activities

Lord Williams's School offers a wide range of extra-curricular activities, in many of which it has excelled, especially in dance, drama, music and sport. All Year 8 students take part in a week's outdoor education camp in July. The intention is to cater for the interests and abilities of all the students and to encourage everyone to participate.

Students are involved in adventurous activities throughout school, all the way up to the World Challenge Expedition in the Sixth Form. There is a thriving Duke of Edinburgh's Award Scheme, with over 300 participants and 70 volunteer helpers.

Staff Benefits

Salaries and Pensions

The school follows the Pay and Conditions of staff determined by Oxfordshire County Council.

Teaching Staff

Pay and conditions of service set out in the current School Teachers' Pay and Conditions Document and Teachers' Pension Scheme (TPS).

Support Staff

Pay and conditions of service set by the National Joint Council for Local Government Services and the Local Government Pension Scheme (LGPS).

All Staff

Lord Williams's School recognises previous continuous service with any Local Authority (or one of its constituent authorities under the Local Government Act 1972) which runs up to the date on which employees start working with us.

Moving to Oxfordshire

The Government's **Help to Buy** initiative is designed to help people purchasing their first home. Further information may be obtained from: www.helptobuy.gov.uk.

Accommodation at Lord Williams's School

To ease the transfer to Oxfordshire, Lord Williams's School has its own on-site one bed-roomed flats and bedsits which are available on short-term lets.

Childcare

Lord Williams's School has a popular, purpose-built Day Nursery which cares for children aged from 6 weeks to 5 years. Based on the Oxford Road site, the Nursery accommodates 39 babies/children of staff and members of the local community. The Nursery is open during term time and half term breaks. School staff have priority for places.

Teacher of English

General

Thank you for your interest in the post. We wish to appoint from September 2023 a well-qualified, enthusiastic and committed Teacher of English. The post is full- or part-time and permanent. The position would suit an ECT or experienced teacher.

This is an excellent opportunity to join one of Oxfordshire's largest and most successful schools. Effective administrative systems support the two sites. Students are well-behaved and motivated, and there is a strong sense of community in Thame, with a committed parent support base.

We are exceptionally strong in terms of pastoral support for all students and have the highest expectations for individual achievement whatever the starting points. Outside the classroom there are wonderful extra-curricular activities for all. Students leave the school successful and well-rounded individuals. There is a 'buzz' about learning in the school and our students are fortunate to be supported in their learning by dedicated teachers and support staff. Staff training and professional development are always a developmental priority and many of our staff move on to promotions in other schools.

The School

The school is the only school serving the market town of Thame and surrounding villages. It is a popular school and always oversubscribed. It is a split site school – Years 7-9 on our Lower School site and Years 10 -13 on our Upper School site. There are around 540 students in our Sixth Form and we attract many students from other schools, post-16. Teamwork is a key feature of school life and so is partnership with our feeder primary schools. There is a strong drive to establish powerful curriculum links cross phase with teachers collaborating on a range of projects.

The English Faculty

Key Stage 3

English at Key Stage 3 is taught in mixed ability tutor groups. Most classes are well-supported by teaching assistants. For Year 9, we run targeted learning days, where students are grouped by attainment. Sessions are focussed on preparing for upcoming assessments. We also have a series of 'Masterclass' lessons taught after school during the year where we work with our most able students on a variety of different topics.

Key Stage 3 is well resourced with schemes of work, a resource bank and course outlines for each year group. Lots of ICT resources are also available for each unit in each year group and we are continually updating and adding to these. There is a strong tradition of sharing resources and collaborative planning at Key Stage 3.

Key Stage 4

Students are still taught in mixed ability groups in year 10, apart from two top sets and two intervention groups. All students at Key Stage 4 follow the AQA syllabus and the vast majority of students are entered for both English Language and English Literature. We have remained with AQA for the GCSEs which were first examined in September 2017. Our Literature set texts are the Power and Conflict cluster of poems, Romeo and Juliet, Jekyll and Hyde and An Inspector Calls.

In year 11 we create two extra groups so that all classes have fewer students and therefore more access to the time and support they need. Our results are consistently above the county and national averages. Since the arrival of the new specification at GCSE, around 87% of our students have achieved a 4+ in either Literature or Language each year.

Teacher of English

Key Stage 5

The English Faculty offers English Literature, English Language and Media Studies at Key Stage 5 and all are very popular subjects. Specifications are provided by Edexcel for Language and Literature. The KS5 Media course is a BTEC in Creative Media Production provided by Pearson.

Resources

A brand new English block is under construction at the Upper School site and will be open for September 2023. In addition to the dedicated accommodation for students and staff on both sites, the Faculty is supported by extensive library facilities. There are three libraries, for Key Stage 3, Key Stage 4 and Sixth Form use respectively and they are managed by qualified staff throughout the school day.

Extra Curricular Activities

We run annual theatre trips when available and visits to lectures for Sixth Form and Key Stage 4 students. The Most Able students take part in a number of different activities and we are always seeking new companies to come into school to widen the variety of performances offered to students. In 2019 we took one hundred Year 11 students to the Globe theatre. We take three hundred Year 9 students to Stratford each year and the Shakespeare Birthplace Trust have recently run workshops in school.

Application

We hope you are interested and want to follow up with a firm application. Apply using the Teacher Application Form on our website and include a covering letter.

In your letter you should:

- State why you are interested in the post
- Identify and explain which aspects of the job description would match your skills and experience.
- You may also choose to include details of your particular interests.

Completed applications should be sent to personnel@lordwilliams.oxon.sch.uk

Contact number for telephone enquiries: 01844 210621

The closing date for receipt of applications in the school is **9am on Monday 20th February 2023.**

Lord Williams's School is committed to safeguarding and promoting the welfare of children and vulnerable adults and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.

Teacher of English

Post:	Teacher of English
Salary:	Teachers' Main Scale/Upper Pay Scale
Hours:	This post is full- or part-time and permanent
Line Management:	Teacher with TLR Post -Head of Faculty - Curriculum Deputy - Head

Introduction (and General Duties)

This job description should be read in conjunction with the current School Teachers' Pay and Conditions Document and the provisions of that document will apply to the post holder.

The performance of all the duties and responsibilities shown below will be under the reasonable direction of the Headteacher, or other Senior Manager if appropriate, who will be mindful of his/her duty to ensure that the employee has a reasonable workload and sufficient support to carry out the duties of the post.
