Letter from the Headteacher

Dear Applicant

Thank you for taking interest in the post of Teacher of English to start at South Charnwood High School on 27th August 2024. I hope you find the following details informative as you consider the opportunity of joining our very successful school.

At the heart of my educational philosophy is a conviction to ensure that every child achieves their full potential; academically, socially, morally and personally. We have a duty to provide an outstanding and exciting curriculum that strives for excellence so that no pupil underachieves. Pupils should be given opportunities to take responsibility for themselves and their own learning. Our young people deserve expert care, support and guidance from staff, parents and the wider community to help them make informed decisions. Every pupil must feel able to develop their own unique personal qualities, to develop high self-esteem, self-worth and self-respect as they become the young adults of the future. We have very high expectations of both staff and pupils.

Having converted from a 10-14 high school to an 11-16 academy in 2014, the school has sustained outstanding GCSE results year on year demonstrating that our pupils make much better progress than similar students nationally. The school is oversubscribed and pupils are highly motivated to succeed. Our Progress 8 score has consistently been significantly positive with a score of +0.79 in 2019 and +0.30 in both 2022 & 2023. In addition, we ensure that all Year 11 pupils receive support and guidance to apply for suitable post 16 courses.

You would join an enthusiastic and committed team of eight teachers in a department which regularly achieves excellent GCSE results. We enhance the number of GCSE classes in core subjects to ensure that our pupils are effectively supported. Over 90% of pupils consistently achieve Grade 4+ in GCSE English Language or Literature, 80% or more usually attain Grade 5+ and over 30% repeatedly achieving Grade 7+.

The KS3 English curriculum makes extensive use of modern children's literature, with units that cover a wide range of media as well as the technical aspects of language. The department has a long established commitment to mixed ability teaching throughout Key Stage 3 (Key Stage 4 classes are currently set.) In years 7-9, the pupils are taught for seven one hour lessons per fortnight, in years 10 & 11 this rises to eight lessons. The department currently follows the EDUQAS specification at GCSE. Staff meet regularly to share teaching ideas, develop new units and assessment approaches, moderate work and plan departmental developments, such as promoting a love of reading.

At South Charnwood, we invest in the continued professional development of all of our colleagues. Our CPD programme focuses on whole school priorities and the development of pedagogy based on research, best practice and our excellent links with other schools. In addition, we offer individualised CPD pathways which support staff at all stages of their career progression including National Professional Qualifications.

We are totally committed to raising aspirations and achieving fantastic outcomes for all pupils. Therefore, we are seeking to appoint an enthusiastic & dynamic English practitioner to build on the achievements of the past and support the department to further outstanding success in the future. If you have the desire to work hard, believe in a holistic approach to education and want to transform lives, with the full support of experienced colleagues, then this is a very exciting opportunity. I look forward to receiving your application.
