Welcome

Dear Applicant

Welcome to Cheslyn Hay Academy. We hope that the following information provides an insight into our school and encourages you to consider working here.

Cheslyn Hay Academy is committed to doing its best for all its students. We believe in high expectation and high achievement for all students, ensuring every lesson counts for every child. Our school is characterised by openness, warmth, challenge and support where all are encouraged to become independent learners and unconditional regard underpins all that we do. We endeavour to equip our young people with the qualities, skills, qualifications and values that will enable them to lead fulfilling lives and become responsible citizens.

Our ambitions for our students are that they are safe, happy and cared for in a secure and supportive high school environment, that they are supported and challenged to do their best through excellent teaching, a comprehensive curriculum and a wide variety of experiences. We want our students to be successful, whether through academic qualifications or a more vocational route, so they can move on to the next stage of their life. We also want them to develop emotionally, intellectually and morally so that they are able to thrive in the rapidly changing, multicultural society in which we live.

Supporting and growing staff is equally as important to us and there is a strong professional development programme for all staff. This may be through national courses/qualifications,

coaching and mentoring or in-house CPL sessions. Staff are encouraged to share good practice across departments and other schools within the Trust. We have a strong programme of support for trainee teachers, NQTs and RQTs. A significant number of our staff progress to middle and senior leadership posts both within and beyond our school and trust.

Although built in the late 1970s, the school's accommodation is in excellent condition, providing staff and students with a pleasant and effective working environment. Faculties are accommodated in their own suite of subject-specific rooms and facilities include a staff workroom, a central library and a multipurpose theatre. We also have a sports centre, providing an extensive range of sporting opportunities, including a swimming pool, five court sports hall, gym, spinning studio, multipurpose suite, netball and tennis courts and state of the art floodlit football and hockey pitches. We have a purpose built Sixth Form Centre accommodating Aspire Sixth students and an Independent Learning Centre (ILC) with 75 computers for private study, accessible by all students. Our modern Café and Snack Bar was designated as a 'Centre of Excellence' by Staffordshire County Council. Our Achievement Centre (The ACE) provides an area for small group work, mentoring and literacy or numeracy support.

Headteacher

What makes WAT WAT?

The Windsor Academy Trust family

Windsor Academy Trust (WAT) is a family of schools committed to unlocking students' academic and personal potential.

We put children at the centre of everything we do, delivering excellent education to 7,000 students aged 2 to 18 driven by 1,000 committed, inspiring and talented staff.

Established in 2011 with Windsor High School and Sixth Form, our family has grown to nine successful schools. We currently have five primary and four secondary schools in the West Midlands, all located within 45 minutes of each other. Our family reach will be expanding with two new secondary free schools due to open and further plans for growth.

We believe that children achieve their best in a climate of high expectations where staff are motivated and empowered. We combine a shared experience of primary and secondary schools and promote collaboration across all our schools in our search for excellence.

Teaching and learning is at the core of our work. This is underpinned by a culture of continuous improvement and an extensive programme of professional learning for our staff.

We are a leading provider of professional development and teacher training. We work in partnership with the Teacher Development Trust to deliver NPQs and Capita and University of Birmingham as a delivery partner for the ECF. We have developed exceptional teachers, leaders and professional services staff for our schools and school trusts across the country for over a decade.

We are incredibly proud of what we have achieved in our first 10 years. Through collaborative leadership and future thinking, our vision is to continue to grow and provide the highest quality education to enable every student to realise their potential. A powerful component of this success is the synergy of primary and secondary collaboration and our innovative approach.

Building on our first 10 years and striving to reach new frontiers, we have developed a compelling new strategy that will power WAT into the second decade.

9 Schools

1,000 Staff

7,000 Students

Why we exist: A shared moral purpose

We exist for one shared moral purpose to **unlock academic and personal potential**.

We want our students to aspire and to become all and more than they ever thought they could be. Students who know who they are and the sort of person they want to be; students who have discovered their passions; students who have high hopes and dreams for their futures and a clear sense of purpose; students who want to make a difference in their communities and in the world and therefore students who understand the importance and value of education as a powerful driver for the greater good.

The WAT Aspire Mountain, developed for our students, depicts a student at the summit of the Aspire Mountain where their academic and personal potential has been unlocked.

WAT equips students with the compass, empowering them to navigate their way to their summit. The four points of the compass are:

knowledge, skills, values and attitudes. WAT puts the compass in the student's one hand and the world in the other.

What we do

We develop high-performing schools that raise aspirations, inspire learning, build character and cultural capital, power social mobility and enable all students to thrive and make a difference in their communities and the world.

How we do things: WAT Values

Everything we do is underpinned by five values:

- **Pride in Excellence:** We have high expectations and work hard.
- **Respect:** We behave with integrity and honesty and foster equality.
- **Responsibility:** We all take personal and collective responsibility.
- **Collaboration:** We purposefully collaborate for the benefit of all.
- **Bold/innovative:** We are future thinking and shape the future.

How we succeed: WAT Approach

Alongside our values we have five components of the WAT Approach to accomplishing success that are embedded in our Powering into the Second Decade Strategy.

- **Alignment through collaboration** - The 'WAT Way' sets out our codified approaches. These codified approaches are developed collaboratively and are grounded in research and informed by impactful practice
- **Inspire and develop people** - We inspire and develop people and continuously strive for excellence
- **Grounded in research** - We are consumers and generators of research and our approaches are informed by research
- **Keep things simple and communicate clearly** - We ensure our message is understood and over communicated
- **Civic and system leadership** - We collaborate, support others and make a real difference in our communities and to the education system expectations and work hard

WATs Five Big Moves: 2022-25

We have identified five big moves we will make through our Powering into the Second Decade Strategy.

01 / Big Move One

Develop **high performing schools** where every student unlocks their academic and personal potential

02 / Big Move Two

Build staff talent by developing inspiring, research informed staff

03 / Big Move Three

Drive education for the greater public good to create social value and deliver **civic** impact

04 / Big Move Four

Instil an ethos and ability to care for the natural environment now and in the future, to become carbon neutral and one of the most **sustainable** school trusts in the country

05 / Big Move Five

Expand the **WAT family reach** through support for other schools and trusts and through sustainable growth

The graphic below illustrates ‘What Makes WAT WAT’. It outlines our aims, values and the five big moves that enable us to unlock academic and personal potential.

Our values are at the heart of everything we do, and a way of working that inspires us to achieve our aims. Our five big moves are the turbo boosters that focus our efforts and drive us to succeed. Collectively, this provides a clear vision and shared understanding that is displayed across the WAT family every day.

Safer Recruitment In Education: Information For Applicants

- WAT is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.
- We have a number of policies and procedures that contribute to our safeguarding commitment, including our child protection policy which can be viewed at windsoracademytrust.org.uk/governance.
- It is an offence to apply for the role if you are barred from engaging in regulated activity relevant to children.
- Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare.
- We will ensure that our concerns are discussed with parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare.
- We actively support the Government's Prevent agenda to counter radicalism and extremism.

What we will provide:

All applicants for all vacant posts will be provided with:

- a job profile outlining the duties of the post; including safeguarding responsibilities.
- a person specification which will include a specific reference to suitability to work with children.

All applications for employment will be required to complete an application form online, containing questions about their academic and full employment history, and their suitability for the role.

In addition, all applicants are required to account for any gaps or discrepancies in their employment history.

References

References will be requested with your consent, at the selection stage directly from the referee.

Interviews

At least one member of each interview panel will have completed Safer Recruitment Training. The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

Pre-employment checks

- It is an offence to apply for the role if the applicant is barred from engaging in regulated activity relevant to children.
- An enhanced DBS check is required for all successful applicants.
- Prohibition, overseas and section 128 checks will also be completed if necessary.

Leading Academy Trusts: Case Study

People are our most precious resource. We are proud of how we support, develop and retain the best staff to enable our children to unlock their academic and personal potential.

We strive to be an employer of choice and feature as a case study in Sir David Carter and Laura McNerney's book, *Leading Academy Trusts: Why some fail, but most don't*. You can read the case study below.

Windsor Academy Trust Case Study

Why developing people within a culture of praise, collaboration and celebration is so critical to the success of Trusts - Keith Sorrell (CEO, 2015-2021) and Dawn Haywood (CEO) of Windsor Academy Trust.

People are the most precious resource that a multi-academy trust has, and so core to the philosophy of Windsor Academy Trust (WAT) is to be an employer of choice - recruiting, supporting, developing and retaining the best staff so that we can provide the best experience for our children, enhancing their academic and personal potential. WAT is a family of nine schools - four secondaries and five primaries in the West Midlands - all within 45 minutes' drive of each other, enabling us to create meaningful collaborations at every level.

One of our core strategic aims focuses on people and leadership to ensure that there is a steady pipeline of excellent and talented staff who have both the capacity and capability across our trust to drive school improvement and create our own self-improving system. But what does this look like in reality?

Our pipeline of excellence starts with our sixth formers. Some of our students know they want to become teachers from a very young age. Many of them have parents and family friends who teach and are role models for them. We help them to prepare for this journey with our "Aspiring Educators" programme. This involves two terms of learning and development that focus on the skills of teaching, the routes into the profession and a series of visits and practical experiences to help them understand how they can make a smooth transition into teacher training.

We have strong strategic partnerships with a focused number of excellent initial teacher training (ITT) providers in the West Midlands. They each have innovative ways to attract teachers - a school experience placement as part of a biochemistry degree or partnership with a French university

for prospective MFL teachers, for example. These initiatives, combined with WAT's 'incubator departments' (excellent departments across the trust where there is the best capacity to train and support early career teachers), mean that our conversion rate of great trainees to fabulous NQTs is growing year on year.

Induction, whether for NQTs or established teachers, is paramount, and we run a series of introductory sessions to explore the WAT ethos and vision and our approach to pedagogy and curriculum. Our aim is to accelerate every new employee towards a successful settling-in and a good awareness of what it means to work in a multi-academy trust. Development of the craft of teaching is central and continuous, in every school, every day. We have a culture of focusing on strengths, not weaknesses, and we want everyone to begin with this in mind. The profile of the wider WAT opportunities is raised early on too, with rapid opportunities to engage in cross-trust collaborative activities to build a collegiate mindset.

Our 'pedagogy champions' are one such opportunity: 30-40 excellent teachers and support staff who engage with educational research, not just as consumers, but as generators of new evidence. We ensure they all have access to the fabulous research resources that are available from our partnership with the Chartered College of Teaching, and they select 'wicked problems' across education to explore and identify workable and effective solutions for.

The impact of these practitioner-researchers is published annually in a research journal and iteratively becomes more scalable and transferable across schools, year groups and subject areas. Some of these researchers will go on to join the next cohort of master's students, following in the footsteps of these groundbreaking staff who are

part of the University of Birmingham's master's level apprenticeship programme tackling trust-wide challenges and earning an MED in Educational Leadership over two years.

Leadership development is a key focus that enables staff from our family of schools to grow their capacity and also develop alongside delegates from partner schools in the locality. We have a progressive pathway of leadership development. This starts with 'First Steps', looking at one's own readiness for leadership, through preparation for aspiring middle leaders, to the National Professional Qualifications for Middle and Senior Leadership for which we are an accredited provider, and onwards supporting heads and executive leaders on programmes such as Ambition Institute's 'Executive Leader' programmes.

All of our staff know that they have a varied pathway of development opportunities and they feed this back to us in staff surveys. This in turn forms a key part of our succession planning and talent-mapping activities. We also have cross-trust roles which are available to talented staff so that they have the opportunity to spread their magic.

“We also have cross-trust roles which are available to talented staff so that they have the opportunity to spread their magic.”

Directors of subject and lead practitioners develop common curriculum approaches across the trust and spread their subject-specific expertise.

The WAT Associate role enables talented staff to take a sabbatical (one day per week for a year) from their teaching to bring their talents to key developments such as enhancing the trust's Google strategy or embedding character education. This generates fresh and innovative approaches and encourages staff to have an outward-looking perspective, building system leaders of the future.

Staff across Windsor Academy Trust explore together and share together in a multitude of ways. A culture of collaboration and celebration allows everyone to experience high expectations and this helps excellence to travel.

One significant moment that demonstrates this is the WAT Conference. On this day, the whole family comes together - every member of staff, in every role, sharing our common moral purpose and vision. We have the opportunity to experience world-class speakers and some of the best of the collaborative work going on across our schools. For our staff, this is a significant opportunity to listen and to contribute to the broader staff experience in a high-class conference venue.

Staff feel valued when they are invited to share a successful or innovative strategy they have been responsible for. We also use this time together to recognise those staff who have gone above and beyond in all they do. We do this through our WAT awards, which publicly share the success not only of the winners but also of the many nominees put forward by their schools.

When asked if there was anything he would have

“A culture of collaboration and celebration allows everyone to experience high expectations and this helps excellence to travel.”

done differently in his glittering career, the Duke of Wellington replied, ‘Yes, I should have given more praise.’ We celebrate success because professional recognition is so important for all who work in education and we want all our staff to model praise with our children and young people.
