“ Decisions are very clearly taken for the right reasons, ie students' best interests. SLT also listen to individual staff and their concerns, in fact they solicit this feedback, and are not afraid to act on it even if it means modifying policy. Impacts of decisions on staff welfare/workload are very clearly taken into account and it is appreciated. I personally feel listened to and taken seriously as a professional. ”

Staff Survey Response

“ I love the school so much and there's so many different types of lessons and experiences like discos and school trips I'm very happy I joined! ”
