Further Details

About the English Department: We are a well-established and thriving department of 14 teachers including several part-time members of staff. The department is currently run by two joint Heads of Department, supported by an Accelerated Reader Leader and a temporary Literacy Development Lead.

English is taught in specialist rooms in the Main School for Years 7-13. The department is equipped with a wide range of texts, and we cater for changes to the curriculum across all key stages. All schemes of work/lesson resources are developed and collated by the whole department and stored in a central area. There are visualisers in all classrooms and some of our rooms also have Inter-active White Boards. The department makes full use of the Open Learning Centre (OLC), an open access multi-media resource centre, and we also benefit from a teaching room with 20 dedicated computers as well as a laptop trolley which allows for more flexible use of technology within a range of lessons. The OLC library is well resourced and well used, providing a focal point for research and private reading during lessons and at lunchtimes. The department is dedicated to improving the reading ages of all our students and we use the Accelerated Reader scheme in Years 7 – 8, along with Rapid Reader and other interventions to support our literacy students throughout KS3.

Students are grouped according to ability throughout Years 7-11. Provision is made in each year group for all students to make excellent progress and to achieve their targets in English through our exciting and challenging curriculum. We look carefully at our long term planning at KS3 to ensure that students are being equipped with the skills which are needed at KS4.

Exam Board: AQA

About the role:

A well-qualified and innovative teacher of English is required to join a successful and enthusiastic department. The candidate should be well motivated and energetic with a willingness to contribute to the development of the subject, the quality of teaching and the pastoral life within Notre High Dame School

Appointment to this post would lead to the opportunity of working in an extremely successful, core department within a popular school.

The appointed member of staff would teach across Key Stage 3 and 4, with the possibility of Key Stage 5 English Language or Literature.

Professional Development

At Notre Dame the ongoing professional development of all staff is a key priority. Our view is that we can always improve, not because we are not good enough but because we can be even better at what we do and that this in turn will ensure the very best outcomes for our students. We also aim to help staff to be ready for their 'next step' in their careers whatever that might be.

In order to achieve these aims we:

- have an ethos of 'learning together' through joint practice development which is conducted in a supportive and developmental way. Staff are encouraged to take risks and use research and evidence- based approaches to improve their classroom practice.
- encourage staff to be reflective and take the lead in their own professional development so that their individual needs are met
- assign Learning improvement coaches to all departments to provide bespoke training and development
- have a three-year ECT programme to fully support those new to the profession. This involves meeting together in groups to share and develop best practice and working with a coach on an individual basis
- provide trainee mentoring programmes for those moving in to new positions for example middle and senior leadership

The ability and enthusiasm to contribute to extra-curricular activities in school would be an advantage.

Please state clearly any other subjects offered.
